MATTHEWS INTERNATIONAL CORPORATION AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Unaudited)

June 30, 2022

(Dollar amounts in thousands, except per share data)

Note 1. Nature of Operations

Matthews International Corporation ("Matthews" or the "Company"), founded in 1850 and incorporated in Pennsylvania in 1902, is a global provider of memorialization products, industrial technologies and brand solutions. The Company manages its businesses under three segments: Memorialization, Industrial Technologies and SGK Brand Solutions. Effective in the first quarter of fiscal 2022, the Company transferred its surfaces and engineered products businesses from the SGK Brand Solutions segment to the Industrial Technologies segment. This business segment change is consistent with internal management structure and reporting changes effective for fiscal 2022. Prior periods were revised to reflect retrospective application of this segment realignment. Memorialization products consist primarily of bronze and granite memorials and other memorialization products, caskets, and cremation and incineration equipment primarily for the cemetery and funeral home industries. Industrial technologies includes the design, manufacturing, service and distribution of high-tech custom energy storage, marking, coding and industrial automation technologies and solutions, and order fulfillment systems for identifying, tracking, picking and conveying consumer and industrial products. Brand solutions consists of brand management, pre-media services, printing plates and cylinders, imaging services, digital asset management, merchandising display systems, and marketing and design services primarily for the consumer goods and retail industries.

The Company has facilities in North America, Europe, Asia, Australia, and Central and South America.

Note 2. Basis of Presentation

The accompanying unaudited consolidated financial statements have been prepared in accordance with generally accepted accounting principles ("GAAP") for interim financial information for commercial and industrial companies and the instructions to Form 10-Q and Rule 10-01 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. The year-end consolidated balance sheet data was derived from audited financial statements, but does not include all disclosures required by GAAP. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for fair presentation have been included. Operating results for the nine months ended June 30, 2022 are not necessarily indicative of the results that may be expected for the fiscal year ending September 30, 2022. For further information, refer to the consolidated financial statements and footnotes thereto included in the Company's Annual Report on Form 10-K for the year ended September 30, 2021. The consolidated financial statements include all domestic and foreign subsidiaries in which the Company maintains an ownership interest and has operating control and any variable interest entities for which the Company is the primary beneficiary. Investments in certain companies over which the Company exerts significant influence, but does not control the financial and operating decisions, are accounted for as equity method investments. Investments in certain companies over which the Company does not exert significant influence are accounted for as cost method investments. All intercompany accounts and transactions have been eliminated. The Company applies highly inflationary accounting for subsidiaries when the cumulative inflation rate for a three-year period meets or exceeds 100 percent.

Effective April 1, 2022, the Company applies highly inflationary accounting to its Turkish subsidiaries. Under highly inflationary accounting, the financial statements of these subsidiaries are remeasured into the Company's reporting currency (U.S. dollar) and exchange gains and losses from the remeasurement of monetary assets and liabilities are reflected in current earnings, rather than accumulated other comprehensive loss on the Consolidated Balance Sheets, until such time as the applicable economy is no longer considered highly inflationary. As of June 30, 2022, the Company had net monetary assets related to its Turkish subsidiaries of \$6,829. For the three and nine months ended June 30, 2022, exchange losses related to highly inflationary accounting totaled \$1,245 and were included in the Consolidated Statements of Income within other income (deductions), net.

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 3. Revenue Recognition

The Company delivers a variety of products and services through its business segments. The Memorialization segment produces and delivers bronze and granite memorials and other memorialization products, caskets, and cremation and incineration equipment primarily for the cemetery and funeral home industries. The Industrial Technologies segment designs, manufactures, services and distributes high-tech custom energy storage, marking, coding and industrial automation technologies and solutions, and order fulfillment systems for identifying, tracking, picking and conveying consumer and industrial products. The SGK Brand Solutions segment delivers brand management, pre-media services, printing plates and cylinders, imaging services, digital asset management, merchandising display systems, and marketing and design services primarily for the consumer goods and retail industries.

The Company disaggregates revenue from contracts with customers by geography, as it believes geographic regions best depict how the nature, amount, timing and uncertainty of revenue and cash flows are affected by economic factors. Disaggregated sales by segment and region for the three and nine months ended June 30, 2022 and 2021 were as follows:

As of June 30, 2022 and September 30, 2021, the Company had contract assets of \$25,059 and \$23,998, respectively, that were recorded in other current assets within the Consolidated Balance Sheets. Note 4. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A three level fair value hierarchy is used to prioritize the inputs used in valuations, as defined below:

- Level 1: Observable inputs that reflect unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Unobservable inputs for the asset or liability.

The fair values of the Company's assets and liabilities measured on a recurring basis are categorized as follows:

	June 30, 2022				September 30, 2021			
	Level 1	Level 2	Level 3	Total	Level 1	Level 2	Level 3	Total
Assets:

Total liabilities at fair value	\$ —	\$ —	\$ —	\$ —	\$ —	\$ 2,232	\$ —	\$ 2,232

⁽¹⁾ Interest rate swaps and cross currency swaps are valued based on observable market swap rates and are classified within Level 2 of the fair value hierarchy.

The carrying values for other financial assets and liabilities approximated fair value at June 30, 2022 and September 30, 2021.

Note 7. Debt and Financing Arrangements

Long-term debt at June 30, 2022 and September 30, 2021 consisted of the following:

	June 30, 2022	September 30, 2021
Revolving credit facilities	\$ 447,223	\$ 350,597

The Company has a domestic credit facility with a syndicate of financial institutions that includes a \$750,000 senior secured revolving credit facility, which matures in March 2025. A portion of the revolving credit facility (not to exceed \$350,000) can be drawn in foreign currencies. Borrowings under the revolving credit facility bear interest at LIBOR plus a factor ranging from 0.75% to 2.00% (1.00% at June 30, 2022) based on the Company's secured leverage ratio. The secured leverage ratio is defined as net secured indebtedness divided by EBITDA (earnings before interest, income taxes, depreciation and amortization) as defined within the domestic credit facility agreement. The Company is required to pay an annual commitment fee ranging from 0.15% to 0.30% (based on the Company's leverage ratio) of the unused portion of the revolving credit facility. The Company incurred debt issuance costs in connection with the domestic credit facility. Unamortized costs were \$1,674 and \$2,182 at June 30, 2022 and September 30, 2021, respectively.

The domestic credit facility requires the Company to maintain certain leverage and interest coverage ratios. A portion of the facility (not to exceed \$35,000) is available for the issuance of trade and standby letters of credit. Outstanding U.S. dollar denominated borrowings on the revolving credit facility at June 30, 2022 and September 30, 2021 were \$436,254 and \$349,780, respectively. The weighted-average interest rate on the outstanding borrowings for the domestic credit facility (including the effects of interest rate swaps and Euro denominated borrowings) at June 30, 2022 and 2021 was 1.92% and 1.94%, respectively.

The Company has \$300,000 of 5.25% senior unsecured notes due December 1, 2025 (the "2025 Senior Notes"). The 2025 Senior Notes bear interest at a rate of 5.25% per annum with interest payable semi-annually in arrears on June 1 and December 1 of each year. The Company's obligations under the 2025 Senior Notes are guaranteed by certain of the Company's direct and indirect wholly-owned subsidiaries. The Company is subject to certain covenants and other restrictions in connection with the 2025 Senior Notes. The Company incurred direct financing fees and costs in connection with the 2025 Senior Notes. Unamortized costs were \$1,800 and \$2,204 at June 30, 2022 and September 30, 2021, respectively.

The Company and certain of its domestic subsidiaries sell, on a continuous basis without recourse, their trade receivables to Matthews Receivables Funding Corporation, LLC ("Matthews RFC"), a wholly-owned bankruptcy-remote subsidiary of the Company. In March 2022, Matthews RFC entered into a receivables purchase agreement ("RPA") to sell up to \$125,000 of receivables to certain purchasers (the "Purchasers") on a recurring basis in exchange for cash (referred to as "capital" within the RPA) equal to the gross receivables transferred. The parties intend that the transfers of receivables to the Purchasers constitute purchases and sales of receivables. Matthews RFC has guaranteed to each Purchaser the prompt payment of sold receivables, and has granted a security interest in its assets for the benefit of the Purchasers. Under the RPA, which matures in March 2024, each Purchaser's share of capital accrues yield at a floating rate plus an applicable margin. The Company is the master servicer under the RPA, and is responsible for administering and collecting receivables.

The proceeds of the RPA are classified as operating activities in the Company's Consolidated Statements of Cash Flows. Cash received from collections of sold receivables may be used to fund additional purchases of receivables on a revolving basis, or to reduce all or any portion of the outstanding capital of the Purchasers. Gross receivables sold and cash collections reinvested under the RPA program were \$247,221 and \$147,220 for the nine months ended June 30, 2022, respectively. The fair value of the sold receivables approximated book value due to their credit quality and short-term nature, and as a result, no gain or loss on sale of receivables was recorded. As of June 30, 2022, the amount sold to the Purchasers was \$100,001, which was derecognized from the Consolidated Balance Sheets. As collateral against sold receivables, Matthews RFC maintains a certain level of unsold receivables, which was \$39,707 as of June 30, 2022.

Note 7. Debt and Financing Arrangements (continued)

Previously, the Company had a \$115,000 accounts receivable securitization facility (the "Securitization Facility") with certain financial institutions that matured in March 2022. The Securitization Facility did not qualify for sale treatment. Accordingly, the trade receivables and related debt obligations remained on the Company's Consolidated Balance Sheet. Borrowings under the Securitization Facility were based on LIBOR plus 0.75% and the Company was required to pay an annual commitment fee ranging from 0.25% to 0.35% of the unused portion of the Securitization Facility. Outstanding borrowings under the Securitization Facility at September 30, 2021 totaled \$95,990. At June 30, 2021, the interest rate on borrowings under this facility was 0.85%.

The following table presents information related to interest rate contracts entered into by the Company and designated as cash flow hedges:

	June 30, 2022	September 30, 2021
Pay fixed swaps - notional amount	\$ 125,000	\$ 250,000
Net unrealized gain (loss)	\$ 7,407	\$ (2,062)
Weighted-average maturity period (years)	3.1	2.2
Weighted-average received rate	1.79 %	0.08 %
Weighted-average pay rate	1.04 %	1.34 %

The Company enters into interest rate swaps in order to achieve a mix of fixed and variable rate debt that it deems appropriate. The interest rate swaps have been designated as cash flow hedges of future variable interest payments, which are considered probable of occurring. Based on the Company's assessment, all of the critical terms of each of the hedges matched the underlying terms of the hedged debt and related forecasted interest payments, and as such, these hedges were considered highly effective.

The fair value of the interest rate swaps reflected an unrealized gain net of unrealized losses of \$7,407 (\$5,591 after tax) at June 30, 2022 and an unrealized loss net of unrealized gains of \$2,062 (\$1,558 after tax) at September 30, 2021, that is included in shareholders' equity as part of accumulated other comprehensive income (loss) ("AOCI"). Assuming market rates remain constant with the rates at June 30, 2022, a gain (net of tax) of approximately \$1,638 included in AOCI is expected to be recognized in earnings over the next twelve months.

At June 30, 2022 and September 30, 2021, the interest rate swap contracts were reflected on a gross-basis in the Consolidated Balance Sheets as follows:

Derivatives	June 30, 2022	September 30, 2021
Current assets:		
Other current assets	\$ 2,169	\$ 31
Long-term assets:

The losses recognized on derivatives were as follows:

Note 7. Debt and Financing Arrangements (continued)

The Company recognized the following gains (losses) in AOCI:

* There is no ineffective portion or amounts excluded from effectiveness testing.

The Company, through certain of its European subsidiaries, has a credit facility with a European bank, which is guaranteed by Matthews. The maximum amount of borrowing available under this facility is €25.0 million (\$26,128), which includes €8.0 million (\$8,361) for bank guarantees. In the first quarter of fiscal 2022, the Company extended this facility to a current maturity of December 2022 and the Company intends to continue to extend this facility. Outstanding borrowings under the credit facility totaled €10.5 million (\$10,969) and €0.7 million (\$817) at June 30, 2022 and September 30, 2021, respectively. The weighted-average interest rate on outstanding borrowings under this facility was 2.25% at June 30, 2022 and 2021.

Other borrowings totaled \$24,394 and \$10,150 at June 30, 2022 and September 30, 2021, respectively. Other borrowings at June 30, 2022 included \$3,389 of collateralized borrowings in connection with the RPA arrangement discussed above. The weighted-average interest rate on all other borrowings was 1.90% and 2.19% at June 30, 2022 and 2021, respectively.

The Company has a U.S. Dollar/Euro cross currency swap with a notional amount of \$94,464 as of June 30, 2022, which has been designated as a net investment hedge of foreign operations. The swap contract matures in September 2028. The Company assesses hedge effectiveness for this contract based on changes in fair value attributable to changes in spot prices. A gain of \$8,708 (net of income taxes of \$2,826) and a gain of \$29 (net of income taxes of \$10), which represented effective hedges of net investments, were reported as a component of AOCI within currency translation adjustment at June 30, 2022 and September 30, 2021, respectively. Income of \$428 and \$1,213, which represented the recognized portion of the fair value excluded from the assessment of hedge effectiveness, was included in current period earnings as a component of interest expense for the three and nine months ended June 30, 2022, respectively. At June 30, 2022 and September 30, 2021, the swap, which is included in other assets in the Consolidated Balance Sheets, totaled \$11,534 and \$39, respectively.

The Company enters into certain derivative contracts in accordance with its risk management strategy that do not meet the criteria for hedge accounting but which have the economic impact of largely mitigating foreign currency exposure. Changes in the fair value of these economic hedges are recorded in current period earnings as a component of other income (deductions), net. During the third quarter of fiscal 2022, the Company entered into a three-year U.S. Dollar/Euro cross currency swap with a notional amount of \$52,765, which did not meet the criteria for hedge accounting. An unrealized gain of \$495 related to this swap was included in other assets in the Consolidated Balance Sheet at June 30, 2022.

As of June 30, 2022 and September 30, 2021, the fair value of the Company's long-term debt, including current maturities, which is classified as Level 2 in the fair value hierarchy, approximated the carrying value included in the Consolidated Balance Sheets. The Company was in compliance with all of its debt covenants as of June 30, 2022.

Note 8. Share-Based Payments

The Company maintains an equity incentive plan (as amended and restated, the "2017 Equity Incentive Plan") that provides for grants of stock options, restricted shares, restricted share units, stock-based performance units and certain other types of stock-based awards. Under the 2017 Equity Incentive Plan, which has a ten-year term from the date the Company's Board of Directors approved of the 2017 Equity Incentive Plan, the maximum number of shares available for grants or awards is an aggregate of 3,450,000 (subject to adjustment upon certain events such as stock dividends or stock splits), following the amendment and restatement of the 2017 Equity Incentive Plan at the Company's 2022 Annual Shareholder Meeting. At June 30, 2022, 215,618 shares have been issued under the 2017 Equity Incentive Plan. 789,015 time-based restricted share units, 946,212 performance-based restricted share units, and 75,000 stock options have been granted under the 2017 Equity Incentive Plan. 1,503,012 of these share-based awards are outstanding as of June 30, 2022. The 2017 Equity Incentive Plan is administered by the Compensation Committee of the Board of Directors. The number of shares issued under performance-based restricted share units may be up to 200% of the number of performance-based restricted share units, based on the satisfaction of specific criteria established by the plan administrator.

For the three-month periods ended June 30, 2022 and 2021, stock-based compensation cost totaled \$1,197 and \$5,713, respectively. For the nine-month periods ended June 30, 2022 and 2021, stock-based compensation cost totaled \$14,128 and \$12,960, respectively. The associated future income tax benefit recognized for stock-based compensation was \$1,282 and \$1,467 for the three-month periods ended June 30, 2022 and 2021, respectively, and \$2,970 and \$2,443 for the nine-month periods ended June 30, 2022 and 2021, respectively.

With respect to the restricted share grants, generally one-half of the shares vest on the third anniversary of the grant, one-quarter of the shares vest in one-third increments upon the attainment of pre-defined levels of adjusted earnings per share, and the remaining one-quarter of the shares vest in one-third increments upon attainment of pre-defined levels of appreciation in the market value of the Company's Class A Common Stock. Additionally, restricted shares cannot vest until the first anniversary of the grant date. Unvested restricted shares generally expire on the earlier of three or five years from the date of grant, upon employment termination, or within specified time limits following voluntary employment termination (with the consent of the Company), retirement or death. The Company issues restricted shares from treasury shares.

With respect to the restricted share unit grants, units generally vest on the third anniversary of the grant date. The number of units that vest depend on certain time and performance thresholds. Such performance thresholds include adjusted earnings per share, return on invested capital, appreciation in the market value of the Company's Class A Common Stock, or other targets established by the Compensation Committee of the Board of Directors. Approximately 42% of the outstanding share units vest based on time, while the remaining vest based on pre-defined performance thresholds. The Company issues common stock from treasury shares once vested.

The transactions for restricted shares and restricted share units for the nine months ended June 30, 2022 were as follows:

	Shares /Units	Weighted-average Grant-date Fair Value
Non-vested at September 30, 2021	1,083,365	\$ 34.07
Granted	670,317	37.88
Vested	(167,031)	41.76
Expired or forfeited	(122,448)	47.72
Non-vested at June 30, 2022	<u>1,464,203</u>	<u>\$ 33.80</u>

During the third quarter of fiscal 2021, 75,000 stock options were granted under the 2017 Equity Incentive Plan. The option price for each stock option granted was \$41.70, which was equal to the fair market value of the Company's Class A Common Stock on the date of grant. These options vest in one-third increments annually over three years from the grant date. Unvested stock options expire on the earlier of five years from the date of grant, or upon employment termination, retirement or death. The Company generally settles employee stock option exercises with treasury shares.

As of June 30, 2022, the total unrecognized compensation cost related to all unvested stock-based awards was \$1,698 and is expected to be recognized over a weighted average period of 2.4 years.

Note 8. Share-Based Payments (continued)

The Company maintains the 2019 Director Fee Plan, the Amended and Restated 2014 Director Fee Plan and the 1994 Director Fee Plan (collectively, the "Director Fee Plans"). There will be no further fees or share-based awards granted under the Amended and Restated 2014 Director Fee Plan and the 1994 Director Fee Plan. Under the 2019 Director Fee Plan, non-employee directors (except for the Chairman of the Board) each receive, as an annual retainer fee for fiscal 2022, either cash or shares of the Company's Class A Common Stock with a value equal to \$90. The annual retainer fee for fiscal 2022 paid to the non-employee Chairman of the Board is \$210. Where the annual retainer fee is provided in shares, each director may elect to be paid these shares on a current basis or have such shares credited to a deferred stock account as phantom stock, with such shares to be paid to the director subsequent to leaving the Board. The total number of shares of stock that have been authorized to be issued under the 2019 Director Fee Plan or credited to a deferred stock compensation account for subsequent issuance is 150,000 shares of Common Stock (subject to adjustment upon certain events such as stock dividends or stock splits). The value of deferred shares is recorded in other liabilities. A total of 45,191 shares and share units had been deferred under the Director Fee Plans as of June 30, 2022. Additionally, non-employee directors each receive an annual stock-based grant (non-statutory stock options, stock appreciation rights and/or restricted shares or units) with a value of \$140 for fiscal 2022. As of June 30, 2022, 305,911 restricted shares and restricted share units have been granted under the Director Fee Plans and are outstanding as of June 30, 2022, 132,682 of which were issued under the 2019 Director Fee Plan. 58,008 restricted shares and restricted share units are unvested at June 30, 2022.

Note 9. Earnings Per Share Attributable to Matthews' Shareholders

The information used to compute earnings (loss) per share attributable to Matthews' common shareholders was as follows:

	Three Months Ended June 30,		Nine Months Ended June 30,	
	2022	2021	2022	2021
Net income (loss) attributable to Matthews shareholders	\$ 2,893	\$ 3,355	\$ (18,815)	\$ 6,586
Weighted-average shares outstanding (in thousands):

Effect of dilutive securities	308	537	—	435
Diluted shares	31,552	32,193	31,531	32,118

Anti-dilutive securities excluded from the dilution calculation were insignificant for the three and nine months ended June 30, 2022. During periods in which the Company incurs a net loss, diluted weighted-average shares outstanding are equal to basic weighted-average shares outstanding because the effect of all equity awards is anti-dilutive.

Note 10. Pension and Other Postretirement Benefit Plans

The Company provides defined benefit pension and other postretirement plans to certain employees. Net periodic pension and other postretirement benefit cost for the plans included the following:

* Non-service components of pension and postretirement expense are included in other income (deductions), net.

Benefit payments under the Company's principal defined benefit retirement plan ("DB Plan") were made from plan assets, while benefit payments under the supplemental retirement plan and postretirement benefit plan are made from the Company's operating funds. In the first quarter of fiscal 2022, the Company terminated its DB Plan and made plan contributions totaling \$35,706 to fully fund the planned settlement of the DB Plan obligations. Also during the first quarter of fiscal 2022, lump sum distributions of \$185,958 were made from the DB Plan to plan participants, and non-participating annuity contracts totaling \$6,274 were purchased by the DB Plan for plan participants, resulting in the full settlement of the DB Plan obligations. The settlement of the DB Plan obligations resulted in the recognition of a non-cash charge of \$30,856, which has been presented as a component of other income (deductions), net for the nine months ended June 30, 2022. This amount represents the immediate recognition of the remaining portion of the deferred AOCI balances related to the DB Plan.

Note 12. Income Taxes

Income tax provisions for the Company's interim periods are based on the effective income tax rate expected to be applicable for the full year. The Company's consolidated income taxes for the first nine months of fiscal 2022 were a benefit of \$2,311, compared to an expense of \$2,627 for the first nine months of fiscal 2021. The difference between the Company's consolidated income taxes for the first nine months of fiscal 2022 compared to the same period for fiscal 2021 primarily resulted from a consolidated pre-tax loss in fiscal 2022 (related to the DB Plan settlement) compared to pre-tax income in fiscal 2021. Additionally, fiscal 2022 included discrete tax expenses related to non-tax deductible asset write-downs in Russia, due to the full valuation allowance for the Russian entity. Fiscal 2022 discrete tax expenses were partially offset by discrete tax benefits related to the resolution of uncertain tax liabilities. Fiscal 2021 included discrete tax expenses related to foreign operating losses, discrete tax benefits related to the resolution of uncertain tax liabilities, a net operating loss ("NOL") carryback to tax years where the U.S. federal statutory rate was 35%, and additional foreign tax credits. The Company's fiscal 2022 nine month effective tax rate varied from the U.S. statutory tax rate of 21.0% primarily due to the non-deductible asset write-downs in Russia, state taxes, foreign statutory rate differentials, and tax credits. The Company's fiscal 2021 nine month effective tax rate varied from the U.S. statutory tax rate of 21.0% primarily due to discrete tax expenses related to foreign operating losses, discrete tax benefits related to the resolution of uncertain tax liabilities, a NOL carryback to tax years where the U.S. federal statutory rate was 35%, and additional foreign tax credits.

The Company had unrecognized tax benefits (excluding penalties and interest) of \$3,046 and \$2,807 on June 30, 2022 and September 30, 2021, respectively, which would impact the annual effective rate at June 30, 2022 and September 30, 2021, respectively. It is reasonably possible that the amount of unrecognized tax benefits could decrease by approximately \$191 in the next 12 months primarily due to the completion of audits and the expiration of the statute of limitations.

The Company classifies interest and penalties on tax uncertainties as a component of the provision for income taxes. Total penalties and interest accrued were \$701 and \$691 at June 30, 2022 and September 30, 2021, respectively. These accruals may potentially be applicable in the event of an unfavorable outcome of uncertain tax positions.

The Company is currently under examination in several tax jurisdictions and remains subject to examination until the statute of limitations expires for those tax jurisdictions. As of June 30, 2022, the tax years that remain subject to examination by major jurisdictions generally are:

United States – Federal	2018 and forward
United States – State	2017 and forward
Canada	2019 and forward
Germany	2019 and forward
United Kingdom	2020 and forward
Singapore	2018 and forward
Australia	2018 and forward

Note 13. Segment Information

The Company manages its businesses under three segments: Memorialization, Industrial Technologies and SGK Brand Solutions. Effective in the first quarter of fiscal 2022, the Company transferred its surfaces and engineered products businesses from the SGK Brand Solutions segment to the Industrial Technologies segment. This business segment change is consistent with internal management structure and reporting changes effective for fiscal 2022. Prior periods were revised to reflect retrospective application of this segment realignment. The Memorialization segment consists primarily of bronze and granite memorials and other memorialization products, caskets, and cremation and incineration equipment primarily for the cemetery and funeral home industries. The Industrial Technologies segment includes the design, manufacturing, service and distribution of high-tech custom energy storage, marking, coding and industrial automation technologies and solutions, and order fulfillment systems for identifying, tracking, picking and conveying consumer and industrial products. The SGK Brand Solutions segment consists of brand management, pre-media services, printing plates and cylinders, imaging services, digital asset management, merchandising display systems, and marketing and design services primarily for the consumer goods and retail industries.

Note 13. Segment Information (continued)

The Company's primary measure of segment profitability is adjusted earnings before interest, income taxes, depreciation and amortization ("adjusted EBITDA"). Adjusted EBITDA is defined by the Company as earnings before interest, income taxes, depreciation, amortization and certain non-cash and/or non-recurring items that do not contribute directly to management's evaluation of its operating results. These items include stock-based compensation, the non-service portion of pension and postretirement expense, acquisition costs, ERP integration costs, and strategic initiatives and other charges. This presentation is consistent with how the Company's chief operating decision maker (the "CODM") evaluates the results of operations and makes strategic decisions about the business. For these reasons, the Company believes that adjusted EBITDA represents the most relevant measure of segment profit and loss.

In addition, the CODM manages and evaluates the operating performance of the segments, as described above, on a pre-corporate cost allocation basis. Accordingly, for segment reporting purposes, the Company does not allocate corporate costs to its reportable segments. Corporate costs include management and administrative support to the Company, which consists of certain aspects of the Company's executive management, legal, compliance, human resources, information technology (including operational support) and finance departments. These costs are included within "Corporate and Non-Operating" in the following table to reconcile to consolidated adjusted EBITDA and are not considered a separate reportable segment. Management does not allocate non-operating items such as investment income, other income (deductions), net and noncontrolling interest to the segments.

The following table sets forth information about the Company's segments, including a reconciliation of adjusted EBITDA to net income.

⁽¹⁾ Includes certain non-recurring items associated with recent acquisition activities, costs associated with global ERP system integration efforts, certain non-recurring costs associated with productivity and cost-reduction initiatives intended to result in improved operating performance, profitability and working capital levels, and exchange losses associated with highly inflationary accounting (see Note 2, "Basis of Presentation").

⁽²⁾ Includes certain non-recurring direct incremental costs (such as costs for purchases of computer peripherals and devices to facilitate working-from-home, additional personal protective equipment and cleaning supplies and services, etc.) incurred in response to COVID-19. This amount does not include the impact of any lost sales or underutilization due to COVID-19.

⁽³⁾ Represents items associated with the termination of the Company's DB Plan, supplemental retirement plan and the defined benefit portion of the officers retirement restoration plan.

⁽⁴⁾ Represents asset write-downs, net of recoveries within the SGK Brand Solutions segment (see Note 15, "Asset Write-Downs").

⁽⁵⁾ Non-service pension and postretirement expense includes interest cost, expected return on plan assets, amortization of actuarial gains and losses, curtailment gains and losses, and settlement gains and losses. These benefit cost components are excluded from adjusted EBITDA since they are primarily influenced by external market conditions that impact investment returns and interest (discount) rates. Curtailment gains and losses and settlement gains and losses are excluded from adjusted EBITDA since they generally result from certain non-recurring events, such as plan amendments to modify future benefits or settlements of plan obligations. The service cost and prior service cost components of pension and postretirement expense are included in the calculation of adjusted EBITDA, since they are considered to be a better reflection of the ongoing service-related costs of providing these benefits. Please note that GAAP pension and postretirement expense or the adjustment above are not necessarily indicative of the current or future cash flow requirements related to these employee benefit plans.

* Depreciation and amortization was \$ 5,835 and \$5,838 for the Memorialization segment, \$2,459 and \$2,829 for the Industrial Technologies segment, \$ 13,334 and \$25,383 for the SGK Brand Solutions segment, and \$1,310 and \$1,339 for Corporate and Non-Operating, for the three months ended June 30, 2022 and 2021, respectively. Depreciation and amortization was \$ 17,448 and \$17,016 for the Memorialization segment, \$7,643 and \$8,449 for the Industrial Technologies segment, \$ 51,119 and \$68,492 for the SGK Brand Solutions segment, and \$ 3,953 and \$3,962 for Corporate and Non-Operating, for the nine months ended June 30, 2022 and 2021, respectively.

** Acquisition costs, ERP integration costs, and strategic initiatives and other charges were \$ 902 and \$484 for the Memorialization segment, \$1,183 and \$881 for the Industrial Technologies segment, \$1,970 and \$2,909 for the SGK Brand Solutions segment, and \$ 3,235 and \$2,939 for Corporate and Non-Operating, for the three months ended June 30, 2022 and 2021, respectively. Acquisition costs, ERP integration costs, and strategic initiatives and other charges were \$2,090 and \$ 1,279 for the Memorialization segment, \$1,376 and \$3,666 for the Industrial Technologies segment, \$ 7,673 and \$10,470 for the SGK Brand Solutions segment, and \$6,724 and \$8,083 for Corporate and Non-Operating, for the nine months ended June 30, 2022 and 2021, respectively.

*** Non-recurring/incremental COVID-19 costs were \$225 and \$1,333 for the Memorialization segment, \$1 and \$6 for the Industrial Technologies segment, \$ 74 and \$638 for the SGK Brand Solutions segment, and \$1 and \$16 for Corporate and Non-Operating, for the three months ended June 30, 2022 and 2021, respectively. Non-recurring/incremental COVID-19 costs were \$ 1,268 and \$3,223 for the Memorialization segment, \$6 and \$36 for the Industrial Technologies segment, \$ 464 and \$1,344 for the SGK Brand Solutions segment, and \$ 466 and \$86 for Corporate and Non-Operating, for the nine months ended June 30, 2022 and 2021, respectively.

Note 14. Goodwill and Other Intangible Assets

A summary of the carrying amount of goodwill attributable to each segment as well as the changes in such amounts are as follows:

	<u>Memorialization</u>	<u>Industrial Technologies</u>	<u>SGK Brand Solutions</u>	<u>Consolidated</u>
Net goodwill at September 30, 2021	\$ 366,360	\$ 92,577	\$ 314,850	\$ 773,787
Translation and other adjustments	(2,818)	(1,050)	(15,270)	(19,138)
Net goodwill at June 30, 2022	<u>\$ 363,542</u>	<u>\$ 91,527</u>	<u>\$ 299,580</u>	<u>\$ 754,649</u>

The net goodwill balances at June 30, 2022 and September 30, 2021 included \$178,732 of accumulated impairment losses. Accumulated impairment losses at June 30, 2022 and September 30, 2021 were \$5,000, \$23,946 and \$149,786 for the Memorialization, Industrial Technologies and SGK Brand Solutions segments, respectively.

The Company performed its annual impairment review of goodwill and indefinite-lived intangible assets in the second quarter of fiscal 2022 (January 1, 2022) and determined that the estimated fair values for all goodwill reporting units exceeded their carrying values, therefore no impairment charges were necessary. The estimated fair value of the Company's SGK Brand Solutions reporting unit (formerly the Graphics Imaging reporting unit) exceeded the carrying value (expressed as a percentage of carrying value) by approximately 10%. The SGK Brand Solutions reporting unit has experienced recent declines, primarily resulting from weakened economic conditions (particularly in Europe) and unfavorable changes in foreign exchange rates. Additionally, recent increases in the cost of certain materials, labor, and other inflationary pressures have had an unfavorable impact on the reporting unit's results of operations. If current projections are not achieved or specific valuation factors outside the Company's control (such as discount rates and continued economic and industry challenges) significantly change, goodwill write-downs may be necessary in future periods.

Note 14. Goodwill and Other Intangible Assets (continued)

The following tables summarize the carrying amounts and related accumulated amortization for intangible assets as of June 30, 2022 and September 30, 2021, respectively.

The net change in intangible assets during the nine months ended June 30, 2022 included the impact of foreign currency fluctuations during the period and additional amortization.

Amortization expense on intangible assets was \$11,804 and \$23,039 for the three-month periods ended June 30, 2022 and 2021, respectively. For the nine month period ended June 30, 2022 and 2021, amortization expense was \$45,303 and \$61,190, respectively. Amortization expense is estimated to be \$11,993 for the remainder of fiscal 2022, \$41,064 in 2023, \$35,505 in 2024, \$18,880 in 2025 and \$14,686 in 2026.

Note 15. Asset Write-Downs

The Company has certain operations in Russia within its SGK Brand Solutions segment. In light of the current war between Russia and Ukraine, and the resulting regional instability and evolving political and economic conditions within the region, the Company evaluated certain of its assets for recoverability and impairment. As a result of this assessment, and due to the uncertainty in projecting future cash flows for the Company's operations in Russia, the Company recorded asset write-downs totaling \$10,017 (net of recoveries) during fiscal 2022 to reduce the carrying value of these assets to zero. Asset write-downs (primarily related to property, plant and equipment) totaling \$9,686 and \$331 were reported within cost of sales and administrative expense, respectively, for the nine months ended June 30, 2022.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

CAUTIONARY STATEMENTS REGARDING FORWARD LOOKING STATEMENTS AND NON-GAAP FINANCIAL MEASURES:

The following discussion should be read in conjunction with the consolidated financial statements of Matthews International Corporation ("Matthews" or the "Company") and related notes thereto included in this Quarterly Report on Form 10-Q and the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2021. Any forward-looking statements contained herein are included pursuant to the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks and uncertainties that may cause the Company's actual results in future periods to be materially different from management's expectations. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove correct. Factors that could cause the Company's results to differ materially from the results discussed in such forward-looking statements principally include changes in domestic or international economic conditions, changes in foreign currency exchange rates, changes in the cost of materials used in the manufacture of the Company's products, changes in mortality and cremation rates, changes in product demand or pricing as a result of consolidation in the industries in which the Company operates, or other factors such as supply chain disruptions, labor shortages or labor cost increases, changes in product demand or pricing as a result of domestic or international competitive pressures, ability to achieve cost-reduction objectives, unknown risks in connection with the Company's acquisitions, cybersecurity concerns, effectiveness of the Company's internal controls, compliance with domestic and foreign laws and regulations, technological factors beyond the Company's control, impact of pandemics or similar outbreaks, or other disruptions to our industries, customers or supply chains, the impact of global conflicts, such as the current war between Russia and Ukraine, and other factors described in Item 1A - "Risk Factors" in this Form 10-Q and Item 1A - "Risk Factors" in the Company's Form 10-K for the fiscal year ended September 30, 2021. In addition, although the Company does not have any customers that would be considered individually significant to consolidated sales, changes in the distribution of the Company's products or the potential loss of one or more of the Company's larger customers are also considered risk factors. Matthews cautions that the foregoing list of important factors is not all inclusive. Readers are also cautioned not to place undue reliance on any forward looking statements, which reflect management's analysis only as of the date of this report, even if subsequently made available by Matthews on its website or otherwise. Matthews does not undertake to update any forward looking statement, whether written or oral, that may be made from time to time by or on behalf of Matthews to reflect events or circumstances occurring after the date of this report.

Included in this report are measures of financial performance that are not defined by generally accepted accounting principles in the United States ("GAAP"). These non-GAAP financial measures assist management in comparing the Company's performance on a consistent basis for purposes of business decision-making by removing the impact of certain items that management believes do not directly reflect the Company's core operations. For additional information and reconciliations from the consolidated financial statements see "Non-GAAP Financial Measures" below.

RESULTS OF OPERATIONS:

The Company manages its businesses under three segments: Memorialization, Industrial Technologies and SGK Brand Solutions. Effective in the first quarter of fiscal 2022, the Company transferred its surfaces and engineered products businesses from the SGK Brand Solutions segment to the Industrial Technologies segment. This business segment change is consistent with internal management structure and reporting changes effective for fiscal 2022. Prior periods were revised to reflect retrospective application of this segment realignment. The Memorialization segment consists primarily of bronze and granite memorials and other memorialization products, caskets, and cremation and incineration equipment primarily for the cemetery and funeral home industries. The Industrial Technologies segment includes the design, manufacturing, service and distribution of high-tech custom energy storage, marking, coding and industrial automation technologies and solutions, and order fulfillment systems for identifying, tracking, picking and conveying consumer and industrial products. The SGK Brand Solutions segment consists of brand management, pre-media services, printing plates and cylinders, imaging services, digital asset management, merchandising display systems, and marketing and design services primarily for the consumer goods and retail industries.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations, Continued

The Company's primary measure of segment profitability is adjusted earnings before interest, income taxes, depreciation and amortization ("adjusted EBITDA"). Adjusted EBITDA is defined by the Company as earnings before interest, income taxes, depreciation, amortization and certain non-cash and/or non-recurring items that do not contribute directly to management's evaluation of its operating results. These items include stock-based compensation, the non-service portion of pension and postretirement expense, acquisition costs, ERP integration costs, and strategic initiatives and other charges. This presentation is consistent with how the Company's chief operating decision maker (the "CODM") evaluates the results of operations and makes strategic decisions about the business. For these reasons, the Company believes that adjusted EBITDA represents the most relevant measure of segment profit and loss.

In addition, the CODM manages and evaluates the operating performance of the segments, as described above, on a pre-corporate cost allocation basis. Accordingly, for segment reporting purposes, the Company does not allocate corporate costs to its reportable segments. Corporate costs include management and administrative support to the Company, which consists of certain aspects of the Company's executive management, legal, compliance, human resources, information technology (including operational support) and finance departments. These costs are included within "Corporate and Non-Operating" in the following table to reconcile to consolidated adjusted EBITDA and are not considered a separate reportable segment. Management does not allocate non-operating items such as investment income, other income (deductions), net and noncontrolling interest to the segments.

The following table sets forth the sales and adjusted EBITDA for the Company's three reporting segments for the three and nine-month periods ended June 30, 2022 and 2021. Refer to Note 13, "Segment Information" in Item 1 - "Financial Statements" for the Company's financial information by segment.

Sales for the nine months ended June 30, 2022 were \$1.31 billion, compared to \$1.23 billion for the nine months ended June 30, 2021, representing an increase of \$73.1 million. The increase in fiscal 2022 sales reflected higher sales in the Memorialization and Industrial Technologies segments, partially offset by lower sales in the SGK Brand Solutions segment. On a consolidated basis, changes in foreign currency exchange rates were estimated to have an unfavorable impact of \$32.8 million on fiscal 2022 sales compared to the prior year.

Memorialization segment sales for the first nine months of fiscal 2022 were \$633.9 million, compared to \$573.1 million for the first nine months of fiscal 2021. The increase in sales predominantly resulted from improved price realization, increased unit sales of caskets and bronze and granite memorial products, and higher sales of mausoleums and cremation and incineration equipment. The increase in sales also reflected benefits from the fiscal 2021 acquisition of a small cemetery products business. Changes in foreign currency exchange rates had an unfavorable impact of \$2.8 million on the segment's sales compared to the prior year. Industrial Technologies segment sales were \$230.9 million for the first nine months of fiscal 2022, compared to \$200.5 million for the first nine months of fiscal 2021. The sales increase primarily reflected higher sales of purpose-built engineered products (primarily energy storage solutions for the electric vehicle market), increased sales of warehouse automation solutions, and higher product identification sales. These increases were partially offset by reduced sales of surfaces products. Changes in foreign currency exchange rates had an unfavorable impact of \$9.7 million on the segment's sales compared to the prior year. In the SGK Brand Solutions segment, sales for the first nine months of fiscal 2022 were \$440.5 million, compared to \$458.6 million for the first nine months of fiscal 2021. The decrease primarily resulted from unfavorable

changes in foreign currency exchange rates, which had an unfavorable impact of \$20.3 million on the segment's sales compared to the prior year. The change in sales also reflected higher retail-based sales (principally merchandising solutions), higher brand sales in the Asia-Pacific market, and increased sales volume for cylinder (primarily packaging) products, partially offset by lower brand sales in the U.S. and Europe. The sales decline in Europe primarily resulted from weakened economic conditions.

Gross profit for the nine months ended June 30, 2022 was \$377.0 million, compared to \$403.8 million for the same period a year ago. Consolidated gross profit as a percent of sales was 28.9% and 32.8% for the first nine months of fiscal 2022 and fiscal 2021, respectively. The decrease in gross profit primarily reflected the impact of higher material (steel, lumber and bronze ingot), labor and transportation costs, particularly in the Memorialization segment, production inefficiencies related to onsite/remote-work transitions and unfavorable changes in sales mix within the SGK Brand Solutions segment, and lower margins on U.K. based cremation and incineration projects. Fiscal 2022 gross profit also included \$9.7 million of asset write-downs related to the current war between Russia and Ukraine (see below for further details). These decreases in gross profit were partially offset by the impact of higher sales, benefits from the realization of productivity improvements and other cost-reduction initiatives, and improved margins for surfaces and engineered products within the Industrial Technologies segment. Gross profit also included acquisition integration costs and other charges primarily in connection with cost-reduction initiatives totaling \$8.3 million and \$15.5 million for the nine months ended June 30, 2022 and 2021, respectively.

Selling and administrative expenses for the nine months ended June 30, 2022 were \$302.6 million, compared to \$308.0 million for the first nine months of fiscal 2021. Consolidated selling and administrative expenses, as a percent of sales, were 23.2% for the nine months ended June 30, 2022, compared to 25.0% for the same period last year. Fiscal 2022 selling and administrative expenses reflected lower performance-based compensation compared to fiscal 2021 and benefits from ongoing cost-reduction initiatives, which were partially offset by the impacts of higher salaries and wage rates and higher travel and entertainment ("T&E") costs. Fiscal 2022 selling and administrative expenses included \$331,000 of asset write-downs (net of recoveries) related to the current war between Russia and Ukraine (see below). Selling and administrative expenses also included acquisition integration and related systems-integration costs, and other charges primarily in connection with cost-reduction initiatives totaling \$11.0 million in fiscal 2022, compared to \$13.0 million in fiscal 2021. Intangible amortization for the nine months ended June 30, 2022 was \$45.3 million, compared to \$61.2 million for the nine months ended June 30, 2021. Fiscal 2022 intangible amortization included \$4.0 million of incremental amortization resulting from the fiscal 2021 reduction in useful lives for certain customer relationships. Intangible amortization also included accelerated amortization related to certain trade names that have been discontinued. Amortization for these trade names totaled \$9.5 million and \$26.0 million for the nine months ended June 30, 2022 and June 30, 2021, respectively.

Adjusted EBITDA was \$154.5 million for the nine months ended June 30, 2022 and \$175.7 million for the nine months ended June 30, 2021. Memorialization segment adjusted EBITDA was \$118.4 million for the first nine months of fiscal 2022 compared to \$132.1 million for the first nine months of fiscal 2021. Fiscal 2022 segment adjusted EBITDA reflected the benefits of higher sales and productivity initiatives, which were offset by the impact of higher material, labor, transportation and T&E costs. Adjusted EBITDA for the Industrial Technologies segment was \$33.4 million for the nine months ended June 30, 2022 compared to \$23.4 million for the nine months ended June 30, 2021. Industrial Technologies segment adjusted EBITDA primarily reflected the impact of higher sales, improved margins for surfaces and engineered products and benefits from cost-reduction initiatives, which were partially offset by the impact of higher T&E costs and increased performance-based compensation compared to fiscal 2021. Changes in foreign currency exchange rates had an unfavorable impact of \$2.0 million on the segment's adjusted EBITDA compared to the prior year. Adjusted EBITDA for the SGK Brand Solutions segment was \$43.4 million for the first nine months of fiscal 2022 compared to \$67.2 million for the same period a year ago. The decrease in segment adjusted EBITDA primarily reflected the impact of lower sales, production inefficiencies related to onsite/remote-work transitions, unfavorable changes in sales mix, and higher material, labor and T&E costs. These decreases were partially offset by the impact of lower performance-based compensation compared to fiscal 2021 and benefits from cost-reduction initiatives. Changes in foreign currency exchange rates had an unfavorable impact of \$3.5 million on the segment's adjusted EBITDA compared to the prior year.

Investment income was \$735,000 for the nine months ended June 30, 2022 and \$3.0 million for the nine months ended June 30, 2021. Investment income for both periods primarily reflected changes in the value of investments (primarily marketable securities) held in trust for certain of the Company's benefit plans. Interest expense for the first nine months of fiscal 2022 was \$19.4 million, compared to \$21.7 million for the same period last year. The decrease in interest expense reflected a decrease in average borrowing levels and lower average interest rates in the current fiscal year. Other income (deductions), net, for the nine months ended June 30, 2022 represented a decrease in pre-tax income of \$31.6 million, compared to a decrease in pre-tax income of \$6.8 million for the same period last year. Other income (deductions), net includes the non-service components of pension and postretirement expense, which totaled \$31.6 million and \$5.7 million for the nine months ended June 30, 2022 and

2021, respectively. Fiscal 2022 non-service pension expense included a \$30.9 million non-cash charge resulting from the full settlement of the Company's principal defined benefit retirement plan ("DB Plan") obligations. Refer to Note 10, "Pension and Other Postretirement Benefit Plans" in Item 1 - "Financial Statements" for further details. Other income (deductions), net also includes banking-related fees and the impact of currency gains and losses on certain intercompany debt and foreign denominated cash balances. Fiscal 2022 other income (deductions), net included \$1.2 million of currency losses associated with highly inflationary accounting for the Company's subsidiaries in Turkey (see Note 2, "Basis of Presentation" in Item 1 - "Financial Statements").

Income tax provisions for the Company's interim periods are based on the effective income tax rate expected to be applicable for the full year. The Company's consolidated income taxes for the first nine months of fiscal 2022 were a benefit of \$2.3 million, compared to an expense of \$2.6 million for the first nine months of fiscal 2021. The difference between the Company's consolidated income taxes for the first nine months of fiscal 2022 compared to the same period for fiscal 2021 primarily resulted from a consolidated pre-tax loss in fiscal 2022 (related to the DB Plan settlement) compared to pre-tax income in fiscal 2021. Additionally, fiscal 2022 included discrete tax expenses related to non-tax deductible asset write-downs in Russia, due to the full valuation allowance for the Russian entity. Fiscal 2022 discrete tax expenses were partially offset by discrete tax benefits related to the resolution of uncertain tax liabilities. Fiscal 2021 included discrete tax expenses related to foreign operating losses, discrete tax benefits related to the resolution of uncertain tax liabilities, a net operating loss ("NOL") carryback to tax years where the U.S. federal statutory rate was 35%, and additional foreign tax credits. The Company's fiscal 2022 nine month effective tax rate varied from the U.S. statutory tax rate of 21.0% primarily due to the non-deductible asset write-downs in Russia, state taxes, foreign statutory rate differentials, and tax credits. The Company's fiscal 2021 nine month effective tax rate varied from the U.S. statutory tax rate of 21.0% primarily due to discrete tax expenses related to foreign operating losses, discrete tax benefits related to the resolution of uncertain tax liabilities, a NOL carryback to tax years where the U.S. federal statutory rate was 35%, and additional foreign tax credits.

Net losses attributable to noncontrolling interests were \$56,000 for the nine months ended June 30, 2022 and \$60,000 for the nine months ended June 30, 2021. The net losses attributable to noncontrolling interests primarily reflected losses in less than wholly-owned businesses.

Asset Write-Downs:

The Company has certain operations in Russia within its SGK Brand Solutions segment. In light of the current war between Russia and Ukraine, and the resulting regional instability and evolving political and economic conditions within the region, the Company evaluated certain of its assets for recoverability and impairment. As a result of this assessment, and due to the uncertainty in projecting future cash flows for the Company's operations in Russia, the Company recorded asset write-downs totaling \$10.0 million (net of recoveries) during fiscal 2022 to reduce the carrying value of these assets to zero. Asset write-downs (primarily related to property, plant and equipment) totaling \$9.7 million and \$331,000 were reported within cost of sales and administrative expense, respectively, for the nine months ended June 30, 2022.

NON-GAAP FINANCIAL MEASURES:

Included in this report are measures of financial performance that are not defined by GAAP. The Company uses non-GAAP financial measures to assist in comparing its performance on a consistent basis for purposes of business decision-making by removing the impact of certain items that management believes do not directly reflect the Company's core operations including acquisition costs, ERP integration costs, strategic initiative and other charges (which includes non-recurring charges related to operational initiatives and exit activities), stock-based compensation and the non-service portion of pension and postretirement expense. Management believes that presenting non-GAAP financial measures is useful to investors because it (i) provides investors with meaningful supplemental information regarding financial performance by excluding certain items that management believes do not directly reflect the Company's core operations, (ii) permits investors to view performance using the same tools that management uses to budget, forecast, make operating and strategic decisions, and evaluate historical performance, and (iii) otherwise provides supplemental information that may be useful to investors in evaluating the Company's results. The Company believes that the presentation of these non-GAAP financial measures, when considered together with the corresponding GAAP financial measures and the reconciliations to those measures, provided herein, provides investors with an additional understanding of the factors and trends affecting the Company's business that could not be obtained absent these disclosures.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations, Continued

The Company believes that adjusted EBITDA provides relevant and useful information, which is used by the Company's management in assessing the performance of its business. Adjusted EBITDA is defined by the Company as earnings before interest, income taxes, depreciation, amortization and certain non-cash and/or non-recurring items that do not contribute directly to management's evaluation of its operating results. These items include stock-based compensation, the non-service portion of pension and postretirement expense, acquisition costs, ERP integration costs, and strategic initiatives and other charges. Adjusted EBITDA provides the Company with an understanding of earnings before the impact of investing and financing charges and income taxes, and the effects of certain acquisition and ERP integration costs, and items that do not reflect the ordinary earnings of the Company's operations. This measure may be useful to an investor in evaluating operating performance. It is also useful as a financial measure for lenders and is used by the Company's management to measure business performance. Adjusted EBITDA is not a measure of the Company's financial performance under GAAP and should not be considered as an alternative to net income or other performance measures derived in accordance with GAAP, or as an alternative to cash flow from operating activities as a measure of the Company's liquidity. The Company's definition of adjusted EBITDA may not be comparable to similarly titled measures used by other companies.

The reconciliation of net income to adjusted EBITDA is as follows:

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations, Continued

⁽¹⁾ Includes certain non-recurring items associated with recent acquisition activities, costs associated with global ERP system integration efforts, certain non-recurring costs associated with productivity and cost-reduction initiatives intended to result in improved operating performance, profitability and working capital levels, and exchange losses associated with highly inflationary accounting (see Note 2, "Basis of Presentation" in Item 1 - "Financial Statements").

⁽²⁾ Includes certain non-recurring direct incremental costs (such as costs for purchases of computer peripherals and devices to facilitate working-from-home, additional personal protective equipment and cleaning supplies and services, etc.) incurred in response to COVID-19. This amount does not include the impact of any lost sales or underutilization due to COVID-19.

⁽³⁾ Represents items associated with the termination of the Company's DB Plan, supplemental retirement plan and the defined benefit portion of the officers retirement restoration plan.

⁽⁴⁾ Represents asset write-downs, net of recoveries within the SGK Brand Solutions segment (see Note 15, "Asset Write-Downs" in Item 1 - "Financial Statements").

⁽⁵⁾ Non-service pension and postretirement expense includes interest cost, expected return on plan assets, amortization of actuarial gains and losses, curtailment gains and losses, and settlement gains and losses. These benefit cost components are excluded from adjusted EBITDA since they are primarily influenced by external market conditions that impact investment returns and interest (discount) rates. Curtailment gains and losses and settlement gains and losses are excluded from adjusted EBITDA since they generally result from certain non-recurring events, such as plan amendments to modify future benefits or settlements of plan obligations. The service cost and prior service cost components of pension and postretirement expense are included in the calculation of adjusted EBITDA, since they are considered to be a better reflection of the ongoing service-related costs of providing these benefits. Please note that GAAP pension and postretirement expense or the adjustment above are not necessarily indicative of the current or future cash flow requirements related to these employee benefit plans.

* Depreciation and amortization was \$5.8 million and \$5.8 million for the Memorialization segment, \$2.5 million and \$2.8 million for the Industrial Technologies segment, \$13.3 million and \$25.4 million for the SGK Brand Solutions segment, and \$1.3 million and \$1.3 million for Corporate and Non-Operating, for the three months ended June 30, 2022 and 2021, respectively. Depreciation and amortization was \$17.4 million and \$17.0 million for the Memorialization segment, \$7.6 million and \$8.4 million for the Industrial Technologies segment, \$51.1 million and \$68.5 million for the SGK Brand Solutions segment, and \$4.0 million and \$4.0 million for Corporate and Non-Operating, for the nine months ended June 30, 2022 and 2021, respectively.

** Acquisition costs, ERP integration costs, and strategic initiatives and other charges were \$902,000 and \$484,000 for the Memorialization segment, \$1.2 million and \$881,000 for the Industrial Technologies segment, \$2.0 million and \$2.9 million for the SGK Brand Solutions segment, and \$3.2 million and \$2.9 million for Corporate and Non-Operating, for the three months ended June 30, 2022 and 2021, respectively. Acquisition costs, ERP integration costs, and strategic initiatives and other charges were \$2.1 million and \$1.3 million for the Memorialization segment, \$1.4 million and \$3.7 million for the Industrial Technologies segment, \$7.7 million and \$10.5 million for the SGK Brand Solutions segment, and \$6.7 million and \$8.1 million for Corporate and Non-Operating, for the nine months ended June 30, 2022 and 2021, respectively.

*** Non-recurring/incremental COVID-19 costs were \$225,000 and \$1.3 million for the Memorialization segment, \$1,000 and \$6,000 for the Industrial Technologies segment, \$74,000 and \$638,000 for the SGK Brand Solutions segment, and \$1,000 and \$16,000 for Corporate and Non-Operating, for the three months ended June 30, 2022 and 2021, respectively. Non-recurring/incremental COVID-19 costs were \$1.3 million and \$3.2 million for the Memorialization segment, \$6,000 and \$36,000 for the Industrial Technologies segment, \$464,000 and \$1.3 million for the SGK Brand Solutions segment, and \$466,000 and \$86,000 for Corporate and Non-Operating, for the nine months ended June 30, 2022 and 2021, respectively.

LIQUIDITY AND CAPITAL RESOURCES:

Net cash provided by operating activities was \$84.4 million for the first nine months of fiscal 2022, compared to \$106.9 million for the first nine months of fiscal 2021. Operating cash flow for both periods principally included net (loss) income adjusted for deferred taxes, depreciation and amortization, stock-based compensation expense, net losses (gains) related to investments, non-cash pension expense, asset write-downs, other non-cash adjustments, and changes in working capital items. Fiscal 2022 operating cash flow also reflected \$35.7 million of DB Plan contributions to fully fund the settlement of the DB Plan obligations. Net changes in working capital items decreased operating cash flow by \$8.4 million and \$7.5 million in fiscal 2022 and fiscal 2021, respectively. The fiscal 2022 change in working capital principally reflected proceeds from the sale of receivables under a receivables purchase agreement (see below for further discussion), offset by increased fiscal year-end compensation-related payments, higher inventory levels reflecting increased commodity costs, and changes in other accounts.

Cash used in investing activities was \$38.9 million for the nine months ended June 30, 2022, compared to \$22.9 million for the nine months ended June 30, 2021. Investing activities for the first nine months of fiscal 2022 primarily reflected capital expenditures of \$40.6 million, proceeds from the sale of investments of \$3.1 million, and purchases of investments of \$2.2 million. Investing activities for the first nine months of fiscal 2021 reflected capital expenditures of \$24.5 million, acquisitions payments (net of cash acquired and holdback amounts) totaling \$15.6 million, proceeds from the sale of investments of \$15.0 million, and proceeds from the sale of assets of \$2.2 million.

Capital expenditures reflected reinvestment in the Company's business segments and were made primarily for the purchase of new production machinery, equipment, software and systems, and facilities designed to improve product quality, increase manufacturing efficiency, lower production costs and meet regulatory requirements. Capital expenditures for the last three fiscal years were primarily financed through operating cash. Capital spending for property, plant and equipment has averaged \$35.6 million for the last three fiscal years. Capital spending for fiscal 2022 is currently estimated to be approximately \$60 million. The Company expects to generate sufficient cash from operations to fund all anticipated capital spending projects.

Cash used in financing activities for the nine months ended June 30, 2022 was \$43.8 million, primarily reflecting proceeds, net of repayments, on long-term debt of \$13.8 million, treasury stock purchases of \$34.0 million, dividends of \$20.8 million to the Company's shareholders, and \$613,000 of holdback and deferred payments related to acquisitions from prior years. Cash used

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations, Continued

in financing activities for the nine months ended June 30, 2021 was \$79.8 million, primarily reflecting repayments, net of proceeds, on long-term debt of \$49.0 million, treasury stock purchases of \$6.1 million, dividends of \$20.9 million to the Company's shareholders, and \$1.6 million of holdback and deferred payments related to acquisitions from prior years.

The Company has a domestic credit facility with a syndicate of financial institutions that includes a \$750.0 million senior secured revolving credit facility, which matures in March 2025. A portion of the revolving credit facility (not to exceed \$350.0 million) can be drawn in foreign currencies. Borrowings under the revolving credit facility bear interest at LIBOR plus a factor ranging from 0.75% to 2.00% (1.00% at June 30, 2022) based on the Company's secured leverage ratio. The secured leverage ratio is defined as net secured indebtedness divided by EBITDA (earnings before interest, income taxes, depreciation and amortization) as defined within the domestic credit facility agreement. The Company is required to pay an annual commitment fee ranging from 0.15% to 0.30% (based on the Company's leverage ratio) of the unused portion of the revolving credit facility. The Company incurred debt issuance costs in connection with the domestic credit facility. Unamortized costs were \$1.7 million and \$2.2 million at June 30, 2022 and September 30, 2021, respectively.

The domestic credit facility requires the Company to maintain certain leverage and interest coverage ratios. A portion of the facility (not to exceed \$35.0 million) is available for the issuance of trade and standby letters of credit. Outstanding U.S. dollar denominated borrowings on the revolving credit facility at June 30, 2022 and September 30, 2021 were \$436.3 million and \$349.8 million, respectively. The weighted-average interest rate on outstanding borrowings for the domestic credit facility (including the effects of interest rate swaps and Euro denominated borrowings) at June 30, 2022 and 2021 was 1.92% and 1.94%, respectively.

The Company has \$300.0 million of 5.25% senior unsecured notes due December 1, 2025 (the "2025 Senior Notes"). The 2025 Senior Notes bear interest at a rate of 5.25% per annum with interest payable semi-annually in arrears on June 1 and December 1 of each year. The Company's obligations under the 2025 Senior Notes are guaranteed by certain of the Company's direct and indirect wholly-owned subsidiaries. The Company is subject to certain covenants and other restrictions in connection with the 2025 Senior Notes. The Company incurred direct financing fees and costs in connection with the 2025 Senior Notes. Unamortized costs were \$1.8 million and \$2.2 million at June 30, 2022 and September 30, 2021, respectively.

The Company and certain of its domestic subsidiaries sell, on a continuous basis without recourse, their trade receivables to Matthews Receivables Funding Corporation, LLC ("Matthews RFC"), a wholly-owned bankruptcy-remote subsidiary of the Company. In March 2022, Matthews RFC entered into a receivables purchase agreement ("RPA") to sell up to \$125.0 million of receivables to certain purchasers (the "Purchasers") on a recurring basis in exchange for cash (referred to as "capital" within the RPA) equal to the gross receivables transferred. The parties intend that the transfers of receivables to the Purchasers constitute purchases and sales of receivables. Matthews RFC has guaranteed to each Purchaser the prompt payment of sold receivables, and has granted a security interest in its assets for the benefit of the Purchasers. Under the RPA, which matures in March 2024, each Purchaser's share of capital accrues yield at a floating rate plus an applicable margin. The Company is the master servicer under the RPA, and is responsible for administering and collecting receivables.

The proceeds of the RPA are classified as operating activities in the Company's Consolidated Statements of Cash Flows. Cash received from collections of sold receivables may be used to fund additional purchases of receivables on a revolving basis, or to reduce all or any portion of the outstanding capital of the Purchasers. Gross receivables sold and cash collections reinvested under the RPA program were \$247.2 million and \$147.2 million for the nine months ended June 30, 2022, respectively. The fair value of the sold receivables approximated book value due to their credit quality and short-term nature, and as a result, no gain or loss on sale of receivables was recorded. As of June 30, 2022, the amount sold to the Purchasers was \$100.0 million, which was derecognized from the Consolidated Balance Sheets. As collateral against sold receivables, Matthews RFC maintains a certain level of unsold receivables, which was \$39.7 million as of June 30, 2022.

Previously, the Company had a \$115.0 million accounts receivable securitization facility (the "Securitization Facility") with certain financial institutions that matured in March 2022. The Securitization Facility did not qualify for sale treatment. Accordingly, the trade receivables and related debt obligations remained on the Company's Consolidated Balance Sheet. Borrowings under the Securitization Facility were based on LIBOR plus 0.75% and the Company was required to pay an annual commitment fee ranging from 0.25% to 0.35% of the unused portion of the Securitization Facility. Outstanding borrowings under the Securitization Facility at September 30, 2021 totaled \$96.0 million. At June 30, 2021, the interest rate on borrowings under this facility was 0.85%.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations, Continued

The following table presents information related to interest rate contracts entered into by the Company and designated as cash flow hedges (dollar amounts in thousands):

	June 30, 2022		September 30, 2021	
Pay fixed swaps - notional amount	\$	125,000	\$	250,000
Net unrealized gain (loss)	\$	7,407	\$	(2,062)
Weighted-average maturity period (years)		3.1		2.2
Weighted-average received rate		1.79 %		0.08 %
Weighted-average pay rate		1.04 %		1.34 %

The Company enters into interest rate swaps in order to achieve a mix of fixed and variable rate debt that it deems appropriate. The interest rate swaps have been designated as cash flow hedges of future variable interest payments, which are considered probable of occurring. Based on the Company's assessment, all of the critical terms of each of the hedges matched the underlying terms of the hedged debt and related forecasted interest payments, and as such, these hedges were considered highly effective.

The fair value of the interest rate swaps reflected an unrealized gain net of unrealized losses of \$7.4 million (\$5.6 million after tax) at June 30, 2022 and an unrealized loss net of unrealized gains of \$2.1 million (\$1.6 million after tax) at September 30, 2021, that is included in shareholders' equity as part of accumulated other comprehensive income (loss) ("AOCI"). Assuming market rates remain constant with the rates at June 30, 2022, a gain (net of tax) of approximately \$1.6 million included in AOCI is expected to be recognized in earnings over the next twelve months.

The Company, through certain of its European subsidiaries, has a credit facility with a European bank, which is guaranteed by Matthews. The maximum amount of borrowing available under this facility is €25.0 million (\$26.1 million), which includes €8.0 million (\$8.4 million) for bank guarantees. In the first quarter of fiscal 2022, the Company extended this facility to a current maturity of December 2022 and the Company intends to continue to extend this facility. Outstanding borrowings under the credit facility totaled €10.5 million (\$11.0 million) and €704,000 (\$817,000) at June 30, 2022 and September 30, 2021, respectively. The weighted-average interest rate on outstanding borrowings under this facility was 2.25% at June 30, 2022 and June 30, 2021.

Other borrowings totaled \$24.4 million and \$10.2 million at June 30, 2022 and September 30, 2021, respectively. Other borrowings at June 30, 2022 included \$3.4 million of collateralized borrowings in connection with the RPA arrangement discussed above. The weighted-average interest rate on these borrowings was 1.90% and 2.19% at June 30, 2022 and 2021, respectively.

The Company has a U.S. Dollar/Euro cross currency swap with a notional amount of \$94.5 million as of June 30, 2022, which has been designated as a net investment hedge of foreign operations. The swap contract matures in September 2028. The Company assesses hedge effectiveness for this contract based on changes in fair value attributable to changes in spot prices. A gain of \$8.7 million (net of income taxes of \$2.8 million) and a gain of \$29,000 (net of income taxes of \$10,000), which represented effective hedges of net investments, were reported as a component of AOCI within currency translation adjustment at June 30, 2022 and September 30, 2021, respectively. Income of \$428,000 and \$1.2 million, which represented the recognized portion of the fair value excluded from the assessment of hedge effectiveness, was included in current period earnings as a component of interest expense for the three and nine months ended June 30, 2022, respectively. At June 30, 2022 and September 30, 2021, the swap, which is included in other assets in the Consolidated Balance Sheets, totaled \$11.5 million and \$39,000, respectively.

The Company enters into certain derivative contracts in accordance with its risk management strategy that do not meet the criteria for hedge accounting but which have the economic impact of largely mitigating foreign currency exposure. Changes in the fair value of these economic hedges are recorded in current period earnings as a component of other income (deductions), net. During the third quarter of fiscal 2022, the Company entered into a three-year U.S. Dollar/Euro cross currency swap with a notional amount of \$52.8 million, which did not meet the criteria for hedge accounting. An unrealized gain of \$495,000 related to this swap was included in other assets in the Consolidated Balance Sheet at June 30, 2022.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations, Continued

The Company has a stock repurchase program. The buy-back program is designed to increase shareholder value, enlarge the Company's holdings of its common stock, and add to earnings per share. Repurchased shares may be retained in treasury, utilized for acquisitions, or reissued to employees or other purchasers, subject to the restrictions set forth in the Company's Restated Articles of Incorporation. Under the current authorization, 1,602,166 shares remain available for repurchase as of June 30, 2022.

Consolidated working capital of the Company was \$288.8 million at June 30, 2022, compared to \$269.9 million at September 30, 2021. Cash and cash equivalents were \$45.8 million at June 30, 2022, compared to \$49.2 million at September 30, 2021. The Company's current ratio was 1.9 at June 30, 2022 and 1.8 at September 30, 2021.

Long-Term Contractual Obligations:

The following table summarizes the Company's contractual obligations at June 30, 2022, and the effect such obligations are expected to have on its liquidity and cash flows in future periods.

	Payments due in fiscal year:				
	Total	2022⁽¹⁾ Remainder	2023 to 2024	2025 to 2026	After 2026
<i>(Dollar amounts in thousands)</i>					
Contractual Cash Obligations:					
Revolving credit facilities	\$ 447,223	\$ 10,969	\$ —	\$ 436,254	\$ —
2025 Senior Notes	353,326	—	31,500	321,826	—
Finance lease obligations ⁽²⁾	6,774	805	3,342	1,031	1,596
Non-cancelable operating leases ⁽²⁾	79,927	6,637	42,371	24,192	6,727
Acquisition ⁽³⁾	44,940	44,940	—	—	—
Other	52,972	1,637	40,005	2,088	9,242
Total contractual cash obligations	\$ 985,162	\$ 64,988	\$ 117,218	\$ 785,391	\$ 17,565

⁽¹⁾ The Company maintains certain debt facilities with maturity dates of twelve months or less that it intends and has the ability to extend beyond twelve months totaling \$11.0 million. These balances have been classified as non-current on the Company's Consolidated Balance Sheet.

⁽²⁾ Lease obligations have not been discounted to their present value.

⁽³⁾ During the third quarter of fiscal 2022, the Company signed an agreement to acquire German based engineering firms, OLBRICH GmbH ("OLBRICH") and R+S Automotive GmbH ("R+S Automotive"), for €43 million. The closing of the transaction is expected in the fourth quarter of fiscal 2022.

Benefit payments under the Company's DB Plan were made from plan assets, while benefit payments under the supplemental retirement plan ("SERP") and postretirement benefit plan are made from the Company's operating funds.

In the first quarter of fiscal 2022, the Company terminated its DB Plan and made plan contributions totaling \$35.7 million to fully fund the planned settlement of the DB Plan obligations. Also during the first quarter of fiscal 2022, lump sum distributions of \$186.0 million were made from the DB Plan to plan participants, and non-participating annuity contracts totaling \$56.3 million were purchased by the DB Plan for plan participants, resulting in the full settlement of the DB Plan obligations. The settlement of the DB Plan obligations resulted in the recognition of a non-cash charge of \$30.9 million, which has been presented as a component of other income (deductions), net for the nine months ended June 30, 2022. This amount represents the immediate recognition of the remaining portion of the deferred AOCI balances related to the DB Plan.

During the nine months ended June 30, 2022 contributions of \$575,000 and \$472,000 were made under the SERP and postretirement benefit plan, respectively. The Company currently anticipates contributing an additional \$185,000 and \$412,000 under the SERP and postretirement benefit plan, respectively, for the remainder of fiscal 2022. The Company also expects to make payments totaling approximately \$24.2 million in fiscal 2023 to fully settle the SERP and defined benefit portion of the officers retirement restoration plan obligations. The obligations of the SERP are expected to be funded from an existing rabbi trust. The Company believes that its current liquidity sources, combined with its operating cash flow and borrowing capacity, will be sufficient to meet its capital needs for the foreseeable future.

Unrecognized tax benefits are positions taken, or expected to be taken, on an income tax return that may result in additional payments to tax authorities. If a tax authority agrees with the tax position taken, or expected to be taken, or the applicable statute of limitations expires, then additional payments will not be necessary. As of June 30, 2022, the Company had unrecognized tax benefits, excluding penalties and interest, of approximately \$3.0 million. The timing of potential future payments related to the unrecognized tax benefits is not presently determinable. The Company believes that its current liquidity sources, combined with its operating cash flow and borrowing capacity, will be sufficient to meet its capital needs for the foreseeable future.

REGULATORY MATTERS:

The Company's operations are subject to various federal, state and local laws and regulations requiring strict compliance, including, but not limited to, the protection of the environment. The Company has established numerous internal compliance programs to further ensure lawful satisfaction of the applicable regulations. In addition, the Company is party to specific environmental matters which include obligations to investigate and mitigate the effects on the environment of certain materials at operating and non-operating sites. The Company is currently performing environmental assessments and remediation at certain sites, as applicable.

FORWARD-LOOKING INFORMATION:

The Company's current strategy to attain annual operating growth primarily consists of the following: internal growth - which includes organic growth, cost structure and productivity improvements, new product development and the expansion into new markets with existing products - and investments (including acquisitions and related integration activities) to achieve strategic and synergy benefits.

The significant factors (excluding acquisitions) influencing sales growth in the Industrial Technologies segment include economic/industrial market conditions, new product development, and the e-commerce trend. Order rates for the Company's Industrial Technologies businesses remained strong through the fiscal 2022 third quarter and, as a result, are currently expected to support the segment's organic growth objectives for the balance of fiscal 2022 and into next year. For the Memorialization segment, sales growth will be influenced by North America death rates, and the impact of the increasing trend toward cremation on the segment's product offerings, including caskets, cemetery memorial products and cremation-related products. For the SGK Brand Solutions segment, sales growth will be influenced by global economic conditions, brand innovation, the level of marketing spending by the Company's clients, and government regulation. Due to the global footprint of this segment, currency fluctuations can also be a significant factor. Additionally, the retail-based businesses in the SGK Brand Solutions segment continue to recover from the unfavorable sales impacts of the pandemic (see below).

During fiscal 2019, the Company initiated a strategic evaluation to improve profitability and reduce the Company's cost structure. These actions leveraged the benefit of the Company's new global ERP platform, primarily targeted at the SGK Brand Solutions segment, both operational and commercial structure, and the Company's shared financial services and other administrative functions. This evaluation identified opportunities for significant cost structure improvements, which the Company expects to achieve throughout the remainder of fiscal 2022. The Company's strategic review has also resulted in improvements to the commercial structure within the SGK Brand Solutions segment.

On January 30, 2020, the World Health Organization declared an outbreak of COVID-19 to be a Public Health Emergency of International Concern, and subsequently recognized COVID-19 as a global pandemic in March 2020. The Company has experienced some commercial impact and business disruptions in certain segments and geographic locations as a result of COVID-19. Recent impacts have included higher sales volumes for memorialization products and services. Additionally, recent increases in the cost of certain raw materials, labor, and other inflationary impacts are expected to impact the Company's results for the near future. The Company expects to partially mitigate these cost increases through price realization and the cost-reduction initiatives discussed above.

CRITICAL ACCOUNTING POLICIES:

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Therefore, the determination of estimates requires the exercise of judgment based on various assumptions and other factors such as historical experience, economic conditions, and in some cases, actuarial techniques. Actual results may differ from those estimates. A discussion of market risks affecting the Company can be found in Item 7A - "Quantitative and Qualitative Disclosures about Market Risk" in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2021.

A summary of the Company's significant accounting policies are included in the Notes to Consolidated Financial Statements and in the critical accounting policies in Management's Discussion and Analysis included in the Company's Annual Report on Form 10-K for the year ended September 30, 2021. Management believes that the application of these policies on a consistent basis enables the Company to provide useful and reliable financial information about the Company's operating results and financial condition.

The Company performed its annual impairment review of goodwill and indefinite-lived intangible assets in the second quarter of fiscal 2022 (January 1, 2022) and determined that the estimated fair values for all goodwill reporting units exceeded their carrying values, therefore no impairment charges were necessary. The estimated fair value of the Company's SGK Brand Solutions reporting unit (formerly the Graphics Imaging reporting unit) exceeded the carrying value (expressed as a percentage of carrying value) by approximately 10%. The SGK Brand Solutions reporting unit has experienced recent declines, primarily resulting from weakened economic conditions (particularly in Europe) and unfavorable changes in foreign exchange rates. Additionally, recent increases in the cost of certain materials, labor, and other inflationary pressures have had an unfavorable impact on the reporting unit's results of operations. If current projections are not achieved or specific valuation factors outside the Company's control (such as discount rates and continued economic and industry challenges) significantly change, goodwill write-downs may be necessary in future periods.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

Except as set forth in Note 7, "Debt and Financing Arrangements" in Item 1 - "Financial Statements", there have been no material changes in the Company's market risk during the three and nine months ended June 30, 2022. For additional information see Item 7A - "Quantitative and Qualitative Disclosures About Market Risk" in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2021.

Item 4. Controls and Procedures

The Company's disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended) are designed to provide reasonable assurance that information required to be disclosed in our reports filed under that Act (the "Exchange Act"), such as this Quarterly Report on Form 10-Q, is recorded, processed, summarized and reported within the time periods specified in the rules of the Securities and Exchange Commission. These disclosure controls and procedures also are designed to provide reasonable assurance that such information is accumulated and communicated to management, including the Chief Executive Officer and Chief Financial Officer, to allow timely decisions regarding required disclosures.

Management, under the supervision and with the participation of our Chief Executive Officer and the Chief Financial Officer, evaluated the effectiveness of our disclosure controls and procedures in effect as of June 30, 2022. Based on that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that, as of June 30, 2022, the Company's disclosure controls and procedures were effective to provide reasonable assurance that material information is accumulated and communicated to management, including the Chief Executive Officer and Chief Financial Officer, and that such information is recorded, summarized and properly reported within the appropriate time period, relating to the Company and its consolidated subsidiaries, required to be included in the Exchange Act reports, including this Quarterly Report on Form 10-Q.

There have been no changes in the Company's internal controls over financial reporting that occurred during the fiscal quarter ended June 30, 2022 that have materially affected, or are reasonably likely to materially affect, the Company's internal controls over financial reporting.

PART II - OTHER INFORMATION

Item 1. Legal Proceedings

The Company is subject to various legal proceedings and claims arising in the ordinary course of business. Management does not expect that the results of any of these legal proceedings will have a material adverse effect on Matthews' financial condition, results of operations or cash flows.

Item 1A. Risk Factors

Except as set forth below, there have been no material changes in our risk factors from those disclosed in Part I, Item 1A to our Annual Report on Form 10-K for the fiscal year ended September 30, 2021. The risk factors disclosed in Part I, Item 1A to our Annual Report on Form 10-K for the fiscal year ended September 30, 2021, in addition to the other information set forth in this report, could adversely affect the Company's operating performance and financial condition. Additional risks not currently known or deemed immaterial may also result in adverse effects on the Company.

Global conflicts may impact the business of the Company and the markets in which it operates. Global conflicts, such as the war in Ukraine, could impact the Company and its operations in a number of different ways, which are yet to be fully assessed and are therefore uncertain. The Company's principal concern is for the safety of its employees and other personnel, specifically those who are based in the affected region. The Company has employees who are based in Eastern Europe, including Russia and Ukraine, who may be affected by the ongoing hostilities. The Company additionally has property, plant and equipment in or around the affected region. The continuing impact of this war and the response of the United States and other countries to it by means of trade and economic sanctions, or other actions, is still evolving and unknown; however it could disrupt the Company's ability to work with certain parties. Similarly, the Company has employees based in the affected region and works with third-party providers from other parts of the world that may be affected by hostilities.

Due to the uncertainty relating to war or similar conflicts, the current war between Russia and Ukraine may adversely affect the Company's business, of which could materially and adversely affect the Company's results of operations. Such risks include, but are not limited to, adverse effects on macroeconomic conditions, including inflation and business and consumer spending; disruptions to the Company's global technology infrastructure, including through cyberattack, ransom attack, or cyber-intrusion; adverse changes in international trade policies and relations; disruptions in global supply chains; exposure to foreign currency fluctuations; and constraints, volatility, or disruption in the capital markets. Similar uncertainties may arise in connection with other ongoing hostilities or future hostilities.

For so long as the hostilities continue, and perhaps even thereafter as the situation unfolds, the Company may see increased volatility in financial markets, which may impact equity markets generally, including the Company's stock price, and make it more difficult for the Company to raise additional capital at a strategically advantageous time, or for financing to be available upon acceptable terms. All or any of these risks separately, or in combination could have a material adverse effect on our business, financial condition, results of operations, and cash flows.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

The Borrower agrees, at the request of the Majority Banks, at the time of or at any time following the integration of any additional currency into the Euro, to enter into an agreement amending this Agreement in such manner as the Majority Banks shall reasonably request in order to avoid any unfair burden or disadvantage resulting therefrom and to place the parties hereto in the position they would have been in had such integration not occurred, the intent being that neither party will be adversely affected economically as a result of such integration and that reasonable provisions may be adopted to govern the borrowing, maintenance and repayment of Loans denominated in any Optional Currency after the occurrence of the event or events described in clause (a) or (b) of the preceding sentence.

1.04 Interest; ~~Libor~~LIBOR Notification. The interest rate on the applicable ~~Libor~~Eurocurrency Rate Loans ~~is determined by reference to the applicable Libor Rate, which~~denominated in Dollars is derived from the London interbank offered rate. The London interbank offered rate is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark Administration (together with any successor to the ICE Benchmark Administrator, the "IBA") for purposes of the IBA setting the London interbank offered rate. As a result, it is possible that, in the future, the London interbank offered rate may become unavailable or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on applicable ~~Libor~~Eurocurrency Rate Loans made in ~~a Libor Quoted Currency~~Dollars. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of the London interbank offered rate. In the event that the London interbank offered rate is no longer available or in certain other circumstances as set forth in Section 2.03, an alternative rate of interest may be selected and implemented in accordance with the mechanism contained in such Section. The Agent will notify the Borrower, pursuant to Section 2.03, in advance of any change to the reference rate upon which the interest rate on ~~Libor~~Eurocurrency Rate Loans is based. However, the Agent does not warrant, nor accept responsibility, nor shall the Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "~~Libor~~Eurocurrency Rate" or with respect to any comparable or successor rate thereto or replacement rate thereof, including, without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate, as it may or may not be adjusted pursuant to Section 2.03, will be similar to, or produce the same value or

economic equivalence of, the ~~Libor~~LIBOR Screen Rate or have the same volume or liquidity as did the London interbank offered rate prior to its discontinuance or unavailability.

1.05 Divisions. For all purposes under the Loan Documents, in connection with Division: (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its equity interests at such time.

(b) any condition to such Limited Condition Acquisition or such Loan (it being understood and agreed that no Revolving Credit Loans may be used for a Limited Condition Acquisition) that the representations and warranties in this Agreement and the other Loan Documents shall be true and correct at the time of such Acquisition or the incurrence of such Loan (including, without limitation, Section 4.01 and Section 6.06(iii)(A) hereof) shall be subject to customary "SunGard" or other customary applicable "certain funds" conditionality provisions (including, without limitation, a condition that the representations and warranties under the relevant agreements relating to such Limited Condition Acquisition as are material to the lenders providing such Loans shall be true and correct, but only to the extent that the US Borrower or its applicable Subsidiary has the right to terminate its obligations under such agreement as a result of a breach of such representations and warranties or the failure of those representations and warranties to be true and correct), so long as all representations and warranties in this Agreement and the other Loan Documents are true and correct in all material respects (except for those representations and warranties which are already qualified by materiality and which shall be true and correct in all respects) at the time of the execution of the definitive purchase agreement, merger agreement or other acquisition agreement governing such Limited Condition Acquisition;

(c) any financial ratio test or condition to such Limited Condition Acquisition or the incurrence of such Loans (it being understood and agreed that no Revolving Credit Loans may be used for a Limited Condition Acquisition), may upon the written election of the US Borrower delivered to the Agent not less than ten (10) days prior to the execution of the definitive agreement for such Acquisition, be tested either (i) upon the execution of the definitive purchase agreement, merger agreement or other acquisition agreement governing such Limited Condition Acquisition or (ii) upon the consummation of the Limited Condition Acquisition and related incurrence of Indebtedness, in each case, after giving effect to the relevant Limited Condition Acquisition and related incurrence of Indebtedness, on a pro forma basis; provided that the failure to deliver a notice under this Section prior to the date of execution of the definitive agreement for such Limited Condition Acquisition shall be deemed an election to test the applicable financial ratio under clause (ii) of this Section; and

(d) if the US Borrower has made an election with respect to any Limited Condition Acquisition to test a financial ratio test or condition at the time specified in clause (c)(i) of this Section, then in connection with any subsequent calculation of any ratio (excluding any ratio used in determining the Applicable Margin or compliance with the covenant in Section 5.14) or basket on or following the relevant date of execution of the definitive agreement with respect to such Limited Condition Acquisition and prior to the earlier of (i) the date on which such Limited Condition Acquisition is consummated or (ii) the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including the incurrence or assumption of Indebtedness) have been consummated.

Subject to the terms and conditions and relying upon the representations and warranties set forth in this Agreement, the Notes and the other Loan Documents, the Banks severally (but not jointly) agree to make loans in either Dollars or one or more Optional Currencies (the "Revolving Credit Loans") to the Borrower at any time or from time to time on or after the Closing Date and to and including the Business Day immediately preceding the Expiry Date in an aggregate Dollar Equivalent principal amount which, when combined with the aggregate principal amount of all outstanding Swing Line Loans and the aggregate Dollar Equivalent amount of Letters of Credit Outstanding, shall not exceed at any one time outstanding the Revolving Credit Facility Commitment; provided, however, that (i) no Bank shall be required to make Revolving Credit Loans (or participate in the issuance of Letters of Credit) in an aggregate Dollar Equivalent principal amount outstanding at any one time exceeding such Bank's Commitment, (ii) no Base Rate Loan shall be made in an Optional Currency, (iii) in the event that any Foreign Borrower has joined this Agreement in accordance with the terms and provisions provided for herein, after giving effect to any Revolving Credit Loan, the aggregate amount of Revolving Credit Loans made to and Letters of Credit Outstanding issued for the account of all Foreign Borrowers shall not exceed the Dollar Equivalent amount of Three Hundred Fifty Million and 00/100 Dollars (\$350,000,000.00) (the "Foreign

The Revolving Credit Loans shall be made pro rata in accordance with each Bank's Commitment Percentage. Within the limits of time and amount set forth in this Section 2.01, and subject to the provisions of this Agreement including, without limitation, the Banks' right to demand repayment of the Revolving Credit Loans upon the occurrence of an Event of Default, the Borrower may borrow, repay and reborrow under this Section 2.01; provided, however, that if the Borrower prepays any ~~Libor~~ Eurocurrency Rate Loan, BBSW Loan or CDOR Loan on a day other than the last day of the applicable Interest Period for such ~~Libor Rate Loan~~, or if the Borrower prepays any Daily Simple SONIA Loan on a day other than an interest payment date therefor specified in Section 2.04, then the Borrower shall comply with the terms and conditions of Section 2.12(c) with respect to such prepayment.

(b) Revolving Credit Notes. The obligation of the Borrower (which, except as set forth in Section 2.22 hereof with respect to any Foreign Borrower, shall be joint and several) to repay the unpaid principal amount of the Revolving Credit Loans made to the Borrower, as applicable, by each Bank and to pay interest on the unpaid principal amount thereof is evidenced in part by the Revolving Credit Notes of the Borrower. Each Revolving Credit Note shall be payable to the order of a Bank in a principal amount equal to such Bank's Commitment. The executed Revolving Credit Notes will be delivered by the US Borrower to the Banks on the Closing Date and, subsequent to the Closing Date, by any applicable Foreign Borrower in accordance with the terms and provisions of Section 2.22 hereof.

(c) Making, Renewing or Converting of Revolving Credit Loans. Subject to the terms and conditions set forth in this Agreement and the other Loan Documents, and provided that the Borrower has satisfied all applicable conditions specified in Section 4.01 hereof (subject to Section 1.06), the Banks shall make Revolving Credit Loans to the Borrower which, as selected by the Borrower pursuant to this Section 2.01(c), shall be Base Rate Loans ~~or Libor~~, Eurocurrency Rate Loans, BBSW Loans, CDOR Loans and/or Daily Simple SONIA Loans and, with respect to ~~Libor Loans other than Base~~ Rate Loans, shall be denominated in Dollars and/or an Optional Currency. In addition, subject to the terms and conditions set forth below, the Borrower shall have the opportunity to (i) convert Base Rate Loans into ~~Libor~~ Eurocurrency Rate Loans denominated in Dollars, (ii) convert ~~Libor~~ Eurocurrency Rate Loans denominated in Dollars into Base Rate Loans, or (iii) renew ~~Libor~~ Eurocurrency Rate Loans ~~as Libor~~, BBSW Loans or CDOR Loans as Eurocurrency Rate Loans, BBSW Loans or CDOR Loans, respectively, for additional Interest Periods.

(i) Each Revolving Credit Loan that is made as or converted (~~from a Libor Rate Loan~~) into a Base Rate Loan shall be made or converted on such Business Day and in such amount as an Authorized Representative of the Borrower shall request by written or telephonic notice (confirmed promptly, but in no event later than one Business Day thereafter, in writing) received by the Agent no later than 10:00 a.m. (Pittsburgh, Pennsylvania time) on the date of requested disbursement of or conversion into the requested Base Rate Loan. Subject to the terms and conditions of this Agreement, on each borrowing date, the Agent shall make the proceeds of the Base Rate Loan available to the Borrower at the Agent's Office in immediately available funds not later than 2:00 p.m. (Pittsburgh, Pennsylvania time). Unless an Authorized Representative of the Borrower shall provide the Agent with the required written notice to convert a Base Rate Loan into a ~~Libor Eurocurrency~~ Rate Loan denominated in Dollars on or prior to the third (3rd) Business Day prior to the date of requested conversion, such Base Rate Loan shall automatically continue as a Base Rate Loan.

(ii) Each Revolving Credit Loan that is made as, renewed as or converted (~~from a Base into a Eurocurrency~~ Rate Loan) ~~into a Libor Rate, BBSW Loan, CDOR Loan or Daily Simple SONIA~~ Loan shall be made, renewed or converted, on such Business Day, in such Dollar Equivalent amount (expressed in the currency in which such Loan shall be funded and also as a Dollar Equivalent amount if such Loan shall be funded in an Optional Currency) greater than or equal to One Million and 00/100 Dollars (\$1,000,000.00); provided, however, that any Dollar Equivalent amount in excess of One Million and 00/100 Dollars (\$1,000,000.00) may only be in Dollar Equivalent increments of One Hundred Thousand and 00/100 Dollars (\$100,000.00), with such an Interest Period (if applicable) and in such currency as an Authorized Representative of the Borrower shall request by written or telephonic notice (confirmed promptly, but in no event later than one Business Day thereafter, in writing) received by the Agent no later than 10:00 a.m. (Pittsburgh, Pennsylvania time) on the (a) third (3rd) Business Day prior to the requested date of disbursement of, renewal of or conversion into the requested ~~Libor Eurocurrency~~ Rate Loan denominated in Dollars, ~~and~~ (b) fourth (4th) Business Day prior to the requested date of disbursement of, renewal of or conversion into the requested ~~Libor Rate Loan denominated in an Optional Currency~~ Eurocurrency Rate Loan, BBSW Loan, CDOR Loan, and (c) fifth (5th) Business Day prior to the requested date of disbursement of, renewal of or conversion into the requested Daily Simple SONIA Loan. Subject to the terms and conditions of this Agreement, on each borrowing date, the Agent shall make the proceeds of ~~Libor Rate~~ Loans available to the Borrower at the Agent's Office in immediately available funds, no later than 10:00 a.m. (Pittsburgh, Pennsylvania time). In addition, in the event that the Borrower desires to renew a ~~Libor Eurocurrency~~ Rate Loan, BBSW Loan or CDOR Loan for an additional Interest Period, an Authorized Representative of the Borrower shall provide the Agent with written notice thereof on or prior to (a) with respect to ~~Libor Eurocurrency~~ Rate Loans denominated in Dollars, the third (3rd) Business Day prior to the expiration of the applicable Interest Period, and (b) with respect to ~~Libor Eurocurrency~~ Rate Loans denominated in ~~an Optional Currency, Euros, BBSW Loans or CDOR Loans~~, the fourth (4th) Business Day prior to the expiration of the applicable Interest Period. In the event that an Authorized Representative of the Borrower fails to provide the Agent with the required written or telephonic notice (confirming promptly, but in no event later than one Business Day thereafter, in writing) on or prior to the third (3rd) Business Day prior to the expiration of the applicable Interest Period for a ~~Libor Eurocurrency~~ Rate Loan denominated in Dollars, the Borrower shall be deemed to have given written notice that such Loan shall be renewed as ~~or converted into, as the case may be, a Libor Eurocurrency~~ Rate Loan with an Interest Period of one (1) month on the last day of the applicable Interest Period. In the event that an Authorized Representative of the Borrower fails to provide the Agent with the required written or telephonic notice (confirming promptly, but in no event later than one Business Day thereafter, in writing) on or prior to the fourth (4th) Business Day prior to the expiration of the applicable Interest

Period for a ~~Libor~~ Eurocurrency Rate Loan denominated in Euros, BBSW Loan or CDOR Loan denominated in an Optional Currency, the Borrower shall be deemed to have given written notice that such Loan shall be renewed for an Interest Period of one (1) Month. Each written notice ~~of any Libor Rate Loan under this clause (ii)~~ shall be irrevocable and binding on the Borrower and the Borrower shall indemnify the Agent and the Banks against any loss or expense incurred by the Banks as a result of any failure by the Borrower to consummate such transaction calculated as set forth in Section 2.12(c) hereof.

(iii) Each Bank hereby authorizes the Agent to make all Revolving Credit Loans that are requested by the Borrower on the proposed date of disbursement as described above. Upon receipt of a request to make, renew or convert a Revolving Credit Loan hereunder, the Agent shall promptly advise each of the Banks of the proposed date of disbursement, renewal or conversion, the amount and type of each such Revolving Credit Loan, the applicable Interest Period, the applicable currency and the Bank's Commitment amount thereof. Each Bank shall remit its Commitment Percentage of the principal amount of each Revolving Credit Loan to the Agent at the Office of the Agent in the applicable currency and immediately available funds no later than 2:00 p.m. (Pittsburgh, Pennsylvania time) on the applicable date of disbursement. If the amount of such Bank's Commitment Percentage is not made available to the Agent by such Bank on the applicable borrowing date, the Agent shall not be required to fund such Bank's Commitment Percentage of the Revolving Credit Loans on the applicable borrowing date; provided, however, the Agent may elect in its sole discretion to fund such Bank's Commitment Percentage on the applicable borrowing date, and such Bank shall be subject to the repayment obligations set forth below.

(iv) The Agent may assume that each Bank has made or will make the proceeds of a Revolving Credit Loan available to the Agent in the applicable currency unless the Agent shall have been notified by such Bank on or before the later of (a) the close of business on the Business Day preceding the applicable borrowing date with respect to the Revolving Credit Loan, or (b) one (1) hour before the time on which the Agent actually funds the proceeds of such Revolving Credit Loan to the Borrower (whether using its own funds pursuant to this subsection or using proceeds deposited with the Agent by the Banks and whether such funding occurs before or after the time on which the Banks are required to deposit the proceeds of such Revolving Credit Loan with the Agent). The Agent may, in reliance upon such assumption (but shall not be required to), make available to the Borrower a corresponding amount in the applicable currency. If such corresponding amount is not in fact made available to the Agent by such Bank in the applicable currency, the Agent shall be entitled to recover such amount on demand from such Bank (or, if such Bank fails to pay such amount, forthwith upon such demand from the Borrower) together with interest thereon, in respect of each day during the period commencing on the date such amount was made available to the Borrower and ending on the date the Agent recovers such amount, at a rate per annum equal to (y) with respect to Loans denominated in Dollars, (A) the Federal Funds Rate during the first three (3) days after such interest shall begin to accrue and (B) the Applicable Rate in respect of such Loan after the end of such three (3) day period, and (z) with respect to Loans denominated in an Optional Currency, the Overnight Rate.

(d) Maximum Principal Amount of Revolving Credit Loans and Letters of Credit Outstanding. The sum of (i) the aggregate Dollar Equivalent principal amount of all Revolving Credit Loans outstanding, plus, (ii) the sum of the aggregate principal amount of all Swing Line Loans outstanding, plus (iii) the aggregate Dollar Equivalent amount of Letters of Credit Outstanding shall not exceed the amount of the Revolving Credit Facility Commitment as the same may be increased from time to time pursuant to Section 2.21. The Borrower agrees that if at any time the sum of (i) the aggregate Dollar Equivalent principal amount of all Revolving Credit Loans outstanding, (ii) the aggregate principal amount of all Swing Line Loans outstanding plus (iii) the aggregate Dollar Equivalent amount of Letters of Credit Outstanding exceeds the amount of the Revolving Credit Facility Commitment (the "Excess Amount"), the Borrower shall promptly, but in no event later than one Business Day thereafter, pay to the Agent (for the ratable benefit of the Banks) such Excess Amount. If not sooner paid, the entire principal balance of all outstanding Revolving Credit Loans, together with all unpaid accrued interest thereon, and all other sums and costs owed to the Agent and the Banks by the Borrower pursuant to this Agreement, shall be immediately due and payable on the Expiry Date, without notice, presentment or demand of any kind.

(e) Effect of Amendment and Restatement. Simultaneously with the Closing Date, the parties hereby agree that the Commitments shall be as set forth in Schedule 1 and the portion of Loans and other Loan Document Obligations outstanding under the Existing Loan Agreement shall be reallocated in accordance with such Commitments and the requisite assignments shall be deemed to be made in such amounts by and between the Banks and from each Bank to each other Bank, with the same force and effect as if such assignments were evidenced by applicable assignment agreements required pursuant to Section 8.17 of the Existing Loan Agreement. Notwithstanding anything to the contrary in Section 8.17 of the Existing Loan Agreement or Section 8.17 of this Agreement, no other documents or instruments, including any assignment agreements, shall be executed in connection with these assignments (all of which requirements are hereby waived), and such assignments shall be deemed to be made with all applicable representations, warranties and covenants as if evidenced by an assignment agreement. On the Closing Date, the Banks shall make full cash settlement with each other and each Bank under the Existing Loan Agreement that will not be a Bank after the Closing Date either directly or through the Agent, as the Agent may direct or approve, with respect to all assignments, reallocations and other changes in Commitments (as such term is defined in the Existing Loan Agreement) such that after giving effect to such settlements each Bank's Commitment Percentage shall be as set forth on Schedule 1.

2.01A Term Loan Commitment.

(a) Term Loan. Subject to the terms and conditions set forth in this Agreement and the other Loan Documents, and provided that the US Borrower has satisfied all applicable conditions in Article IV hereof, each Bank severally agrees to make a term loan in Dollars to the US Borrower on the Closing Date in the aggregate principal amount of its Term Loan Commitment (the "Term Loan") which, as selected by the US Borrower, shall be Base Rate Loans or ~~Libor~~Eurocurrency Rate Loans denominated in Dollars.

(b) Nature of Banks' Obligations with Respect to the Term Loan. The obligations of each Bank to make its portion of the Term Loan to the US Borrower shall be in the proportion that such Bank's Term Loan Commitment bears to the Term Loan Commitments of all Banks to the US Borrower, but each Bank's Term Loan to the US Borrower shall never exceed its Term Loan Commitment. The failure of any Bank to make its portion of the Term Loan shall not relieve any other Bank of its obligations to make its portion of the Term Loan nor shall it impose any additional liability on any other Bank hereunder. After the funding of the Term Loan by each Bank in the aggregate principal amount of its Term Loan Commitment pursuant to Section 2.01A(a), the Banks shall have no obligation to make an additional Term Loan hereunder. The Term Loan Commitments are not revolving credit commitments, and the US Borrower shall not have the right to borrow, repay and reborrow under Section 2.01A(a).

(c) Renewing or Converting Term Loans. Subject to the terms and conditions set forth below, the US Borrower shall have the opportunity to (i) convert Base Rate Loans into LiborEurocurrency Rate Loans denominated in Dollars, (ii) convert LiborEurocurrency Rate Loans denominated in Dollars into Base Rate Loans, or (iii) renew LiborEurocurrency Rate Loans ~~as Libor Rate Loans~~ denominated in Dollars for additional Interest Periods.

(i) Each portion of the Term Loan that is converted (~~from a Libor Rate Loan~~) into a Base Rate Loan shall be converted on such Business Day and in such amount as an Authorized Representative of the US Borrower shall request by written or telephonic notice (confirmed promptly, but in no event later than one Business Day thereafter, in writing) received by the Agent no later than 10:00 a.m. (Pittsburgh, Pennsylvania time) on the date of conversion into the requested Base Rate Loan. Unless an Authorized Representative of the US Borrower shall provide the Agent with the required written notice to convert a Base Rate Loan into a LiborEurocurrency Rate Loan denominated in Dollars on or prior to the third (3rd) Business Day prior to the date of requested conversion, such Base Rate Loan shall automatically convert to a LiborEurocurrency Rate Loan denominated in Dollars with an Interest Period of one (1) month.

(ii) Each Term Loan that is renewed or converted (~~from a Base into a Eurocurrency Rate Loan~~) ~~into a Libor Rate Loan~~ denominated in Dollars shall be renewed or converted, on such Business Day, in an amount greater than or equal to One Million and 00/100 Dollars (\$1,000,000.00); provided, however, that any amount in excess of One Million and 00/100 Dollars (\$1,000,000.00) may only be in increments of One Hundred Thousand and 00/100 Dollars (\$100,000.00), with such an Interest Period as an Authorized Representative of the US Borrower shall request by written or telephonic notice (confirmed promptly, but in no event later than one Business Day thereafter, in writing) received by the Agent no later than 10:00 a.m. (Pittsburgh, Pennsylvania time) on the third (3rd) Business Day prior to the requested date of, renewal of or conversion into the requested LiborEurocurrency Rate Loan. In the event that an Authorized Representative of the US Borrower fails to provide the Agent with the required written or telephonic notice (confirming promptly, but in no event later than one Business Day thereafter, in writing) on or prior to the third (3rd) Business Day prior to the expiration of the applicable Interest Period for a LiborEurocurrency Rate Loan, the US Borrower shall be deemed to have given written notice that such Loan shall be converted into a LiborEurocurrency Rate Loan with an Interest Period of one (1) month on the last day of the applicable Interest Period. Each written notice ~~of any Libor Rate Loan pursuant to this clause (ii)~~ shall be irrevocable and binding on the US Borrower and the US Borrower shall indemnify the Agent and the Banks against any loss or expense incurred by the Banks as a result of any failure by the US Borrower to consummate such transaction calculated as set forth in Section 2.12(c) hereof.

(d) Term Notes; Principal Repayment Terms. The obligation of the US Borrower to repay the unpaid principal amount of the Term Loan made to it by each Bank, together with interest thereon, shall be evidenced by a Term Note dated the Closing Date payable to the order of such Bank in a face amount equal to the Term Loan Commitment of such Bank. The Term Loan principal shall be paid in four (4) installments of Six Million Two Hundred Fifty Thousand and 00/100 Dollars (\$6,250,000.00) on July 1, 2020, October 1, 2020, January 1, 2021 and April 1, 2021, in each case, plus accrued interest as provided in Section 2.04, with the final installment of the remaining principal balance of Ten Million and 00/100 Dollars (\$10,000,000.00) (or such lesser principal amount if any prepayment of the Term Loans has occurred in accordance with the terms and provisions set forth below) and accrued and unpaid interest due and payable on the Term Loan Maturity Date, without notice, presentment or demand of any kind. Subject to the provisions of this Section 2.01A(d), the US Borrower shall have the right, at its option, from time to time, to prepay the Term Loan, in whole or in part, on any date prior to the Term Loan Maturity Date without prepayment penalty or premium thereon; provided, however, the US Borrower shall give the Agent prior written notice of the US Borrower's intention to make such prepayment at least three (3) Business Days prior to the date of such prepayment in the case of prepayment of any ~~Libor~~ Eurocurrency Rate Loan denominated in Dollars, and at least one (1) Business Day prior to the date of such prepayment in the case of any Base Rate Loan and of (i) the date, which shall be a Business Day, on which the proposed prepayment is to be made and (ii) the total principal amount of such prepayment (which prepayment shall be in an amount greater than or equal to One Million and 00/100 Dollars (\$1,000,000.00) and increments of One Hundred Thousand and 00/100 Dollars (\$100,000.00) in excess of such amount (unless, as applicable, either the outstanding principal amount of the Term Loan or the amount of any applicable principal installment payment is less than such amount); provided, further, the US Borrower shall pay to the Agent for the ratable benefit of the Banks all interest accrued on the amount of the Term Loan to be prepaid to the date of such prepayment and all other fees, costs and charges required to be paid by the US Borrower to the Agent for the ratable benefit of the Banks with respect to such prepayment, including any loss, costs or expenses pursuant to Section 2.12(c). All partial prepayments shall be applied first to the next scheduled installment payment of the Term Loan that is due and payable within ninety (90) days after the proposed date of the applicable prepayment and then to any remaining installments due on the Term Loan in the inverse order of their respective due dates. In addition, to the extent the Term Loan is subject to any Bank-Provided Hedge and as a result of the applicable prepayment hereunder, the US Borrower is required to pay any principal, interest, fees, costs or charges with respect to such Bank-Provided Hedge, the US Borrower shall, to the extent the aggregate amount of all such principal, interest, fees, costs and charges exceeds Ten Million and 00/100 Dollars (\$10,000,000.00), pay such required payments, in each case as set forth in any applicable Bank-Provided Hedge. All prepayments made hereunder are payable at 12:00 noon (Pittsburgh, Pennsylvania time) on the scheduled date of prepayment. All such prepayments shall be made absolutely net of, without deduction or offset, and altogether free and clear of any and all present and future Taxes, except as required by applicable Law. If the US Borrower is compelled by Law to deduct or withhold any such Taxes, then: (i) if such Tax is an Indemnified Tax, the amount to be prepaid by the US Borrower hereunder shall be increased so that after all such required deductions or withholdings are made (including deductions or withholdings applicable to additional amounts payable under this Section), the Banks receive an amount equal to the amount it would have received had no such deduction or withholding been made; and (ii) the US Borrower shall make such deductions or withholdings and timely pay the full amount deducted or withheld to the relevant Official Body in accordance with applicable Law.

2.02 Swing Line Facility.

2.02.1 Swing Line Loan Facility.

(a) Swing Line Loans. Subject to the terms and conditions and relying upon the representations and warranties set forth in this Agreement and the other Loan Documents, the Swing Line Lender may, in its sole and absolute discretion, make available to the US Borrower at any time and from time to time during the period from the Closing Date through and including the Business Day immediately preceding the earlier of (i) the date upon which the aggregate unpaid principal balance of the Swing Line Loans become due and payable by demand or (ii) the Expiry Date, by making Swing Line Loans to the US Borrower in Dollars in an aggregate principal amount not exceeding at any one time outstanding Fifty Million and 00/100 Dollars (\$50,000,000.00) (the "Swing Line Loan Facility"); provided, however, that the sum of (i) the aggregate principal amount of the Swing Line Lender's Swing Line Loans outstanding, plus (ii) the Dollar Equivalent principal amount of all Revolving Credit Loans outstanding of all the Banks, plus (iii) the aggregate Dollar Equivalent amount of Letters of Credit Outstanding at any one time shall not exceed the aggregate amount of the Revolving Credit Facility Commitment as the same may be increased from time to time pursuant to Section 2.21. If not sooner paid, each Swing Line Loan, all unpaid interest thereon and all other sums and costs incurred hereunder with respect to such Swing Line Loan shall be immediately due and payable on the earlier of (i) thirty (30) Business Days from the date such Swing Line Loan was made, (ii) demand or (iii) the Expiry Date, without notice, presentment or demand (unless payable by demand). (b) Swing Line Note. The obligation of the US Borrower to repay the unpaid principal amount of the Swing Line Loans made to the US Borrower by the Swing Line Lender and to pay interest on the unpaid principal amount thereof will be evidenced in part by the Swing Line Note of the US Borrower. The executed Swing Line Note was previously delivered by US Borrower to the Swing Line Lender on November 21, 2017.

(c) Making Swing Line Loans. Subject to the terms and conditions set forth in this Agreement and the other Loan Documents, and provided that the US Borrower has satisfied all applicable conditions specified in Section 4.01 hereof, the Swing Line Lender may, in its sole and absolute discretion, make Swing Line Loans to the US Borrower on such Business Day and in such amount as an Authorized Representative of the US Borrower shall request by written or telephonic notice (confirmed promptly, but in no event later than one (1) Business Day thereafter in writing) received by the Swing Line Lender no later than 10:00 a.m. (Pittsburgh, Pennsylvania time) on the date of requested disbursement of the Swing Line Loan. (d) Refunded Swing Line Loans. With respect to any Swing Line Loans, the Swing Line Lender may, at any time in its sole and absolute discretion, deliver to the Agent (with a copy to the US Borrower), no later than 10:00 a.m. (Pittsburgh, Pennsylvania time) on the first (1st) Business Day immediately preceding the proposed date of disbursement, a notice (which shall be deemed to be a notice of borrowing given by an Authorized Representative) requesting the Banks to make Revolving Credit Loans that are Base Rate Loans on such date in an amount equal such portion of the Swing Line Loans outstanding as the Swing Line Lender may request in its sole and absolute discretion plus, if the Swing Line Lender so requests, accrued interest thereon, (the "Refunded Swing Line Loans"). Anything contained in this Agreement to the contrary notwithstanding, (i) the proceeds of such Revolving Credit Loans made by Banks other than the Swing Line Lender shall be immediately delivered by the Agent to the Swing Line Lender (and not to the US Borrower) and applied to repay a corresponding portion of the Refunded Swing Line Loans and (ii) on the day such Revolving Credit Loans are made, the Swing Line Lender's Pro Rata Share of the Refunded Swing Line Loans shall be deemed to be paid with the proceeds of a Revolving Credit Loan made by the Swing Line Lender, and such portion of the Swing Line Loans deemed to be so paid shall no longer be outstanding as Swing Line Loans and shall no longer be due under the Swing Line Note of the Swing Line Lender but shall instead constitute part of the Swing Line Lender's outstanding Revolving Credit Loans and shall be due under the Revolving Credit Note of the Swing Line Lender.

Anything contained herein to the contrary notwithstanding, each Bank's obligation to make Revolving Credit Loans for the purpose of repaying any Refunded Swing Line Loans pursuant to the immediately preceding paragraph shall be absolute and unconditional and shall not be affected by any circumstance, including (a) any set-off, counterclaim, recoupment, defense or other right which such Bank may have against the Swing Line Lender, the US Borrower or any other Person for any reason whatsoever; (b) the occurrence or continuation of an Event of Default or a Potential Default; (c) any Material Adverse Change; (d) any breach of this Agreement or any other Loan Document by the US Borrower; or (e) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing; provided that such obligations of each Bank are subject to the condition that (X) the Swing Line Lender believed in good faith that all conditions under Section 4.01 to the making of the applicable Swing Line Loans were satisfied at the time such Swing Line Loans were made or (Y) the satisfaction of any such condition not satisfied had been waived in writing by the Banks prior to or at the time such Swing Line Loans were made; provided, further, that no Bank shall be obligated in any event to make Revolving Credit Loans in excess of its Commitment less its Pro Rata Share of the Dollar Equivalent amount of Letters of Credit Outstanding.

(iii) Subject to the terms and conditions of this Agreement, in the event that the US Borrower fails to timely deliver the compliance certificate required by Section 5.01(c) hereof, the Applicable Margin in effect at the time of such failure shall be increased to the next highest Tier until the delivery of such compliance certificate.

(iv) Subject to the terms and conditions of this Agreement, the aggregate outstanding principal balance of the Swing Line Loans shall bear interest for each day at the Swing Line Rate.

(v) Notwithstanding the other provisions of this Agreement, any Loans that are denominated in British Pounds Sterling or Euros, or denominated in Dollars with an Interest Period of two (2) Months, that are outstanding on the Second Amendment Effective Date shall remain outstanding and continue to bear interest through the end of their respective Interest Periods in accordance with the terms of this Agreement as in effect immediately before giving effect to the Second Amendment. The Borrower shall convert such existing Loans to a Eurocurrency Rate Loan, BBSW Loan, CDOR Loan or Daily Simple SONIA Loan permitted by the terms of this Agreement at the end of such Interest Period, and if no such notice of conversion is delivered in accordance with the terms of this Agreement then such Loan shall be automatically converted to a Eurocurrency Rate Loan in Dollars having an interest period of one month.

(b) Calculation of Interest and Fees; Adjustment to Base Rate and Swing Line Rate. Interest on the Base Rate Loans, unpaid fees and other sums payable hereunder shall be computed on a year of three hundred sixty-five (365) or three hundred sixty-six (366) days, as applicable, and paid for the actual number of days elapsed. Interest on the ~~Libor-Rate~~Eurocurrency Rate Loans, BBSW Loans, CDOR Loans and Daily Simple SONIA Loans shall be computed on a year of three hundred sixty (360) days and paid for the actual number of days elapsed; provided that, for Loans made in an Optional Currency for which a three hundred sixty five (365) or three hundred sixty six (366) day basis, as the case may be, is the only market practice available to the Agent, such rate shall be calculated on the basis of a year of three hundred sixty five (365) or three hundred sixty six (366) days, as the case may be, for the actual days elapsed. In the event of any change in the Base Rate or the Swing Line Rate, the rate of interest applicable to each Base Rate Loan or the Swing

Line Loans shall be adjusted to immediately correspond with such change; provided, however, that any interest rate charged hereunder shall not exceed the Maximum Rate.

(c) Interest After Maturity or Default; Interest Laws. Upon the occurrence and during the continuance of an Event of Default, (i) pursuant to Section 7.01(a), 7.01(m) or 7.01(n), the unpaid principal amount of the Loans or any portion thereof, accrued interest thereon, any fees or any other sums payable hereunder shall bear interest at a rate per annum equal to the Applicable Rate plus two percent (2.00%); (ii) pursuant to Section 7.01(b)-7.01(l), the unpaid principal amount of the Loans or any portion thereof, accrued interest thereon, any fees or any other sums payable hereunder shall, at the election of the Agent or the direction of the Majority Banks, thereafter bear interest at a rate per annum equal to the Applicable Rate plus two percent (2.00%); (iii) each ~~LiberEurocurrency~~ Rate Loan denominated in Dollars shall automatically convert into a Base Rate Loan at the end of the applicable Interest Period; (iv) at the election of the Agent or the direction of the Majority Banks, each ~~LiberEurocurrency~~ Rate Loan, BBSW Loan, CDOR Loan or Daily Simple SONIA Loan denominated in an Optional Currency shall automatically convert into a Base Rate Loan denominated in Dollars (in an amount equal to the Dollar Equivalent of the principal amount of such Loan) at the time of such Event of Default and the Borrower shall pay to the Agent for the ratable account of the Banks such additional amounts as are required pursuant to and in accordance with Sections 2.12(c) and 2.18; and (v) at the election of the Agent or the direction of the Majority Banks, no Loans may be made in an Optional Currency and no Loans may be made as, renewed as or converted into a ~~LiberEurocurrency~~ Rate Loan, BBSW Loan or CDOR Loan. Notwithstanding any provisions to the contrary contained in this Agreement or any other Loan Document, the Borrower shall not be required to pay, and the Banks shall not be permitted to collect, any amount of interest in excess of the maximum amount of interest permitted by applicable Law ("Excess Interest"). If any Excess Interest is provided for or determined by a court of competent jurisdiction to have been provided for in this Agreement or in any other Loan Document, then, in such event: (1) the provisions of this subsection shall govern and control; (2) the Borrower shall not be obligated to pay any Excess Interest; (3) any Excess Interest that any Bank may have received hereunder shall be, at the Majority Banks' option, (a) applied as a credit against the outstanding principal balance of the Indebtedness evidenced by the Notes or accrued and unpaid interest thereon (not to exceed the maximum amount permitted by Law), (b) refunded to the payor thereof, or (c) any combination of the foregoing; (4) the interest rate(s) provided for herein shall be automatically reduced to the maximum lawful rate allowed from time to time under applicable Law (the "Maximum Rate"), and this Agreement and the other Loan Documents shall be deemed to have been and shall be, reformed and modified to reflect such reduction; and (5) the Borrower shall have no action against the Agent or the Banks for any damages arising out of the payment or collection of any Excess Interest.

(d) ~~Successor LIBOR Rate. Solely with respect to any Libor Rate Loans, the following shall apply: Rates.~~

(i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election with respect to the relevant Screen Rate for any currency, as applicable, the Agent and the US Borrower may amend this Agreement to replace the such Screen Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Agent has posted such proposed amendment to all Banks and the US Borrower so long as the Agent has not received, by such time, written notice of objection to such amendment from Banks comprising the Majority Banks. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Banks comprising the Majority Banks have delivered to the Agent written notice that such Majority Banks accept such amendment. No replacement of such Screen Rate with a Benchmark Replacement pursuant to this Section 2.03(d) will occur prior to the applicable Benchmark Transition Start Date.

(ii) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(iii) Notices; Standards for Decisions and Determinations. The Agent will promptly notify the US Borrower and the Banks of (A) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (B) the implementation of any Benchmark Replacement, (C) the effectiveness of any Benchmark Replacement Conforming Changes and (D) the commencement or conclusion of any Benchmark Unavailability Period, provided that the failure to give such notice under this clause (D) shall not affect the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Agent or Banks pursuant to this Section 2.03(d), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 2.03(d).

(iv) Benchmark Unavailability Period. Upon the commencement of a Benchmark Unavailability Period with respect to the relevant Screen Rate for any currency, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of ~~Libor Rate~~ Loans to be made, converted or continued in such currency during such Benchmark Unavailability Period and, failing that, solely in the case of Dollar-denominated Loans the Borrower will be deemed to have converted any such request into a request for a Loan of or conversion to Base Rate Loans. During any Benchmark Unavailability Period with respect to the relevant Screen Rate for any currency, (A) the obligation of the Banks to make or maintain ~~Libor Rate~~ Loans in such currency shall be suspended, (B) any request for a Loan of, conversion to or continuation of ~~Libor Rate~~ Loans in such currency shall be ineffective ~~and except that~~, solely in the case of Dollar-denominated Loans, will be deemed to have been a request for a Loan of or conversion to Base Rate Loans, and (C) the component of the Base Rate based upon the ~~Libor Eurocurrency~~ Rate for Dollars will not be used in any determination of the Base Rate.

2.04 Interest Payments.

The Borrower shall pay to the Agent for the ratable account of the Banks interest on the aggregate outstanding balance of the Loans which are Base Rate Loans in arrears, on July 1, 2020 and on the first (1st) day of each October, January, April and July thereafter through and including the Expiry Date. The Borrower shall pay to the Agent for the ratable account of the Banks interest on the unpaid principal balance of the Loans that are ~~Libor~~ Eurocurrency Rate Loans, BBSW Loans or CDOR Loans on the earlier of (i) the last day of the applicable Interest Period for such Loan or (ii) for such Loans with an applicable Interest Period exceeding three (3) Months, on each and every three (3) Month anniversary of each such Loan during the period from the Closing Date to and including the Expiry Date. The Borrower shall pay to the Agent for the ratable account of the Banks interest on the aggregate outstanding balance of the Loans that are Daily Simple SONIA Loans in arrears, on the first (1st) day of each calendar month through and including the Expiry Date. After maturity of any part of the Loans (whether upon the occurrence of an Event of Default, by acceleration or otherwise), interest on such part of the Loans shall be immediately due and payable without notice, presentment, or demand of any kind. Interest on the principal amount of each Loan made in an Optional Currency shall be paid by the Borrower in such Optional Currency. The Borrower shall pay to the Swing Line Lender interest on the unpaid principal balance of the aggregate outstanding balance of the Swing Line Loans in arrears, on April 30, 2020 and on the last day of each July, October, January and April thereafter through and including the Expiry Date.

2.05 Fees.

The Borrower shall pay to the Agent for the ratable account of the Banks:

(i) A commitment fee in Dollars on the unused portion of the amount of the Revolving Credit Facility Commitment during the period from the date of this Agreement to the Expiry Date, payable quarterly in arrears beginning on July 1, 2020 and continuing on the first (1st) day of each October, January, April and July thereafter and on the Expiry Date. Such fee shall be calculated daily, and shall equal the amount by which the amount of the Revolving Credit Facility Commitment has exceeded the closing principal balance of the sum of the outstanding Dollar Equivalent principal balance of the Revolving Credit Loans (for purposes of this computation the Swing Line Lender's Swing Line Loans shall be deemed to be borrowed amounts under its Revolving Credit Commitment) and the Dollar Equivalent amount of Letters of Credit Outstanding on each day, multiplied by the applicable percentage per annum with respect to commitment fees for such day determined by reference to the US Borrower's Senior Leverage Ratio as set forth in Section 2.03(a)(ii) (the "Applicable Commitment Fee Percentage"); provided, however, that any commitment fee accrued with respect to the Revolving Credit Facility Commitment of an Impacted Bank during the period prior to the time such Bank became an Impacted Bank and unpaid at such time shall not be payable by the Borrower so long as such Bank shall be an Impacted Bank except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; and provided, further, that no commitment fee shall accrue with respect to the Revolving Credit Facility Commitment of an Impacted Bank so long as such Bank shall be an Impacted Bank; provided, further, that on the Closing Date and through the day immediately preceding the first (1st) Incentive Pricing Effective Date occurring after the end of the Fiscal Quarter ending March 31, 2020), the Applicable Commitment Fee Percentage shall be determined by reference to the applicable margin corresponding to Tier IV;

(ii) The Letter of Credit Commission pursuant to Section 2.07 hereof; and

(iii) Closing fees in accordance with that certain Engagement Letter, dated February 20, 2020, from the Agent to the US Borrower and acknowledged and accepted by the US Borrower.

2.06 Agreement to Issue Letters of Credit

From time to time during the period from the Closing Date to the fifteenth (15th) day preceding the Expiry Date, subject to the further terms and conditions hereof, including those required in connection with the making of Revolving Credit Loans, the applicable Issuing Bank(s) shall issue Standby Letters of Credit or Commercial Letters of Credit (collectively the "Letters of Credit") for the account of the Borrower in a Dollar Equivalent amount not to exceed Thirty-Five Million and 00/100 Dollars (\$35,000,000.00) in the aggregate as a subfacility of the Revolving Credit Facility Commitment; provided, however, that on any date on which the Borrower requests a Letter of Credit, and after giving effect to the Letter of Credit Face Amount of such Letter of Credit, the sum of (i) the Dollar Equivalent amount of all Revolving Credit Loans outstanding, plus (ii) all Swing Line Loans outstanding, plus (iii) the Dollar Equivalent amount of all Letters of Credit Outstanding shall not exceed the Revolving Credit Facility Commitment. As of the date hereof, those Letters of Credit set forth on Schedule 2.06 hereof (collectively, the "Existing Letters of Credit"), which were issued under the Existing Loan Agreement and are outstanding on the date hereof, will be deemed to be Letters of Credit issued and outstanding hereunder.

Each request for a Letter of Credit shall be delivered to the applicable Issuing Bank (with a copy to the Agent) no later than 10:00 a.m. (Pittsburgh, Pennsylvania time) on the second (2nd) Business Day, or such shorter period as may be agreed to by such Issuing Bank, prior to the proposed date of issuance. Each such request shall be in a form acceptable to the applicable Issuing Bank and specify the Letter of Credit Face Amount thereof, the applicable currency, the account party, the beneficiary, the intended date of issuance, the expiry date thereof (which shall not be later than the Letter of Credit Expiration Date), and the nature of the transaction to be supported thereby. Promptly after receipt of any request for a Letter of Credit, the Issuing Bank shall confirm with the Agent (by telephone or in writing) that the Agent has received a copy of such request for a Letter of Credit and if not, such Issuing Bank will provide the Agent with a copy thereof. Unless the Issuing Bank has received notice from any Bank, the Agent or any Loan Party, at least one (1) day prior to the requested date of issuance of the applicable Letter of Credit, that one or more applicable conditions in Section 4.01 is not satisfied, then, subject to the terms and conditions hereof and in reliance on the agreements of the other Banks set forth in this Section 2.06, the Issuing Bank or any of the Issuing Bank's Affiliates will issue a Letter of Credit. All such Letters of Credit shall be issued by the applicable Issuing Bank in accordance with its then current practice relating to the issuance of Letters of Credit including, but not limited to, the execution and delivery to such Issuing Bank of applications and agreements required by such Issuing Bank and the payment by the Borrower of all applicable fees required by Section 2.07 hereof or otherwise payable in connection therewith. Immediately upon the issuance of each Letter of Credit, each Bank shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable Issuing Bank a participation in such Letter of Credit and each drawing thereunder in an amount equal to such Bank's Pro Rata Share of the Letter of Credit Face Amount of such Letter of Credit. The applicable Issuing Bank shall promptly, but in any event not later than the next Business Day, provide to each Bank notice of each such request for a Letter of Credit by the Borrower.

Notwithstanding any other provision hereof, no Issuing Bank shall be required to issue any Letter of Credit, if any Bank is at such time an Impacted Bank hereunder, unless the Issuing Bank has entered into satisfactory arrangements with the Borrower or such Impacted Bank to eliminate the Issuing Bank's risk with respect to such Impacted Bank (it being understood that the Issuing Bank would consider the Borrower or the Impacted Bank providing Cash Collateral to the Agent, for the benefit of the Issuing Bank, to secure the Impacted Bank's Pro Rata Share of the Letter of Credit to be a satisfactory arrangement).

2.07 Letter of Credit Fees.

The Borrower shall pay to the applicable Issuing Bank for its own account in Dollars (a) a fronting fee for each Letter of Credit issued hereunder, such fee shall be equal to one-eighth of one percent (0.125%) per annum of the daily average Dollar Equivalent amount of Letters of Credit Outstanding during the preceding calendar quarter, payable quarterly in arrears beginning on April 1, 2020 and continuing on the first (1st) day of each July, October, January and April thereafter and on the applicable Letter of Credit Expiration Date, (b) such Issuing Bank's standard amendment fees for each applicable Letter of Credit issued hereunder by such Issuing Bank, such fees to be paid on the date of the amendment of such Letter of Credit and (c) any reasonable out-of-pocket expenses and costs incurred by such Issuing Bank for the issuance of any applicable Letter of Credit issued hereunder by such Issuing Bank, such fees to be paid on the day of issuance of such Letter of Credit. The Borrower shall also pay to the Agent for the ratable account of the Banks a fee (the "Letter of Credit Commission"), calculated daily and equal to the Dollar Equivalent amount of the Letters of Credit Outstanding on each day multiplied by the applicable percentage for such day determined by reference to the Borrower's Leverage Ratio as set forth in Section 2.03(a)(ii) or the Borrower's Senior Leverage Ratio as set forth in Section 2.03(b)(ii) hereof, as applicable (the "Applicable L/C Fee Percentage"), such fee to be paid quarterly in arrears beginning on April 1, 2020 and continuing on the first (1st) day of each July, October, January, and April thereafter and on the applicable Letter of Credit Expiration Date. Notwithstanding the foregoing, after the occurrence and during the continuance of an Event of Default, the Letter of Credit Commission shall be increased in accordance with Section 2.03(c).

2.08 Payments Under Letters of Credit.

Upon a draw under any Letter of Credit, the Borrower shall immediately, but in any event not later than the end of such Business Day, reimburse the Issuing Bank for such drawing under a Letter of Credit by paying to the Agent for the account of the Issuing Bank an amount equal to the amount so paid by the Issuing Bank with respect to such drawing under the applicable Letter of Credit. If (i) the Borrower shall not have reimbursed the Issuing Bank for such drawing under such Letter of Credit by the end of such Business Day, (ii) the Issuing Bank and/or the Agent, on behalf of the Issuing Bank, must for any reason return or disgorge such reimbursement, or (iii) the Borrower is required to make a payment under Section 7.02(a)(ii) hereof and fails to make such payment, then the amount of each unreimbursed drawing under such Letter of Credit and payment required to be made under Section 7.02(a)(ii) hereof shall automatically be converted into a Revolving Credit Loan in Dollars (in the Dollar Equivalent of the amount of such drawing, if such drawing is made in an Optional Currency), which shall be a Base Rate Loan made on the date of such drawing for all purposes of this Agreement. The Borrower's obligation to reimburse the Issuing Bank with respect to each drawing under a Letter of Credit shall be absolute and unconditional.

2.09 Period of Issuance and Term of Letters of Credit; Cash Collateralization.

Letters of Credit shall only be issued by the Issuing Banks for the account of the Borrower for such terms which expire on or before the Letter of Credit Expiration Date. If, on the Expiry Date, any Letter of Credit Outstanding for any reason remains outstanding, the Borrower shall, in each case, immediately Cash Collateralize the then outstanding amount of all such Letters of Credit Outstanding. The Borrower hereby grants to the Agent, for the benefit of the Issuing Bank and the Banks, a security interest in all Cash Collateral pledged pursuant to this Section 2.09 or otherwise under this Agreement.

2.10 Booking of ~~Libor Rate~~ Loans.

Each Bank may make, carry or transfer ~~Libor Rate~~Eurocurrency Rate Loans, BBSW Loans, CDOR Loans or Daily Simple SONIA Loans at, to or for the account of, any Office (including any of its branch offices or the office of an Affiliate of such Bank); provided, however, that no such action shall result in increased liability or cost to the Borrower, including any increased liability or cost pursuant to Section 2.12 or 2.13 hereof.

2.11 Assumptions Concerning Funding of ~~Libor Rate~~ Loans.

Calculation of all amounts payable to each Bank for Eurocurrency Rate Loans, BBSW Loans and CDOR Loans under Section 2.12(c) and (d) shall be made as though each Bank had actually funded its relevant ~~Libor~~Eurocurrency Rate Loan, BBSW Loan or CDOR Loan through the purchase of ~~a Libor~~an Optional Currency deposit bearing interest at the ~~Libor~~Eurocurrency Rate, BBSW or CDOR, as the case may be, in an amount equal to the amount of that ~~Libor Rate~~ Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such ~~Libor~~Optional Currency deposit from an offshore office to a domestic office in the United States of America; provided, however, that each Bank may fund each of its ~~Libor~~Eurocurrency Rate Loans, BBSW Loans and/or CDOR Loans in any manner it sees fit and the foregoing assumption shall be utilized only for the calculation of amounts payable under Section 2.12(c) and (d), as applicable.

2.12 Additional Costs.

(a) If, due to either (i) the introduction of, or any change in, or in the interpretation of, any Law or (ii) the compliance with any guideline or request from any central bank or other Official Body (whether or not having the force of Law), there shall be any increase in the cost to, or reduction in income receivable by, a Bank of making, funding or maintaining Loans (or commitments to make the Loans), other than with respect to any Indemnified Taxes, any tax described in clauses (ii) through (vii) of the definition of Excluded Taxes, Excluded Taxes or Connection Income Taxes then the Borrower shall from time to time, upon demand by such Bank made within a reasonable time after such Bank's determination thereof, pay to the Agent for the account of such Bank additional amounts sufficient to reimburse such Bank for any such additional costs or reduction in income. All such additional amounts shall be determined by such Bank in good faith using appropriate attribution and averaging methods ordinarily employed by such Bank. A certificate of such Bank submitted to the Borrower in good faith as to the amount of such additional costs shall be conclusive and binding for all purposes, absent manifest error. Within ten (10) Business Days after the Agent or such Bank notifies the Borrower in writing of any such additional costs pursuant to this Section 2.12(a), the Borrower may (A) repay in full all Loans of any types or currencies so affected then outstanding, together with interest accrued thereon to the date of such repayment, or (B) convert all Loans of any types or currencies so affected then outstanding into Loans of any other type or currency not so affected upon not less than four (4) Business Days' notice to the Agent. If any such repayment or conversion of any ~~Libor~~Eurocurrency Rate Loan, BBSW Loan or CDOR Loan occurs on any day other than the last day of the applicable Interest Period for such Loan (or, in the case of a Daily Simple SONIA Loan, on a day other than a date for the scheduled payment of interest thereon), the Borrower also shall pay to the Agent for the ratable account of the Banks such additional amounts as set forth in Section 2.12(c) or (d); provided, that notwithstanding anything herein to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines, interpretations or directives thereunder or issued in connection therewith (whether or not having the force of Law) and (y) all requests, rules, regulations, guidelines, interpretations or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities (whether or not having the force of Law), in each case pursuant to Basel III, shall in each case be deemed to be a change in Law regardless of the date enacted, adopted, issued, promulgated or implemented.

(b) If either (i) the introduction of, or any change in, or in the interpretation of, any Law or (ii) the compliance with any guideline or request from any central bank or other Official Body (whether or not having the force of Law), affects the amount of capital or liquidity required to be maintained by any Bank or any corporation controlling any Bank and such Bank determines in good faith that the amount of such capital is increased by or based upon the existence of the Loans (or commitment to make the Loans), other than with respect to any Tax with respect to which Section 2.14 and Section 9.17 shall apply, then, within ten (10) Business Days of demand by such Bank, the Borrower shall pay to the Agent for the account of such Bank from time to time as specified by such Bank, additional amounts sufficient to compensate such Bank in the light of such circumstances, to the extent that such Bank determines in good faith such increase in capital to be allocable to the existence of such Bank's Loans (or commitment to make the Loans). Any such demand by a Bank must be made within a reasonable time after such Bank's determination as set forth in the immediately preceding sentence. A certificate of such Bank in good faith submitted to the Borrower as to such amounts shall be presumptive evidence of

such amounts. Within ten (10) Business Days after the Agent or such Bank notifies the Borrower in writing of any such additional costs pursuant to this Section 2.12(b), the Borrower may (A) repay in full all Loans of any types or currencies so affected then outstanding, together with interest accrued thereon to the date of such prepayment, or (B) convert all Loans of any types or currencies so affected then outstanding into Loans of any other type or currency not so affected upon not less than four (4) Business Days' notice to such Bank. If any such prepayment or conversion of any ~~Libor~~Eurocurrency Rate Loan, BBSW Loan or CDOR Loan occurs on any day other than the last day of the applicable Interest Period for such Loan, or if any such prepayment of a Daily Simple SONIA Loan occurs on a day other than a date for the scheduled payment of interest thereon, the Borrower also shall pay to the Agent for the ratable account of the Banks such additional amounts as set forth in Section 2.12(c) or (d); provided, that notwithstanding anything herein to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines, interpretations or directives thereunder or issued in connection therewith (whether or not having the force of Law) and (y) all requests, rules, regulations, guidelines, interpretations or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities (whether or not having the force of Law), in each case pursuant to Basel III, shall in each case be deemed to be a change in Law regardless of the date enacted, adopted, issued, promulgated or implemented.

(c) If the Borrower shall repay or convert any ~~Libor~~Eurocurrency Rate Loan, BBSW Loan or CDOR Loan on a day other than the last day of the applicable Interest Period for such Loan or, if the Borrower shall repay any Daily Simple SONIA Loan on a day other than a date for the scheduled payment of interest thereon (whether such repayment or conversion is (i) permitted by this Section 2.12 or Section 2.13, (ii) permitted as a result of the failure of the Borrower to consummate a transaction after providing notice as set forth in Section 2.01(c)(ii), (iii) otherwise permitted by a Bank, or (iv) otherwise required under the terms of this Agreement), the Borrower shall pay (within ten (10) Business Days after written demand) to the Agent for the ratable benefit of the Banks such additional amounts reasonably determined by the Banks in good faith to be sufficient to indemnify the Banks against any loss, cost, or expense incurred by the Banks as a result of such prepayment or conversion including, without limitation, any loss (including loss of anticipated profits), costs or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by the Banks to fund such Loan, and a certificate as to the amount of any such loss, cost or expense submitted by any Bank to the Borrower in good faith shall be presumptive evidence of such amount.

(d) The obligation of Borrower to make payments to any Bank pursuant to Sections 2.12(a) and 2.12(b) shall be limited to amounts that accrue on and after the day which is one hundred eighty (180) days prior to the date on which such Bank first makes demand therefor; provided that, if the circumstances giving rise to such payments have a retroactive effect, then such one hundred eighty (180) day period shall be extended to include the period of such retroactive effect.

2.13 Illegality; Impracticability.

Notwithstanding any other provision contained in this Agreement other than Section 2.03(d) (which shall pre-empt this provision to the extent governed by the provisions thereof), if: (a) it is unlawful, or any central bank or other Official Body shall determine that it is unlawful, for the Agent or any Bank to perform its obligations hereunder to make, renew, or convert Loans hereunder; or (b) on any date on which ~~a Libor Rate any rate hereunder~~ would otherwise be set, Agent or Majority Banks shall have in good faith determined (which determination shall be conclusive absent manifest error) that (i) adequate and reasonable means do not exist for ascertaining such ~~Libor Rate~~ rate, (ii) a contingency has occurred which materially and adversely affects the interbank markets, or (iii) the effective cost to the applicable Banks of funding a proposed ~~Libor Rate~~ Loan exceeds the rate that would be applicable ~~Libor Rate~~, then (y) upon notice thereof by the Agent to the Borrower, the obligation of the applicable Banks to make or renew a Loan of a type or currency so affected or to convert any type of Loan or any Loan denominated in an Optional Currency into a Loan of a type or currency so affected shall terminate and the applicable Banks shall thereafter be obligated to make only Base Rate Loans in Dollars whenever any written notice requests any type of Loans or any Loan denominated in an Optional Currency so affected and (z) upon written demand therefor by the Agent to the Borrower, the Borrower shall (i) forthwith prepay in full all Loans of the type or currency so affected then outstanding, together with interest accrued thereon or (ii) request that such the applicable Banks, upon five (5) Business Days' notice, convert all Loans of the type or currency so affected then outstanding into Loans of a type or currency not so affected. If any such prepayment or conversion of any ~~Libor~~ Eurocurrency Rate Loan, BBSW Loan or CDOR Loan occurs on any day other than the last day of the applicable Interest Period for such Loan, or any such prepayment of a Daily Simple SONIA Loan occurs other than on a date for the scheduled payment of interest thereon, the Borrower also shall pay to the Agent for the ratable benefit of the applicable Banks such additional amounts as set forth in Section 2.12(c) or (d).

2.14 Payments.

All payments to be made with respect to principal, interest, fees or other amounts due from the Borrower under this Agreement or under the Notes are payable at 12:00 noon (Pittsburgh, Pennsylvania time), on the day when due, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived, and an action for the payments will accrue immediately. All such payments must be made to the Agent at its Office in U.S. Dollars except that payments of principal or interest shall be made in the currency in which such Loan was made and in funds immediately available at such Office, without setoff, counterclaim or other deduction of any nature. The Agent may in its discretion deduct such payments from the Borrower's demand or deposit accounts with the Agent if not paid within five (5) Business Days after the due date. All such payments shall be applied as directed by the Borrower; provided, that after the occurrence and during the continuation of an Event of Default or Potential Default, such payments shall be applied at the option of the Agent and the Banks to accrued and unpaid interest, outstanding principal and other sums due under this Agreement in such order as the Agent and the Banks, in their sole discretion, shall elect. All such payments shall be made absolutely net of, without deduction or offset, and altogether free and clear of any and all present and future Taxes, except as required by applicable Law. If the Borrower is compelled by Law to deduct or withhold any such Taxes, then: (i) if such Tax is an Indemnified Tax, the amount payable by the Borrower shall be increased so that after all such required deductions or withholdings are made (including deductions or withholdings applicable to additional amounts payable under this Section), the Agent or Banks, as the case may be, receives an amount equal to the amount it would have received had no such deduction or withholding been made; and (ii) the Borrower shall make such deductions or withholdings and timely pay the

full amount deducted or withheld to the relevant Official Body in accordance with applicable Law.

2.15 Loan Account.

The Agent will open and maintain on its books and records, including computer records, in accordance with its customary procedures, a loan account (the "Loan Account") for the Borrower in which shall be recorded the date and amount of each Loan made by the Banks and the date and amount of each payment and prepayment in respect thereof. The Agent shall record in the Loan Account the principal amount of the Loans owing to each Bank from time to time. The Loan Account shall constitute presumptive evidence of the accuracy of the information contained therein (including the Equivalent Amounts of the applicable currencies where such computations are required) absent manifest error. Any failure by the Agent to make any such notation or record shall not affect the obligations of the Borrower to the Banks with respect to the Loans.

2.16 Estoppel.

As further consideration for the entry of the Banks into this Agreement, the Borrower hereby represents and warrants that it does not presently have any claims or actions of any kind at Law or in equity against Citizens and/or any other Bank arising out of or in any way relating to the Existing Loan Agreement or any related documents with respect thereto, or the transactions contemplated by this Agreement.

2.17 Utilization of Commitments in Optional Currencies.

(a) Periodic Computations of Dollar Equivalent Amounts of Revolving Credit Loans and Letters of Credit Outstanding. The Agent will determine the Dollar Equivalent amount of (i) proposed Revolving Credit Loans to be denominated in an Optional Currency as of the requested borrowing date, (ii) Letters of Credit to be denominated in an Optional Currency as of the intended date of issuance, (iii) Letters of Credit Outstanding denominated in an Optional Currency as of the last Business Day of each month, and (iv) outstanding Revolving Credit Loans denominated in an Optional Currency as of the end of each Interest Period, and at such other times as reasonably determined by the Agent in its sole discretion (each such date under clauses (i) through (iv), a "Computation Date").

(b) Notices From Banks that Optional Currencies are Unavailable to Fund New Revolving Credit Loans. The Banks shall be under no obligation to make the Revolving Credit Loans requested by the Borrower which are denominated in an Optional Currency if any Bank notifies the Agent by 5:00 p.m. (Pittsburgh, Pennsylvania time), four (4) Business Days prior to the borrowing date for such Loans that such Bank cannot provide its share of such Loans in such Optional Currency due to the introduction of, or any change in, any applicable Law or any change in the interpretation or administration thereof by any Official Body charged with the interpretation or administration thereof, or compliance by such Bank (or any of its applicable Office) with any request or directive (whether or not having the force of Law) of any such Official Body which would make it unlawful or impossible for such Bank (or any of its applicable Office) to honor its obligations hereunder to make a Revolving Credit Loan in an Optional Currency. In the event the Agent timely receives a notice from a Bank pursuant to the preceding sentence, the Agent will notify the Borrower no later than 12:00 noon (Pittsburgh, Pennsylvania time), three (3) Business Days prior to the borrowing date for such Loans that the Optional Currency is not then available

for such Loans, and the Agent shall promptly thereafter notify the Banks of the same. If the Borrower receives a notice described in the preceding sentence, the Borrower may, by notice to the Agent not later than 5:00 p.m. (Pittsburgh, Pennsylvania time), three (3) Business Days prior to the borrowing date for such Loans, withdraw the loan request for such Loans. If the Borrower withdraws such loan request, the Agent will promptly notify each Bank of the same and the Banks shall not make such Loans. If the Borrower does not withdraw such loan request before such time, (i) the Borrower shall be deemed to have requested that the Loans referred to in its loan request shall be made in Dollars in an amount equal to the Dollar Equivalent amount of such Loans and shall bear interest ~~under~~at the ~~Libor~~Adjusted Eurocurrency Rate for Dollars applicable to Interest Periods of one (1) month, and (ii) the Agent shall promptly deliver a notice to each Bank stating: (A) that such Loans shall be made in Dollars and shall bear interest under the ~~Libor~~Adjusted Eurocurrency Rate applicable to Interest Periods of one (1) month, (B) the aggregate amount of such Loans, and (C) such Bank's Pro Rata Share of such Loans.

(c) Notices From Banks That Optional Currencies Are Unavailable to Fund Renewals of ~~Libor~~ Rate Loans Denominated in an Optional Currency. If the Borrower delivers a loan request requesting that the Banks renew or continue any ~~Libor~~Eurocurrency Rate Loan, BBSW Loan, CDOR Loan or Daily Simple SONIA Loan which is denominated in an Optional Currency, the Banks shall be under no obligation to renew such ~~Libor~~ Rate Loan if any Bank delivers to the Agent a notice by 5:00 p.m. (Pittsburgh, Pennsylvania time), four (4) Business Days prior to effective date of such renewal that such Bank cannot continue to provide Loans in such Optional Currency due to the introduction of, or any change in, any applicable Law or any change in the interpretation or administration thereof by any Official Body charged with the interpretation or administration thereof, or compliance by such Bank (or any of its applicable Office) with any request or directive (whether or not having the force of Law) of any such Official Body which would make it unlawful or impossible for such Bank (or any of its applicable Office) to honor its obligations hereunder to make a Loan in an Optional Currency. In the event the Agent timely receives a notice from a Bank pursuant to the preceding sentence, the Agent will notify the Borrower no later than 12:00 noon (Pittsburgh, Pennsylvania time), three (3) Business Days prior to the renewal date that the renewal or continuation of such Loans in such Optional Currency is not then available, and the Agent shall promptly thereafter notify the Banks of the same. If the Agent shall have so notified the Borrower that any such renewal or continuation of Optional Currency Loans is not then available, any notice of renewal or continuation with respect thereto shall be deemed withdrawn, and such Optional Currency Loans shall be redenominated into ~~Libor~~Eurocurrency Rate Loans in Dollars, with an Interest Period of one (1) month with effect from the last day of the Interest Period with respect to any such Optional Currency Loans. The Agent will promptly notify the Borrower and the Banks of any such redenomination, and in such notice, the Agent will state the aggregate Dollar Equivalent amount of the redenominated Optional Currency Loans as of the Computation Date with respect thereto and such Bank's Pro Rate Share thereof; provided, that notwithstanding anything herein to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines, interpretations or directives thereunder or issued in connection therewith (whether or not having the force of Law) and (y) all requests, rules, regulations, guidelines, interpretations or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities (whether or not having the force of Law), in each case pursuant to Basel III, shall in each case be deemed to be a change in Law regardless of the date enacted, adopted, issued, promulgated or implemented.

(d) Requests for Additional Optional Currencies. The Borrower may deliver to the Agent a written request that Revolving Credit Loans and/or Letters of Credit hereunder also be permitted to be made in any other lawful currency (other than Dollars), in addition to the currencies specified in the definition of "Optional Currency" herein provided that such currency must be freely traded in the offshore interbank foreign exchange markets, freely transferable, freely convertible into Dollars and available to the Banks in the applicable interbank market. The Agent will promptly notify the Banks of any such request promptly after the Agent receives such request. The Agent and each Bank may grant or accept such request in its sole discretion. The Agent will promptly notify the Borrower of the acceptance or rejection by the Agent and each of the Banks of the Borrower's request. The requested currency shall be approved as an Optional Currency hereunder only if the Agent and all of the Banks approve of the Borrower's request. ~~The Agent, in its reasonable discretion, shall designate any approved Optional Currency as Libor Quoted Currency or a Non-Libor Quoted Currency for purposes of this Agreement.~~

2.18 Currency Repayments.

Notwithstanding anything contained herein to the contrary, the entire amount of principal of and interest on any Revolving Credit Loan made or Letter of Credit issued in an Optional Currency shall be repaid in the same Optional Currency in which such Loan was made or Letter of Credit was issued, provided, however, that (a) if it is impossible or illegal for Borrower to effect payment of a Loan or reimbursement of a Letter of Credit in the Optional Currency in which such Loan was made or Letter of Credit was issued, (b) if Borrower defaults in its obligations to do so, or (c) if a ~~Libor Rate~~ Loan denominated in an Optional Currency automatically converts to a Base Rate Loan pursuant to Section 2.03(c) hereof, the Majority Banks may at their option (and, in the case of (a) above shall) permit such payment to be made (i) at and to a different location, subsidiary, Affiliate or correspondent of Agent, or (ii) in the Equivalent Amount of Dollars or (iii) in an Equivalent Amount of such other currency (freely convertible into Dollars) as the Majority Banks may solely at their option designate. Upon any events described in (i) through (iii) of the preceding sentence, Borrower shall make such payment and Borrower agrees to hold each Bank harmless from and against any loss incurred by any Bank arising from the cost to such Bank of any premium, any costs of exchange, the cost of hedging and covering the Optional Currency in which such Loan was originally made or Letter of Credit was originally issued, and from any change in the value of Dollars, or such other currency, in relation to the Optional Currency that was due and owing. Such loss shall be calculated for the period commencing with the first day of the Interest Period for such Loan and continuing through the date of payment thereof.

2.19 Optional Currency Amounts.

Notwithstanding anything contained herein to the contrary, Agent may, with respect to notices by Borrower for Revolving Credit Loans or Letters of Credit in an Optional Currency or voluntary prepayments of less than the full amount of a Loan denominated in an Optional Currency, engage in reasonable rounding (in accordance with the Agent's usual and customary Optional Currency policies) of the Optional Currency amounts requested to be loaned or repaid; and, in such event, Agent shall promptly notify Borrower and the Banks of such rounded amounts and Borrower's request or notice shall thereby be deemed to reflect such rounded amounts.

2.20 Mandatory Prepayments for Currency Fluctuations.

If on any Computation Date, either (a) the sum of the aggregate Dollar Equivalent principal amount of all Revolving Credit Loans outstanding and the aggregate Dollar Equivalent amount of Letters of Credit Outstanding is equal to or greater than one hundred five percent (105%) of the Optional Currency Sublimit as a result of a change in exchange rates between one (1) or more Optional Currencies and Dollars or (b) the sum of the aggregate Dollar Equivalent principal amount of all Revolving Credit Loans made to Foreign Borrowers outstanding and the aggregate Dollar Equivalent amount of Letters of Credit Outstanding issued on account of Foreign Borrowers is equal to or greater than one hundred five percent (105%) of the Foreign Borrower Sublimit as a result of a change in exchange rates between one (1) or more Optional Currencies and Dollars, then the Agent shall notify the Borrower and/or any Foreign Borrower, if applicable, of the same. The Borrower and/or any Foreign Borrower, if applicable, shall pay or prepay Revolving Credit Loans (subject to Borrower's and/or any Foreign Borrower's, if applicable, indemnity obligations under Section 2.12) within one (1) Business Day after receiving such notice such that, as applicable: (i) the Dollar Equivalent principal amount of all Revolving Credit Loans outstanding and the aggregate Dollar Equivalent amount of Letters of Credit Outstanding shall not exceed the Optional Currency Sublimit after giving effect to such payments or prepayments; and/or (ii) the aggregate Dollar Equivalent principal amount of all Revolving Credit Loans made to Foreign Borrowers outstanding and the aggregate Dollar Equivalent amount of Letters of Credit Outstanding issued on account of Foreign Borrowers shall not exceed the Foreign Borrower Sublimit after giving effect to such payments or prepayments.

2.21 Increase of Commitment.

If at any time after the Closing Date, and so long as no Event of Default or Potential Default has occurred and is continuing, the Borrower desires to increase the Revolving Credit Facility Commitment, (each, an "Additional Revolving Credit Increase") and/or, at the Borrower's option, request to add term loans (each, an "Incremental Term Loan" and collectively, the "Incremental Term Loans") (each Additional Revolving Credit Increase and each Incremental Term Loan are each, an "Additional Increase" and collectively, the "Additional Increases") the Borrower shall notify the Agent in writing, who will promptly notify each Bank thereof, provided that any such Additional Increase shall be in a minimum of Ten Million and 00/100 Dollars (\$10,000,000.00) and the aggregate of all such Additional Increases shall not exceed Four Hundred Million and 00/100 Dollars (\$400,000,000.00). The existing Banks shall have the right at any time within fourteen (14) days following such notice to increase their respective Commitment by providing written notice of the same to the Agent so as to provide such additional Commitment pro-rata in accordance with such Bank's Pro Rata Share, and any portion of such Additional Increase which is not provided by any such existing Bank shall be available to the other existing Banks; provided, that if more than one existing Bank desires to

increase its Commitment in respect of the portion of such Additional Increase not provided by an existing Bank, such participating Banks shall provide such portion of the additional Commitments on a pro rata basis in accordance with the proportion that their Pro Rata Share bears to each other, and thereafter, to the extent not provided by existing Banks, to any additional lending institution or institutions proposed by the Borrower and which is approved by the Agent (which approval will not be unreasonably withheld, conditioned or delayed) and which becomes a party to this Agreement pursuant to documentation reasonably acceptable to the Agent and prepared at the Borrower's expense, which documentation may be executed by the Borrower and the Agent (as agent for the Banks) without further consent or action of the Banks, such consent hereby deemed to be irrevocably given to the Agent by the Banks; provided, however, that the Borrower shall have the right to have the entire amount of each Additional Increase provided by such approved additional lending institution or institutions if all the existing Banks decline to increase their Commitments to accommodate any such Additional Increase. Notwithstanding anything to the contrary in this Section 2.21 or in any other provision of any Loan Document, if the proceeds of any Additional Increase (it being understood and agreed that only Additional Increases consisting of Incremental Term Loans may be used for a Limited Condition Acquisition) are intended to be applied to finance a Limited Condition Acquisition and the lenders providing such Additional Increase so agree, the availability of funds under such Additional Increase shall be subject to the terms of Section 1.06. In the event of any such Additional Increase in the aggregate Commitments and in the Commitment of any Bank effected pursuant to the terms of this Section 2.21, new Notes shall, to the extent deemed reasonably necessary or appropriate by the Agent, be executed and delivered by the Borrower, and the affected Banks shall promptly surrender and cancel the existing Notes; and the Borrower shall execute and deliver such additional documentation setting forth the new Commitments and Pro Rata Shares as the Agent shall reasonably request in accordance with the provisions of this Section 2.21 (each, an "Additional Increase Amendment"). Each Additional Increase Amendment (i) with respect to any Additional Revolving Credit Increase, shall be executed by the Borrower and the Agent (as agent for the Banks) without further consent or action of the Banks, such consent herein is deemed to be irrevocably given to the Agent by the Banks and (ii) with respect to any Incremental Term Loan, (A) shall be executed by the Borrower, the Banks providing such Incremental Term Loan and the Agent without further consent of any of the Banks not providing any portion of such Incremental Term Loan, such consent herein is deemed to be irrevocably given to the Agent by the Banks not providing any portion of such Incremental Term Loan, (B) may contain any amendments to this Agreement and the other Loan Documents as may be reasonably necessary or appropriate, in the opinion of the Agent, to effect the provisions of this Section 2.21 to, among other things, include such Incremental Term Loan and/or the effect thereof in the definitions of "Commitments", "Loans", "Majority Banks", "Notes", "Total Commitment Amount" and (C) shall set forth the terms and conditions applicable to such Incremental Term Loan as agreed to among the Borrower, the Banks providing such Incremental Term Loan and the Agent; provided, however, that the maturity date of such Incremental Term Loan shall not be earlier than the Expiry Date.

2.22 Additional Foreign Borrowers.

(a) The US Borrower may request that any Foreign Subsidiary which is also an Authorized Foreign Entity (each, an "Applicant Foreign Borrower") be designated a Foreign Borrower under the Foreign Borrower Sublimit by delivery of a written request to the Agent therefor. The Agent will promptly notify the Banks of any such request. Designation of any Applicant Foreign Borrower as a Foreign Borrower under the Foreign Borrower Sublimit is subject to (i) for any such request made following the First Amendment Closing Date, within thirty (30) days of receipt of notice of the request to join the applicable Applicant Foreign Borrower, no Bank shall have provided notice to the Agent and the US Borrower that such Bank does not meet all necessary regulatory and licensing requirements and is not otherwise legally permitted to make loans in the jurisdiction in which such Applicant Foreign Borrower is organized (it being understood that if a Bank has not so notified the Agent and the US Borrower, in each case, within such thirty (30) day period, such Bank shall be deemed to have confirmed that it has met all such regulatory and licensing requirements and is legally permitted to make loans in such applicable jurisdiction), (ii) delivery of executed Notes by such Applicant Foreign Borrower as may be requested by any Bank in connection therewith, (iii) delivery of supporting resolutions, articles of incorporation and bylaws (or their jurisdictional equivalents), incumbency certificates, opinions of counsel and such other items as the Agent or the Banks may reasonably request (including, without limitation, all documentation and other information necessary to evidence, in form and substance reasonably satisfactory to the Agent and the Banks, compliance with applicable Law (including, without limitation, all applicable anti-corruption, anti-terrorism, beneficial ownership and other "know your customer" regulatory requirements)), (iv) delivery of an executed Foreign Borrower Joinder Agreement, and (v) execution of an amendment to this Agreement to incorporate country specific lending requirements determined to be reasonably necessary by the Agent, and other items determined to be reasonably necessary by the Agent and Borrower, to join such Applicant Foreign Borrower, such amendment to be reasonably acceptable to the Agent, the Majority Banks and each Borrower. Notwithstanding any provision to the contrary contained herein or in any other of the Loan Documents, (i) no Foreign Borrower shall be liable for any Loan Document Obligations or other Indebtedness under any Loan Document of the US Borrower or any Guarantor (it being understood and agreed that, as to the US Borrower and each Guarantor, all Loan Document Obligations or other Indebtedness under any Loan Document of any Foreign Borrower shall continue to be the joint and several obligations of the US Borrower and each such Guarantor), and all amounts required to be paid by any such Foreign Borrower under this Credit Agreement or any other Loan Document shall be applied only to Loan Document Obligations or other Indebtedness under any Loan Document of such Foreign Borrower and shall not be applied to any Obligations of the US Borrower, any other Foreign Borrower or any Guarantor and (ii) Loan Document Obligations or other Indebtedness under any Loan Document owed by any Foreign Borrowers shall be several and not joint with the Loan Document Obligations or other Indebtedness under any Loan Document of the US Borrower and the Guarantors. A Foreign Borrower may from time to time, upon not less than fifteen (15) Business Days' written notice to the Agent (or such shorter period as may be agreed to by the Agent), terminate such Foreign Borrower's status as such, provided that there are no outstanding Revolving Credit Loans payable by such Foreign Borrower, or other amounts payable by such Foreign Borrower on account of any Revolving Credit Loans made to it, as of the effective date of such termination. The Agent shall promptly notify the Banks of any such termination

(b) Each Bank shall, on the First Amendment Closing Date or, if it becomes a party to this Agreement after the First Amendment Closing Date, in the Assignment Agreement or other documentation contemplated hereby, which it executes on becoming a party, indicate by written certification to the Agent which of the following categories it falls in:

- (i) not a UK Qualifying Bank;
- (ii) a UK Qualifying Bank (other than a UK Treaty Bank); or
- (iii) a UK Treaty Bank.

If any Bank fails to indicate its status by written certification to the Agent in accordance with this Section 2.22(b), then such Bank shall be treated for the purposes of this Agreement (including by the UK Borrower) as if it is not a UK Qualifying Bank until such time as it indicates its status by written certification to the Agent in accordance with this Section 2.22(b) (and the Agent, upon receipt of such certification, shall inform the UK Borrower). For the avoidance of doubt, an Assignment Agreement or such other documentation shall not be invalidated by any failure of a Bank to comply with this Section 2.22.

Each Recipient agrees that if any certification it previously delivered pursuant to this Section 2.22(b) becomes obsolete or inaccurate in any respect, it shall update such certification or promptly notify the Borrowers and the Agent in writing of its legal inability to remain a UK Qualifying Bank or a UK Treaty Bank, as the case may be.

(c) Additional Dutch Lending Matters.

(i) The initial Loan or other advance from any Bank to the Dutch Borrower shall be at least €100,000.00 (or its Equivalent Amount in another Optional Currency).

(ii) With respect to the Dutch Borrower, for the purposes of The Council of the European Union Regulation No. 2015/848 of 20 May 2015 on Insolvency Proceedings (the "Regulation"), its centre of main interest (as that term is used in Article 3(1) of the Regulation) is in its jurisdiction of incorporation and it has no "establishment" (as that term is used in Article 2(h) of the Regulation) in any other jurisdiction.

(iii) If, in respect of the Dutch Borrower, this Agreement or any other Loan Document is signed or executed by another Person (a "Dutch Attorney-in-Fact") acting on behalf of such Dutch Borrower pursuant to a power of attorney executed and delivered by such Dutch Borrower, it is hereby expressly acknowledged and accepted in accordance with article 14 of the Hague Convention on the Law Applicable to Agency of 14 March 1978 by the other parties to this Agreement or any other Loan Document that the existence and extent of such Dutch Attorney-in-Fact's authority and the effects of such Dutch Attorney-in-Fact's exercise or purported exercise of his or her authority shall be governed by the laws of The Netherlands.

(d) Additional United Kingdom Withholding Tax and Lending Matters.

(i) Subject to (ii) below, each Bank and the UK Borrower shall cooperate in completing any procedural formalities reasonably necessary for the UK Borrower to obtain authorization to make such payment without withholding or deduction for Taxes imposed under the laws of the United Kingdom.

(ii) (A) A Bank on the First Amendment Closing Date that (x) holds a passport under the HMRC DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall provide its scheme reference number and its jurisdiction of tax residence to the UK Borrower and the Agent in writing on the First Amendment Closing Date; and

(B) a Bank that becomes a Bank hereunder after the First Amendment Closing Date that (x) holds a passport under the HMRC DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall provide its scheme reference number and its jurisdiction of tax residence to the UK Borrower and the Agent in the Assignment Agreement, and

(C) upon satisfying either clause (A) or (B) above, such Bank shall have satisfied its obligation under paragraph (d)(i) above.

(iii) If a Bank has confirmed its scheme reference number and its jurisdiction of tax residence in accordance with paragraph (c)(ii) above, the UK Borrower shall make a DTTP Filing with respect to such Bank within thirty (30) Business Days following the First Amendment Closing Date or (if applicable) the date of the Assignment Agreement or, if later, thirty (30) Business Days before the last interest payment is due to such Bank, and shall promptly provide such Bank with a copy of such filing; provided that, if:

(A) the UK Borrower has not made a DTTP Filing in respect of such Bank; or

(B) the UK Borrower has made a DTTP Filing in respect of such Bank but (1) such DTTP Filing has been rejected by HM Revenue & Customs; (2) HM Revenue & Customs has not given the UK Borrower authority to make payments to such Bank without a deduction for tax within 60 days of the date of such DTTP Filing; or (3) HM Revenue and Customs has given the UK Borrower authority to make payments to that Bank without a Tax Deduction but such authority has subsequently been revoked or expired, and, in each case, the UK Borrower has notified that Bank in writing of any of (1), (2) or (3) above, then such Bank and the UK Borrower shall cooperate in completing any additional procedural formalities necessary for the UK Borrower to obtain authorization to make that payment without withholding or deduction for Taxes imposed under the laws of the United Kingdom.

(iv) If a Bank has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with paragraph (d)(ii) above, the UK Borrower shall not make a DTTP Filing or file any other form relating to the HMRC DT Treaty Passport scheme in respect of that Bank's Commitment or its participation in any Loan unless the Bank otherwise agrees.

(v) Neither the UK Borrower nor any Subsidiary thereof has at any time been an employer (for purposes of sections 38-51 of the Pensions Act 2004) of a UK defined benefit pension plan or is or has at any time been "connected" with or an "associate" of (as those terms are defined in section 51 of the Pensions Act 2004) such an employer.

(vi) With respect to the UK Borrower, for the purposes of the Regulation, its centre of main interest (as that term is used in Article 3(1) of the Regulation) is in its jurisdiction of incorporation and it has no "establishment" (as that term is used in Article 2(h) of the Regulation) in any other jurisdiction.

2.23 Impacted Banks.

Notwithstanding any provision of this Agreement to the contrary, if any Bank becomes an Impacted Bank, then the following provisions shall apply for so long as such Bank is an Impacted Bank:

(a) fees shall cease to accrue on the unfunded portion of the Commitment of such Impacted Bank pursuant to Section 2.05;

(b) if any Swing Line Loans are outstanding or any Letters of Credit Outstanding exist at the time such Bank becomes an Impacted Bank, then:

(i) all or any part of the outstanding Swing Line Loans and Letters of Credit Outstanding of such Impacted Bank shall be reallocated among the non-Impacted Banks in accordance with their respective Pro Rata Share but only to the extent that (x) sum of (1) the aggregate Dollar Equivalent principal amount of all Revolving Credit Loans outstanding, plus, (2) the sum of the aggregate principal amount of all Swing Line Loans outstanding, plus (3) the aggregate Dollar Equivalent amount of Letters of Credit Outstanding shall not exceed the total of all non-Impacted Banks' Revolving Credit Facility Commitments, and (y) no Potential Default or Event of Default has occurred and is continuing at such time;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within one (1) Business Day following notice by the Agent (x) first, prepay such outstanding Swing Line Loans, and (y) second, Cash Collateralize for the benefit of the Issuing Bank the Borrowers' obligations corresponding to such Impacted Bank's Pro Rata Share of Letters of Credit Outstanding (after giving effect to any partial reallocation pursuant to clause (i) above) in a deposit account held at the Agent for so long as such Letters of Credit Outstanding exist;

(iii) if the Borrower Cash Collateralizes any portion of such Impacted Bank's Pro Rata Share of Letters of Credit Outstanding pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Impacted Bank pursuant to Section 2.07 with respect to such Impacted Bank's Pro Rata Share of Letters of Credit Outstanding during the period such Impacted Bank's Pro Rata Share of Letters of Credit Outstanding are Cash Collateralized;

- (iv) if the Letters of Credit Outstanding of the non-Impacted Banks are reallocated pursuant to clause (i) above, then the fees payable to the Banks pursuant to Section 2.07 shall be adjusted in accordance with such non-Impacted Banks' Pro Rata Share; and
- (v) if all or any portion of such Impacted Bank's Pro Rata Share of Letters of Credit Outstanding are neither reallocated nor Cash Collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuing Bank or any other Bank hereunder, all Letter of Credit Commissions payable under Section 2.07 with respect to such Impacted Bank's Pro Rata Share of Letters of Credit Outstanding shall be payable to the Issuing Bank (and not to such Impacted Bank) until and to the extent that such Letters of Credit Outstanding are reallocated and/or Cash Collateralized.

(i) seeking to have an order for relief entered or a moratorium put in place in respect of such Loan Party or Material Subsidiary of such Loan Party, or seeking a declaration or entailing a finding that such Loan Party or Material Subsidiary of such Loan Party is insolvent or a similar declaration or finding, or seeking dissolution, winding-up, charter revocation or forfeiture, liquidation, reorganization, arrangement, adjustment, composition or other similar relief with respect to such Loan Party or Material Subsidiary of such Loan Party, its assets or debts under any Law (including, without limitation, the United Kingdom's Insolvency Act 1986, Regulation (EU) 2015/848 of the European Parliament and of the Council of 20 May 2015 on insolvency proceedings, the United Kingdom's Companies Act 2006, the Dutch Bankruptcy Act (*Faillissementswet*), and/or the German Insolvency Code (*Insolvenzordnung*)) relating to bankruptcy, insolvency, relief of debtors or protection of creditors, termination of legal entities or any other similar Law now or hereinafter in effect which shall not have been dismissed or stayed within thirty (30) days after such proceedings were instituted; or

(ii) seeking appointment of a receiver, trustee, custodian, liquidator, assignee, sequestrator or other similar official for a Loan Party or a Material Subsidiary of a Loan Party for all or any substantial part of its property which shall not have been advertised and shall not have been dismissed or stayed within thirty (30) days after such proceedings were instituted; or

(n) A Loan Party or any Material Subsidiary of a Loan Party shall become insolvent; shall become generally unable to pay its debts as they become due; shall voluntarily suspend transaction of its business; shall make a general assignment for the benefit of creditors; shall institute a proceeding described in Section 7.01(m)(i) of this Agreement or shall consent to any order for relief, declaration or finding described in Section 7.01(m)(i) of this Agreement; shall institute a proceeding described in Section 7.01(m)(ii) of this Agreement or shall consent to the appointment or to the taking of possession by any such official of all or any substantial part of its property whether or not any proceeding is instituted; shall dissolve, wind-up or liquidate itself or any substantial part of its property, other than pursuant to a transaction otherwise permitted hereunder; or shall take any action in furtherance of any of the foregoing.

7.02 Consequences of an Event of Default.

(a) If an Event of Default specified in subsections (a) through (l) of Section 7.01 of this Agreement occurs, the Issuing Banks and the Banks will be under no further obligation to make Loans or issue Letters of Credit and may at the option of the Majority Banks (i) demand the unpaid principal amount of the Notes, interest accrued on the unpaid principal amount thereof and all other amounts owing by the Borrower under this Agreement, the Notes and the other Loan Documents to be immediately due and payable without presentment, protest or further demand or notice of any kind, all of which are expressly waived, and an action for any amounts due shall accrue immediately; and (ii) require the Borrower to, and the Borrower shall thereupon, deposit in a non-interest bearing account with the Agent, as Cash Collateral for its obligations under the Loan Documents, an amount equal to one hundred five percent (105%) of the Letter of Credit Reserve, and the Borrower hereby pledges to the Agent and the Banks, and grants to the Agent for the benefit of the Banks a security interest in such account and all such cash as security for such obligations of the Borrower.

(b) If an Event of Default specified in subsections (m) or (n) of Section 7.01 of this Agreement occurs and continues or exists, the Issuing Banks and the Banks will be under no further obligation to make Loans or issue Letters of Credit and the unpaid principal amount of the Notes, interest accrued thereon and all other amounts owing by the Borrower under this Agreement, the Notes and the other Loan Documents shall automatically become immediately due and payable without presentment, demand, protest or notice of any kind, all of which are expressly waived, and an action for any amounts due shall accrue immediately.

7.03 Set-Off.

If the unpaid principal amount of the Notes, interest accrued on the unpaid principal amount thereof or other amount owing by any Loan Party under this Agreement, the Notes or the other Loan Documents shall have become due and payable (on demand, at maturity, by acceleration or otherwise), each of the Banks, any assignee of the Banks and the holder of any participation in any Loan will each have the right, in addition to all other rights and remedies available to it, without notice to such Loan Party, to set-off against and to appropriate and apply to such due and payable amounts any Indebtedness owing to, and any other funds held in any manner for the account of, such Loan Party by such Bank, by such assignee or by such holder including, without limitation, all funds in all deposit accounts (whether time or demand, general or special, provisionally credited or finally credited, or otherwise) now or in the future maintained by such Loan Party with such Bank, assignee or holder. The Borrower consents to and confirms the foregoing arrangements and confirms the Banks' rights, such assignee's rights and such holder's rights of banker's lien and set-off. Nothing in this Agreement will be deemed a waiver or prohibition of or restriction on the Banks' rights, such assignee's rights or any such holder's rights of banker's lien or set-off.

7.04 Equalization.

Each Bank agrees with the other Banks that if, at any time, it shall obtain any Advantage over the other Banks or any thereof in respect of the Indebtedness of the Borrower to the Banks, it shall purchase from the other Banks, for cash and at par, such additional participation in the Indebtedness of the Borrower to the Banks as shall be necessary to nullify the Advantage. If any such Advantage resulting in the purchase of an additional participation as aforesaid shall be recovered in whole or in part from the Bank receiving the Advantage, each such purchase shall be rescinded and the purchase price restored (but without interest unless the Bank receiving the Advantage is required to pay interest on the Advantage to the Person recovering the Advantage from such Bank) ratably to the extent of the recovery. Each Bank agrees with the other Banks that if it, at any time, shall receive any payment for or on behalf of the Borrower on any Indebtedness of the Borrower to that Bank by reason of offset of any deposit or other Indebtedness of the Borrower to the Banks, it will apply such payment first to any and all Indebtedness of the Borrower to the Banks pursuant to this Agreement (including, without limitation, any participation purchased or to be purchased pursuant to this Section or any other Section of this Agreement). The Borrower agrees that any Bank so purchasing a participation from the other Banks or any thereof pursuant to this Section may exercise all of its rights of payment (including the right of setoff) with respect to such participation as fully as if such Bank were a direct creditor of the Borrower in the amount of such participation.

7.05 Other Remedies.

The remedies in this Article VII are in addition to, not in limitation of, any other right, power, privilege or remedy, either at Law, in equity or otherwise, to which the Banks may be entitled. The Agent shall exercise the rights under this Article VII and all other collection efforts on behalf of the Banks and no Bank shall act independently with respect thereto, except as otherwise specifically set forth in this Agreement.

7.06 Application of Proceeds. From and after the date on which the Agent has taken any action pursuant to Section 7.02 and until payment in full of all Indebtedness owed under this Agreement and each other Loan Document, any and all proceeds received by the Agent from any sale or other disposition of any equity interests pledged under any Pledge Agreement, or any part thereof, or the exercise of any other remedy by the Agent, shall be applied as follows:

(i) First, to payment of that portion of the Indebtedness owed under this Agreement and the other Loan Documents constituting fees, indemnities, expenses and other amounts, including reasonable attorney fees, payable to the Agent in its capacity as such, the Issuing Bank in its capacity as such and the Swing Loan Lender in its capacity as such, ratably among the Agent, the Issuing Bank and Swing Loan Lender in proportion to the respective amounts described in this clause First payable to them;

(ii) Second, to payment of that portion of the Indebtedness owed under this Agreement and the other Loan Documents constituting fees, indemnities and other amounts (other than principal and interest) payable to the Banks under the Loan Documents, including reasonable attorney fees, ratably among the Banks in proportion to the respective amounts described in this clause Second payable to them;

(iii) Third, to payment of that portion of the Indebtedness owed under this Agreement and the other Loan Documents constituting accrued and unpaid interest on the Loans and Letters of Credit, ratably among the Banks in proportion to the respective amounts described in this clause Third payable to them;

(iv) Fourth, to payment of that portion of the Indebtedness owed under this Agreement and the other Loan Documents constituting unpaid principal of the Loans, the outstanding amount of drawn but unreimbursed Letters of Credit and unpaid payment obligations then owing under Bank-Provided Hedges and Treasury Management Agreements, ratably among the Agent, the Issuing Bank, and the Banks or Affiliates of the Banks which provide Bank-Provided Hedges and Treasury Management Agreements, in proportion to the respective amounts described in this clause Fourth held by them;

(v) Fifth, to the Agent for the account of the Issuing Bank, to Cash Collateralize any undrawn amounts under outstanding Letters of Credit; and

(vi) Last, the balance, if any, to the Loan Parties or as required by Law.

Notwithstanding anything to the contrary in this Section 7.06, no Swap Obligations of any Person that is not an Eligible Contract Participant shall be paid with amounts received from such Person under its Guaranty Agreement (including sums received as a result of the exercise of remedies with respect to such Guaranty Agreement) or from the proceeds of such Person's assets if such Swap Obligations would constitute Excluded Swap Obligations; provided, however, that to the extent possible appropriate adjustments shall be made with respect to payments and/or the proceeds of collateral from other Loan Parties that are Eligible Contract Participants with respect to such Swap Obligations to preserve the allocation to Obligations otherwise set forth above in this Section 7.06.

ARTICLE VIII

THE AGENT; THE SYNDICATION AGENT; ASSIGNMENTS; PARTICIPATIONS

8.01 Appointment and Authorization; No Liability.

The Banks and each Issuing Bank authorize Citizens, PNC, Truist Bank, JPM, Wells Fargo, and Bank of America, and Citizens, PNC, Truist Bank, JPM, Wells Fargo and Bank of America hereby agree to act as agent, syndication agent and documentation agent, respectively, for the Banks and each Issuing Bank in respect of this Agreement and the other Loan Documents upon the terms and conditions set forth in this Agreement. Each Bank and each Issuing Bank hereby irrevocably appoints and authorizes the Agent, the Syndication Agent and the Documentation Agent to take such action as agent on its behalf and to exercise such powers hereunder as are expressly delegated to the Agent, the Syndication Agent or Documentation Agent, as the case may be, by the terms of this Agreement and any of the other Loan Documents, together with such powers as are reasonably incidental thereto; provided that no duties or responsibilities not expressly assumed herein or therein shall be implied to have been assumed by the Agent, the Syndication Agent, or the Documentation Agent. The relationship between the Agent and the Banks (including, without limitation, each Issuing Bank), the relationship between the Syndication Agent and the Banks (including, without limitation, each Issuing Bank), and the relationship between the Documentation Agent and the Banks (including, without limitation, each Issuing Bank) are and shall be that of agent and principal only, and nothing contained in this Agreement or any of the other Loan Documents shall be construed to constitute the Agent, the Syndication Agent, or the Documentation Agent as a trustee for any Bank or any Issuing Bank. Neither the Agent, the Syndication Agent, the Documentation Agent nor any of their respective shareholders, directors, officers, attorneys or employees nor any other Person assisting them in their duties nor any agent or employee thereof, shall (a) be liable for any waiver, consent or approval given or action taken or omitted to be taken by it or them hereunder or under any of the Loan Documents or in connection herewith or therewith or be responsible for the consequences of any oversight or error of judgment whatsoever, or (b) be liable to the Borrower for consequential damages resulting from any breach of contract, tort or other wrong in connection with the negotiation, documentation, administration or collection of the Loans or any of the Loan Documents, except with respect to (a) and (b) hereof, to the extent of its or their willful misconduct or gross negligence as finally determined by a court of competent jurisdiction. In addition, to the extent required under the laws of any jurisdiction other than within the United States, each Bank and each Issuing Bank exempts the Agent from the restrictions pursuant to Section 181 Civil Code (*Bürgerliches Gesetzbuch*) and similar restrictions applicable to it pursuant to any other applicable law, in each case to the extent legally possible to such Bank and Issuing Bank. Any Bank and any Issuing Bank which cannot grant such exemption shall notify the Agent accordingly and, upon request of the Agent, either act in accordance with the terms of this Agreement and/or any other Loan Document as required pursuant to this Agreement and/or such other Loan Document or grant a special power of attorney to a party acting on its behalf, in a manner that is not prohibited pursuant to Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) and/or any other applicable laws. Without limiting the foregoing, each Bank and each Issuing Bank hereby authorizes the Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Agent is a party, and to exercise all rights, powers and remedies that the Agent may have under such Loan Documents.

8.02 Employees and Agents.

The Agent may exercise its powers and execute its duties by or through employees or agents and shall be entitled to take, and to rely on, advice of counsel concerning all matters pertaining to its rights and duties under this Agreement and the other Loan Documents and shall not be liable for action taken or suffered in good faith by it in accordance with the opinion of such counsel. The Agent may utilize the services of such Persons as the Agent in its sole discretion may determine, and all reasonable fees and expenses of any such Persons shall be paid by the Borrower and if not paid by the Borrower shall be paid by the Banks based upon their respective Commitment Percentages. Anything herein to the contrary notwithstanding, to the extent applicable, no Syndication Agent, Documentation Agent, lead arranger or bookrunner, whether acting individually or jointly, listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Agent, a Bank or the Issuing Bank hereunder.

8.03 No Representations; Each Bank's Independent Investigation.

The Agent, the Syndication Agent and Documentation Agent shall not be responsible for (a) the execution, validity or enforceability of this Agreement, the Notes, any of the other Loan Documents or any instrument at any time constituting, or intended to constitute, collateral security for the Notes, (b) the value of any such collateral security, (c) the validity, enforceability or collectability of any such amounts owing with respect to the Notes, or (d) any recitals or statements, warranties or representations made herein or in any of the other Loan Documents or in any certificate or instrument hereafter furnished to it by or on behalf of any Loan Party. The Agent, the Syndication Agent and Documentation Agent shall not be bound (a) to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements herein or in any instrument at any time constituting, or intended to constitute, collateral security for the Indebtedness evidenced by the Notes or (b) to ascertain whether any notice, consent, waiver or request delivered to it by any Loan Party or any holder of any of the Notes shall have been duly authorized or is true, accurate and complete. The Agent, the Syndication Agent, and the Documentation Agent have not made and do not now make any representations or warranties, express or implied, nor does it assume any liability to the Banks with respect to the creditworthiness, financial condition or any other condition of any Loan Party or with respect to the statements contained in any information memorandum furnished in connection herewith or in any other oral or written communication between the Agent and such Bank, the Syndication Agent and such Bank, or the Documentation Agent and such Bank. Each Bank acknowledges that it has, independently without reliance upon the Agent, the Syndication Agent, the Documentation Agent or any other Bank, and based upon such information and documents as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and agrees that the Agent, the Syndication Agent and Documentation Agent have no duty or responsibility, either initially or on a continuing basis, to provide any Bank with any credit or other information with respect thereto (other than such notices as may be expressly required to be given by the Agent to the Banks hereunder).

8.04 Payments to Banks.

(a) As between the Agent and the Borrower, a payment by the Borrower to the Agent hereunder or any of the other Loan Documents for the account of any Bank shall constitute a payment to such Bank. The Agent agrees to promptly, but in any event not later than the end of the following Business Day, distribute to each Bank such Bank's Pro Rata Share of payments received by the Agent for the account of the Banks in immediately available funds (except as may otherwise be provided with respect to an Impacted Bank).

(b) If in the opinion of the Agent the distribution of any amount received by it in such capacity hereunder, under the Notes or under any of the other Loan Documents, could reasonably be expected to involve it in liability, it may refrain from making distribution until its right to make distribution shall have been adjudicated by a court of competent jurisdiction. If a court of competent jurisdiction shall adjudge that any amount received by the Agent for the account of the Banks is to be distributed, the Agent shall distribute to each Bank such Bank's Pro Rata Share of the amount so adjudged to be distributed or in such manner as shall be determined by such court, together with interest thereon, in respect of each day during the period commencing on the date such amount was made available to the Agent and ending on the date the Agent distributes such amount, at a rate per annum equal to the interest rate earned by the Agent on such amount during such period. If a court of competent jurisdiction shall adjudge that any amount received and distributed by the Agent is to be repaid, each Person to whom any such distribution shall have been made shall either repay to the Agent its proportionate share of the amount so adjudged to be repaid or shall pay over the same in such manner and to such Persons as shall be determined by such court.

(c) Notwithstanding anything to the contrary contained in this Agreement or any of the other Loan Documents, any Bank that fails (i) to make available to the Agent its Pro Rata Share of any Loan that the Agent made on its behalf or (ii) to comply with the provisions of Section 7.04 with respect to it obtaining an Advantage, in each case as, when and to the full extent required by the provisions of this Agreement, shall be deemed delinquent and shall not be entitled to vote on any matters until such time as such delinquency is cured. Such Bank shall be deemed to have assigned any and all payments due it from the Borrower, whether on account of outstanding Loans, interest, fees or otherwise, to the remaining Banks for application to, and reduction of, their respective Pro Rata Shares of all outstanding Loans. Such Bank hereby authorizes the Agent to distribute such payments to the other Banks in proportion to their respective Pro Rata Shares of all outstanding Loans. Such Bank shall be deemed to have satisfied in full a delinquency when and if the Banks' respective Pro Rata Shares of all outstanding Loans have returned to those in effect immediately prior to such delinquency and without giving effect to the nonpayment causing such delinquency.

8.05 Note Holders.

The Borrower and the Agent may treat the payee of any Note as the holder thereof until written notice of transfer shall have been filed with it signed by such payee and in form satisfactory to the Agent.

8.06 Documents.

The Agent shall not be under any duty to examine into or pass upon the validity, effectiveness, genuineness or value of any Loan Documents or any other document furnished pursuant hereto or in connection herewith or the value of any collateral obtained hereunder, and the Agent shall be entitled to assume that the same are valid, effective and genuine and what they purport to be.

8.07 Agents and Affiliates.

With respect to the Loans, the Agent shall have the same rights and powers hereunder as any other Bank and may exercise the same as though it were not the agent, and the Agent and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any of its Affiliates.

8.08 Indemnification of Agents.

The Banks ratably agree to indemnify and hold harmless the Agent, the Syndication Agent and the Documentation Agent (to the extent not indemnified by the Borrower) from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against the Agent in its capacity as agent, the Syndication Agent in its capacity as syndication agent, or the Documentation Agent in its capacity as documentation agent, in any way relating to or arising out of this Agreement or any Loan Document or any action taken or omitted by the Agent, the Syndication Agent or the Documentation Agent with respect to this Agreement or any Loan Document, provided that no Bank shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including attorney fees) or disbursements resulting from the Agent's, the Syndication Agent's or the Documentation Agent's gross negligence or willful misconduct as finally determined by a court of competent jurisdiction. The obligations of the Banks under this Section 8.08 shall survive the payment in full of all amounts due pursuant to this Agreement or any other Loan Document and the termination of this Agreement.

8.09 Successor Agent; Documentation or Syndication Agent.

(a) The Agent may resign as administrative agent hereunder by giving not fewer than thirty (30) days' prior written notice to the US Borrower and the Banks. If the Agent shall resign under this Agreement, then either (a) the Majority Banks shall appoint from among the Banks a successor administrative agent for the Banks or (b) if a successor administrative agent shall not be so appointed and approved within the thirty (30) day period following the Agent's notice to the Banks of its resignation, then the Agent shall appoint a successor administrative agent who shall serve as administrative agent until such time as the Majority Banks appoint a successor administrative agent pursuant to clause (a); provided, that the consent of the US Borrower to such appointment shall be required at any time when no Event of Default is in existence (such consent not to be unreasonably withheld, conditioned or delayed). Upon its appointment, such successor administrative agent shall

succeed to the rights, powers and duties as administrative agent, and the term "Agent" shall mean such successor effective upon its appointment, and the former administrative agent's rights, powers and duties as administrative agent shall be terminated without any other or further act or deed on the part of such former administrative agent or any of the parties to this Agreement.

(b) The parties hereto acknowledge and agree that no Person shall have, solely by reason of its designation as a syndication agent, any power, duty, responsibility or liability whatsoever under this Agreement or any of the Loan Documents.

(c) The parties hereto acknowledge and agree that no Person shall have, solely by reason of its designation as a documentation agent, any power, duty, responsibility or liability whatsoever under this Agreement or any of the Loan Documents.

8.10 Knowledge of Default.

It is expressly understood and agreed that if the Agent has not been notified by the Borrower in writing that an Event of Default or Potential Default has occurred, the Agent shall be entitled to assume that no Event of Default or Potential Default has occurred and is continuing unless the Agent has been notified by a Bank in writing that such Bank considers that an Event of Default or Potential Default has occurred and is continuing and specifying the nature thereof.

8.11 Action by Agent.

So long as the Agent shall be entitled, pursuant to Section 8.10 hereof, to assume that no Event of Default or Potential Default shall have occurred and be continuing, the Agent shall be entitled to use its discretion with respect to exercising or refraining from exercising any rights which may be vested in it by, or with respect to taking or refraining from taking any action or actions which it may be able to take under or in respect of, this Agreement. The Agent shall incur no liability under or in respect of this Agreement by acting upon any notice, certificate, warranty or other paper or instrument believed by it to be genuine or authentic or to be signed by the proper party or parties, or with respect to anything which it may do or refrain from doing in the reasonable exercise of its judgment.

8.12 Notification of Potential Defaults and Events of Defaults.

Each Bank hereby agrees that, upon learning of the existence of a Potential Default or Event of Default, it shall promptly notify the Agent thereof. In the event that the Agent receives notice of an Event of Default or Potential Default, the Agent shall promptly notify all of the Banks and shall take such action and assert such rights under this Agreement as the Majority Banks shall direct and the Agent shall promptly inform the Banks in writing of the action taken. The Agent may take such action and assert such rights as it deems to be advisable, in its discretion, for the protection of the interests of the holders of the Notes.

8.13 Declaration of Invalidation.

Each Bank agrees that, to the extent that any payments received by any Bank from any Loan Party or otherwise on account of the Loans are subsequently invalidated, declared to be fraudulent or preferential, set aside or judicially required to be repaid to a debtor-in-possession, trustee, receiver, custodian or any other Person in connection with any proceeding referred to in Section 7.01(m) hereof or any similar cause of action ("Preference"), then, to the extent of such Preference, each Bank shall, upon demand, reimburse the Bank subject to such Preference in the amount necessary to cause each Bank to be affected by such Preference in proportion to its Pro Rata Share of the Loans.

8.14 Pro Rata Portion, Pari Passu and Equal.

The Pro Rata Share of each Bank in the Loans and the Letters of Credit shall be pari passu and equal with the Pro Rata Share of each other Bank and no Bank shall have priority over the other. Notwithstanding the foregoing, an Impacted Bank shall be deemed to have assigned any and all payments due to it from the Borrower, whether on account of or relating to outstanding Loans, Letters of Credit, interest, fees or otherwise, to the remaining Banks that are not Impacted Banks for application to, and reduction of, their respective Pro Rata Share of all outstanding Loans and other unpaid Indebtedness of any of the Loan Parties hereunder or under any other Loan Document. Each Impacted Bank hereby authorizes the Agent to distribute such payments to the Banks that are not Impacted Banks in proportion to their respective Pro Rata Share of all outstanding Loans and other unpaid Indebtedness of any of the Loan Parties hereunder or under any other Loan Document to which such Banks are entitled. A Defaulting Bank shall be deemed to have satisfied in full a delinquency when and if, as a result of application of the assigned payments to all outstanding Loans and other unpaid Indebtedness of any of the Loan Parties hereunder or under any other Loan Document of the Banks that are not Impacted Banks, the Banks' respective Pro Rata Shares of all outstanding Loans, Letters of Credit, interest, fees and other unpaid Indebtedness of any of the Loan Parties hereunder or under any other Loan Document have returned to those in effect immediately prior to such delinquency. An Impacted Bank (other than a Defaulting Bank) shall be deemed to no longer be an Impacted Bank when (i) the Agent, the applicable Issuing Bank(s) and/or the Swing Line Lender no longer has a good faith belief that such Bank has defaulted in fulfilling its obligations under one or more other syndicated credit facilities, (ii) such Impacted Bank is no longer deemed insolvent by an Official Body or the subject of a bankruptcy, receivership, conservatorship or insolvency proceeding, and/or (iii) such Impacted Bank no longer has a parent company that is deemed insolvent by an Official Body or is the subject of a bankruptcy, receivership, conservatorship or insolvency proceeding.

8.15 Cooperation.

Each Bank agrees that it shall cooperate in good faith and in a commercially reasonable manner with each other Bank and take whatever reasonable actions (at its own expense) are necessary to implement decisions made in accordance with this Agreement and with each of the other Loan Documents relating thereto.

8.16 Obligations Several.

The obligations of the Banks hereunder are several and not joint. Nothing contained in this Agreement, and no action taken by the Agent or the Banks pursuant hereto, shall be deemed to constitute a partnership, association, joint venture or other entity between any of the Banks. No default by any Bank hereunder shall excuse any Bank from any obligation under this Agreement, but no Bank shall have or acquire any additional obligation of any kind by reason of such default. The relationship among the Loan Parties and the Banks with respect to the Loan Documents and any other document executed in connection therewith is and shall be solely that of debtor and creditors, respectively, and neither the Agent nor any Bank has any fiduciary obligation toward any Loan Party with respect to any such documents or the transactions contemplated thereby.

8.17 Bank Assignments/Participations.

(A) Assignment/Transfer of Commitments.

Each Bank shall have the right at any time or times to assign or transfer to an Eligible Assignee or any Affiliate of such Bank, without recourse, all or a portion of (a) that Bank's Commitment, (b) all Loans made by that Bank, (c) that Bank's Notes, and (d) that Bank's participation in Letters of Credit and that Bank's participation purchased pursuant to Section 7.04; provided, however, in each such case, that the transferor and the transferee shall have complied with the following requirements:

(i) Prior Consent of Agent. No transfer may be consummated pursuant to this Section 8.17(A) without the prior written consent of the Agent, which consent of the Agent shall not be unreasonably withheld, delayed or conditioned.

(ii) Prior Consent of Borrower. No transfer may be consummated pursuant to this Section 8.17(A) without the prior written consent of the US Borrower (other than (i) a transfer by any Bank to another Bank (other than an Impacted Bank), (ii) a transfer by any Bank (other than an Impacted Bank) to any Affiliate of such Bank or (iii) a transfer occurring during the existence of an Event of Default or Potential Default), which consent of the US Borrower shall not be unreasonably withheld, delayed or conditioned; provided that the US Borrower shall be deemed to have consented to any such transfer unless it shall object thereto by written notice to the Agent within fifteen (15) days after having received notice thereof.

(iii) Minimum Amount. No transfer may be consummated pursuant to this Section 8.17(A) (other than a transfer by any Bank to an Affiliate of such Bank) in an aggregate amount less than (a) Five Million and 00/100 Dollars (\$5,000,000.00) or (b) if such Bank's Commitment is at any time less than Five Million and 00/100 Dollars (\$5,000,000.00), the entire amount of such Bank's Commitment.

(iv) Agreement; Transfer Fee. Unless the transfer shall be to an Affiliate of the transferor or the transfer shall be due to merger of the transferor or for regulatory purposes, the transferor (A) shall remit to the Agent, for its own account, an administrative fee of Three Thousand Five Hundred and 00/100 Dollars (\$3,500.00) and (B) shall cause the transferee to execute and deliver to the Borrower, the Agent and each Bank (1) an Assignment Agreement, in the form of Exhibit "E" attached hereto and made a part hereof (an "Assignment Agreement") together with the consents and releases and the Administrative Questionnaire referenced therein,

and (2) such additional amendments, assurances and other writings as the Agent may reasonably require.

(v) Notes. Upon its receipt of an Assignment Agreement executed by the parties to such Assignment, together with each Note subject to such Assignment Agreement, the Agent shall (a) record the information contained therein in the Register, and (b) give prompt notice thereof to the Borrower and the other Banks. Within five (5) Business Days after receipt of such notice, the Borrower, at its own expense, shall execute and deliver (A) to the Agent, the transferor and the transferee, any consent or release (of all or a portion of the obligations of the transferor) to be delivered in connection with the Assignment Agreement, and (B) to the transferee and, if applicable, the transferor, the appropriate Notes. Upon delivery of the new Notes, the transferor's Notes shall be promptly returned to the Borrower marked "replaced".

(vi) Parties. Upon satisfaction of the requirements of this Section 8.17, including the payment of the fee and the delivery of the documents set forth in Section 8.17(A) (iv), (A) the transferee shall become and thereafter be deemed to be a "Bank" for the purposes of this Agreement, (B) if the transferor transfers all of its interest, the transferor shall cease to be and thereafter shall no longer be deemed to be a "Bank" and shall have no further rights or obligations under or in connection herewith, and (C) the signature pages hereof and Schedule 1 hereto shall be automatically amended, without further action, to reflect the result of any such transfer.

(vii) The Register. The Agent shall maintain a copy of each Assignment Agreement delivered to it and a register or similar list (the "Register") for the recordation of the names and addresses of the Banks and the Commitment Percentages of, and principal amount of the Loans owing to, each Bank from time to time. The entries in the Register shall be conclusive, in the absence of manifest error, with respect to such information, and the Borrower, the Agent and the Banks may treat each financial institution whose name is recorded in the Register as the owner of the Loan recorded therein for all purposes of this Agreement. The Register shall be available for inspection by the Borrower or any Bank at any reasonable time and from time to time upon reasonable prior notice.

(viii) Certain Representations and Warranties; Limitations; Covenants. By executing and delivering an Assignment Agreement, the parties to the Assignment thereunder confirm to and agree with each other and the other parties hereto as follows:

(a) Other than the representation and warranty that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim, the assigning Bank makes no representation and warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, the other Loan Documents or any other instrument or document furnished pursuant hereto;

(b) The assigning Bank makes no representation or warranty and assumes no responsibility of the financial condition of any Loan Party or any other Person primarily or secondarily liable in respect of any of the Indebtedness of the Borrower to the Banks, or the performance or observance by any Loan Party or any other Person primarily or secondarily liable in respect of any of the Indebtedness of the Borrower to the Banks or any of their obligations under this Agreement or any of the other Loan Documents or any other instrument or document furnished pursuant hereto or thereto;

(c) Such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 5.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into the Assignment Agreement;

(d) Such assignee will, independently and without reliance upon the assigning Bank, the Agent or any other Bank and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement;

(e) Such assignee represents and warrants that it is an Eligible Assignee;

(f) Such assignee appoints and authorizes the Agent to take such action as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Agent by the terms hereof or thereof, together with such powers as are reasonably incidental thereto;

(g) Such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Bank; and

(h) Such assignee represents and warrants that it is legally authorized to enter into such Assignment Agreement.

(ix) No Assignment to Borrower. No such assignment shall be made to the Borrower or any of the Borrower's Affiliates or Subsidiaries.

(x) No Assignment to Natural Persons. No such assignment shall be made to a natural Person.

(x i) Assignment Only to Dutch Non-Public Lender. With respect to the Dutch Borrower only, no such assignment shall be made to a person who is not a Dutch Non-Public Lender.

B. Participations.

Each Bank shall have the right at any time or times, without the consent of any other party, to sell one or more participations or sub-participations to one or more financial institutions or any Affiliate of such Bank, in all or any part of (a) that Bank's Commitment, (b) that Bank's Commitment Percentage, (c) any Loan made by that Bank, (d) any Note delivered to that Bank pursuant to this Agreement and (e) that Bank's participations, if any, purchased pursuant to Section 7.04 or this Section 8.17(B).

(i) Rights Reserved. In the event any Bank shall sell any participation or sub-participation, that Bank shall, as between itself and the purchaser, retain all of its rights (including, without limitation, rights to enforce against the Loan Parties the Loan Documents and any and all other documents in connection therewith) and duties pursuant to the Loan Documents and any and all other documents in connection therewith, including, without limitation, that Bank's right to approve any waiver, consent or amendment pursuant to Section 9.02; provided, however, that (a) any such participation shall be in a minimum amount of Five Million and 00/100 Dollars (\$5,000,000.00) and (b) the holder of any such participation shall not be entitled to require such Bank to take any action hereunder except action directly affecting (i) any reduction in the principal amount or an interest rate on any Loan in which such holder participates; (ii) any extension of the Expiry Date or the date fixed for any payment of interest or principal payable with respect to any Loan in which such holder participates; and (iii) any reduction in the amount of any fees payable hereunder with respect to any Loan in which such holder participates. The Borrower hereby acknowledges and agrees that the participant under each participation shall for purposes of Sections 2.12(b), 2.13, 7.03 and 9.16 be considered to be a "Bank". Except as otherwise set forth herein, no participant or sub-participant shall have any rights or obligations hereunder, and the Loan Parties and the Agent shall continue to deal with the Banks as if no participation or sub-participation had occurred. The Agent shall continue to distribute payments as if no participation or sub-participation had been sold.

(ii) No Delegation. No participation or sub-participation shall operate as a delegation of any duty of the seller thereof. Under no circumstances shall any participation or sub-participation be deemed a novation in respect of all or any part of the seller's obligations pursuant to this Agreement.

C. Pledge by Banks. Notwithstanding the provisions of this Section 8.17, any Bank may at any time pledge all or any portion of its interest and rights under this Agreement (including all or any portion of its Notes) to any of the federal reserve banks organized under Section 4 of the Federal Reserve Act, 12 U.S.C. §341. No such pledge or the enforcement thereof shall release the pledgor Bank from its obligations hereunder or under any of the other Loan Documents.

8.18 Replacement of a Bank.

In the event any Bank (i) gives notice under Section 2.12 or Section 2.13, (ii) does not fund Revolving Credit Loans because the making of such Loans would contravene any Law applicable to such Bank or provides notice under 2.17(b) that such Bank cannot not fund a Revolving Credit Loan in Australian Dollars, British Pounds Sterling, Canadian Dollars or Euros, (iii) becomes subject to the control of an Official Body (other than normal and customary supervision), (iv) is an Impacted Bank or (v) has failed to consent to a proposed modification, amendment or waiver which pursuant to the terms of Section 9.02 or any other provision of any Loan Document requires the consent of all of the Banks and with respect to which the Majority Banks shall have granted their consent, (a) within ninety (90) days after (w) receipt of such

Bank's notice under Section 2.12, or Section 2.13, (x) the date such Bank has failed to fund Revolving Credit Loans because the making of such Loans would contravene Law applicable to such Bank or provides notice under 2.17(b) that such Bank cannot not fund a Revolving Credit Loan in Australian Dollars, British Pounds Sterling, Canadian Dollars or Euros, (y) the date such Bank became subject to the control of an Official Body or (z) the date such Bank became an Impacted Bank, as applicable, or (b) within ninety (90) days after such Bank has failed to consent to a proposed modification, amendment or waiver, the Borrower may, at its option and in its sole discretion, elect to prepay the Loans of such Bank in whole (together with all interest accrued thereon and any amounts required under Section 2.12 and any accrued interest due on such amount and any related fees) and terminate such Bank's Commitment or to have such Bank's Commitment replaced by one or more of the remaining Banks or a replacement bank acceptable to the Agent pursuant to Section 8.17(A) hereof; provided, that the remaining Banks shall have no obligation hereunder to increase their Commitments; provided, further to the extent the Borrower elects to replace a Bank which gave the Borrower notice under Section 2.12 or 2.13 or which failed to fund a Revolving Credit Loan because the making of such Loans would contravene any Law applicable to such Bank or provides notice under 2.17(b) that such Bank cannot not fund a Revolving Credit Loan in Australian Dollars, British Pounds Sterling, Canadian Dollars or Euros, it shall be obligated to remove or replace, as the case may be, all Banks that have made similar requests for compensation pursuant to Section 2.12 or Section 2.13 or who have failed to fund such Revolving Credit Loans. Notwithstanding the foregoing, (i) the Agent may only be replaced subject to the requirements of Section 8.09 and (ii) any applicable Issuing Bank may only be replaced subject to the requirements that all Letters of Credit issued by such Issuing Bank have expired or been terminated or replaced.

ARTICLE IX

MISCELLANEOUS

9.01 Business Days.

Except as otherwise provided in this Agreement, whenever any payment or action to be made or taken under this Agreement, or under the Notes or under any of the other Loan Documents is stated to be due on a day which is not a Business Day, such payment or action will be made or taken on the next following Business Day and such extension of time will be included in computing interest or fees, if any, in connection with such payment or action.

9.02 Amendments and Waivers.

Except as provided for in Section 2.03(d) hereof, no amendment, modification, termination, or waiver of any provision of this Agreement or any Loan Document, nor consent to any variance therefrom, shall be effective unless the same shall be in writing and signed by the Majority Banks and the Borrower and then such waiver or consent shall be effective only in the specific instance and for the specific purpose given. Notwithstanding anything contained herein to the contrary, consent of each Bank affected thereby shall be required with respect to (a) any increase in such Bank's Commitments hereunder (other than pursuant to Section 2.21 hereof), (b) the extension of the Expiry Date, the Term Loan Maturity Date, the payment date of interest or principal hereunder, or the payment of commitment or other fees or amounts payable hereunder, (c) any reduction in the rate of interest on the Notes, or in any amount of principal or interest due on any Note, or the payment of commitment or other fees hereunder or any change in the manner of pro rata application of any payments made by the Borrower to the Banks hereunder, (d) any change in any percentage voting requirement, voting rights or the definition of Majority Banks in this Agreement, (e) any release of any Guarantor

representing more than fifteen percent (15%) of the fair market value of all the Loan Parties' assets immediately prior to such sale or disposition; provided, that, no Event of Default shall exist immediately prior to and after giving effect to such release from its obligations under the Guaranty Agreement to which it is a party, (f) any amendment to this Section 9.02, 9.11 or Section 7.04 hereof or (g) any amendment to the definitions of "Impacted Bank" and "Defaulting Bank" herein. Notice of amendments or consents ratified by the Banks hereunder shall be immediately forwarded by the Agent to all Banks. Each Bank or other holder of a Note shall be bound by any amendment, waiver or consent obtained as authorized by this Section, regardless of its failure to agree thereto. In the case of any such waiver or consent relating to any provision of this Agreement, any Event of Default or Potential Default so waived or consented to will be deemed to be cured and not continuing, but no such waiver or consent will extend to any other or subsequent Event of Default or Potential Default or impair any right consequent to any other or subsequent Event of Default or Potential Default or impair any right consequent thereto. Notwithstanding anything to the contrary herein, no Impacted Bank shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that (i) the Commitment of such Impacted Bank may not be increased or extended without the consent of such Impacted Bank, (ii) any reduction in the rate of interest on the Notes, or in any amount of principal or interest due on any Note, or the payment of commitment or other fees hereunder or any adverse change in the manner of pro rata application of any payments made by the Borrower to the Banks hereunder shall require the consent of such Impacted Bank and (iii) any amendment, modification, termination or waiver requiring the consent of all Banks or each affected Bank that by its terms affects any Impacted Bank more adversely than other Banks shall require the consent of such Impacted Bank.

9.03 No Implied Waiver: Cumulative Remedies.

No course of dealing and no delay or failure of the Agent or the Banks in exercising any right, power or privilege under this Agreement, the Notes or any other Loan Document will affect any other or future exercise of any such right, power or privilege or exercise of any other right, power or privilege except as and to the extent that the assertion of any such right, power or privilege shall be barred by an applicable statute of limitations; nor shall any single or partial exercise of any such right, power or privilege or any abandonment or discontinuance of steps to enforce such a right, power or privilege preclude any further exercise of such right, power or privilege or of any other right, power or privilege. The rights and remedies of the Agent and the Banks under this Agreement, the Notes or any other Loan Document are cumulative and not exclusive of any rights or remedies which the Banks would otherwise have.

9.04 Notices.

All notices, requests, demands, directions and other communications (collectively, "Notices") under the provisions of this Agreement or the Notes must be in writing (including telexed or telecopied communication) unless otherwise expressly permitted under this Agreement and must be sent by first-class or first-class express mail, private overnight or next Business Day courier or by telecopy with confirmation in writing mailed first class, in all cases with charges prepaid, and any such properly given Notice will be effective when received. All Notices will be sent to the applicable party at the addresses stated below or in accordance with the last unrevoked written direction from such party to the other parties.

9.05 Expenses; Taxes; Attorney's Fees.

The Borrower agrees to pay or cause to be paid and to save: (a) the Agent harmless against liability for the payment of all reasonable out-of-pocket expenses, including, but not limited to reasonable fees and expenses of counsel and paralegals for the Agent, incurred by the Agent from time to time (i) arising in connection with the preparation, execution, delivery and performance of this Agreement, the Notes and the other Loan Documents and (ii) relating to any requested amendments, waivers or consents to this Agreement, the Notes or any of the other Loan Documents and (b) the Agent, Issuing Bank, Swing Line Lender and the Banks harmless against liability for the payment of all reasonable out-of-pocket expenses, including, but not limited to reasonable fees and expenses of counsel and paralegals for the Agent, Issuing Bank, Swing Line Lender and the Banks, incurred by the Agent, Issuing Bank, Swing Line Lender and/or the Banks from time to time arising in connection with the Agent's, Issuing Bank's, Swing Line Lender's and/or the Banks' enforcement or preservation of rights under this Agreement, the Notes or any of the other Loan Documents including, but not limited to, such expenses as may be incurred by the Agent, Issuing Bank, Swing Line Lender and/or the Banks in the collection of the outstanding principal amount of the Loans. The Borrower agrees to pay all Other Taxes payable in connection with this Agreement, the Notes or any other Loan Document, in accordance with applicable Law. The Borrower agrees to save the Agent, Issuing Bank, Swing Line Lender and the Banks harmless from and against any and all present or future claims, liabilities or losses with respect to or resulting from any omission to pay or delay in paying any such Other Taxes. In the event of a determination adverse to the Borrower of any action at Law or suit in equity in relation to this Agreement, the Notes or the other Loan Documents, the Borrower will pay, in addition to all other sums which the Borrower may be required to pay, a reasonable sum for attorneys and paralegals fees incurred by the Agent, Issuing Bank, Swing Line Lender and the Banks or the holder of the Notes in connection with such action or suit. All payments due under this Section will be added to and become part of the Loans until paid in full. The agreements in this section shall survive the termination of the Commitments and repayment of all other Indebtedness hereunder or under the other Loan Documents.

9.06 Severability.

The provisions of this Agreement are intended to be severable. If any provision of this Agreement is held invalid or unenforceable in whole or in part in any jurisdiction, the provision will, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting the validity or enforceability of the provision in any other jurisdiction or the remaining provisions of this Agreement in any jurisdiction.

9.07 Governing Law: Consent to Jurisdiction.

This Agreement will be deemed to be a contract under the Laws of the Commonwealth of Pennsylvania and for all purposes will be governed by and construed and enforced in accordance with the substantive Laws, and not the laws of conflicts, of said Commonwealth. The Loan Parties consent to the exclusive jurisdiction and venue of the federal and state courts located in Allegheny County, Pennsylvania, in any action on, relating to or mentioning this Agreement, the Notes, the other Loan Documents, or any one or more of them.

9.08 Prior Understandings.

This Agreement, the Notes and the other Loan Documents supersede all prior understandings and agreements, whether written or oral, among the parties relating to the transactions provided for in this Agreement, the Notes and the other Loan Documents.

9.09 Duration; Survival.

All representations and warranties of the Loan Parties contained in this Agreement or made in connection with this Agreement or any of the other Loan Documents shall survive the making of and will not be waived by the execution and delivery of this Agreement, the Notes or the other Loan Documents, by any investigation by the Agent or any Bank, or the making of any Loan. Notwithstanding termination of this Agreement or an Event of Default, all covenants and agreements of the Loan Parties will continue in full force and effect from and after the date of this Agreement so long as the Borrower may borrow under this Agreement and until payment in full of the Notes, interest thereon, and all fees and other obligations of the Borrower under this Agreement or the Notes. Without limitation, it is understood that all obligations of the Loan Parties to make payments to or indemnify the Agent and the Banks will survive the payment in full of the Notes and of all other obligations of the Loan Parties under this Agreement, the Notes and the other Loan Documents.

9.10 Counterparts.

This Agreement may be executed in any number of counterparts and by the different parties to this Agreement on separate counterparts each of which, when so executed, will be deemed an original, but all such counterparts will constitute but one and the same instrument.

9.11 Successors and Assigns.

This Agreement will be binding upon and inure to the benefit of the Agent, the Banks, the Borrower and their successors and permitted assigns, except that the Borrower may not assign or transfer any of its rights under this Agreement without the prior written consent of the Banks.

9.12 No Third Party Beneficiaries.

The rights and benefits of this Agreement and the other Loan Documents are not intended to, and shall not, inure to the benefit of any third party.

9.13 Exhibits.

All exhibits and schedules attached to this Agreement are incorporated and made a part of this Agreement.

9.14 Headings.

The section headings contained in this Agreement are for convenience only and do not limit or define or affect the construction or interpretation of this Agreement in any respect.

9.15 Limitation of Liability.

To the fullest extent permitted by Law, no claim may be made by the Borrower against the Agent or the Banks or any Affiliate, director, officer, employee, attorney or agent thereof for any special, incidental, indirect, consequential or punitive damages in respect of any claim arising from or related to this Agreement or any other Loan Document or any statement, course of conduct, act, omission or event occurring in connection herewith or therewith (whether for breach of contract, tort or any other theory of liability). The Borrower hereby waives, releases and agrees not to sue upon any claim for any such damages, whether such claim presently exists or arises hereafter and whether or not such claim is known or suspected to exist in its favor. This Section 9.15 shall not limit any rights of the Borrower arising solely out of gross negligence or willful misconduct.

9.16 Indemnities.

In addition to the payment of expenses pursuant to Section 9.05 hereof, the Borrower agrees to indemnify, pay and hold the Agent, the Syndication Agent, the Documentation Agent and each Bank and their officers, directors, employees, agents, consultants, auditors, Affiliates and attorneys (collectively, called the "Indemnitees"), harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including the reasonable fees and disbursements of counsel for such Indemnitees in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitee shall be designated a party thereto) that may be imposed on, incurred by or asserted against that Indemnitee, in any matter arising from (i) the occurrence of an Event of Default hereunder or under the other Loan Documents, (ii) the use or intended use of the proceeds of any of the Loans, (iii) the exercise of any right or remedy hereunder or under any of the other Loan Documents or (iv) any error, failure or delay in the performance of any of the Banks' obligations under this Agreement caused by natural disaster, fire, war, strike, civil unrest, error in inoperability of communication equipment or lines or any other circumstances beyond the control of the Banks (the "Indemnified Liabilities"); provided, however, that the Borrower shall have no obligation to an Indemnitee hereunder with respect to Indemnified Liabilities arising from the gross negligence or willful misconduct of that Indemnitee.

9.17 Certifications from Bank and Participants.

(a) Tax Withholding. Each Bank and any assignee or participant of a Bank that is not incorporated under the Laws of the United States of America or a state thereof (and, each assignee or participant of such Bank, or the Agent) agrees that it will deliver to the Borrower, such Bank and the Agent three (3) duly completed appropriate valid Withholding Certificates (as defined under §1.1441-1T(c)(16) of the Income Tax Regulations (the "Regulations")) certifying its status (i.e. U.S. or foreign person) and, if appropriate, making a claim of reduced, or exemption from, U.S. withholding Tax on the basis of an income Tax treaty or an exemption provided by the Code. Additionally, each Bank and any assignee or participant of a Bank that is incorporated under the Laws of the United States of America or a state thereof (and, any assignee or participant of such Bank, or the Agent) agrees that it will deliver to the Borrower, such Bank and the Agent two (2) originals of an IRS Form W-9 or any other form proscribed by applicable law demonstrating that such Bank is incorporated under the Laws of the United States of America or a state thereof. The term "Withholding Certificate" means a Form W-9; a Form W-8BEN; a Form W-8ECI; a Form W-8IMY and the related statements and certifications as required under § 1.1441-1(e)(2) and/or (3) of the Regulations; a statement described in § 1.871-14(c)(2)(v) of

the Regulations; or any other certificates under the Code or Regulations that certify or establish the status of a payee or beneficial owner as a U.S. or foreign person. Any assignee or participant required to deliver to the Borrower, a Bank and the Agent a Withholding Certificate pursuant to the preceding sentence shall deliver such valid Withholding Certificate at least five (5) Business Days before the effective date of such assignment or participation (unless such Bank in its sole discretion shall permit such assignee or participant to deliver such valid Withholding Certificate less than five (5) Business Days before such date in which case it shall be due on the date specified by such Bank). Any assignee or participant which so delivers a valid Withholding Certificate further undertakes to deliver to the Borrower, a Bank and the Agent three (3) additional copies of such Withholding Certificate (or a successor form) on or before the date that such Withholding Certificate expires or becomes obsolete or after the occurrence of any event requiring a change in the most recent Withholding Certificate so delivered by it, and such amendments thereto or extensions or renewals thereof as may be reasonably requested by the Borrower, such Bank or the Agent. Notwithstanding the submission of a Withholding Certificate claiming a reduced rate of or exemption from U.S. withholding Tax, the Borrower, such Bank and/or the Agent shall be entitled to withhold United States federal income Taxes at the full withholding rate if in its reasonable judgment it is required to do so under the due diligence requirements imposed upon a withholding agent under § 1.1441-7(b) of the Regulations. Further, such Bank and/or the Agent is indemnified under § 1.1461-1(e) of the Regulations against any claims and demands of any assignee or participant of such Bank for the amount of any Tax it deducts and withholds in accordance with regulations under § 1441 of the Code. If a payment made to a Bank under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Bank shall deliver to the Borrower and the Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Agent as may be necessary for the Borrower and the Agent to comply with their obligations under FATCA and to determine that such Bank has complied with such Bank's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this 9.17(a), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Bank agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Agent in writing of its legal inability to do so.

(b) The Loan Parties shall jointly and severally indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this 9.17) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Official Body. A certificate as to the amount of such payment or liability delivered to the Borrower by a Bank (with a copy to the Agent), or by the Agent on its own behalf or on behalf of a Bank, shall be conclusive absent manifest error.

(c) If the Agent or any Bank determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts of Taxes pursuant to this Agreement, it shall pay over such refund (or the amount of any credit in lieu of refund) to the applicable Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by the applicable Loan Party under this Agreement with respect to the Taxes giving rise to such refund or credit in lieu of refund), net of all out-of-pocket expenses of the Agent or such Bank, as the case may be, and without interest (other than any interest paid by the relevant Official Body with respect to such refund or credit in lieu of refund), provided that the applicable Loan Party, upon the request of the Agent or such Bank, agrees to repay the amount paid over to Loan Party (plus any interest, penalties or other charges imposed by the relevant Official Body) to the Agent or such Bank in the event the Agent or such Bank is required to repay such refund or credit in lieu of refund to such Official Body. Notwithstanding anything to the contrary in this paragraph (c), in no event will the Agent or a Bank be required to pay any amount to the applicable Loan Party pursuant to this paragraph if the payment of such amount would place the Agent or Bank in a less favorable net after-Tax position than it would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. Nothing in this paragraph (c) shall be construed to require the Agent or any Bank to make available its tax returns or any other information relating to its taxes that it deems confidential to the Borrower or any other Person.

(d) USA Patriot Act. Each Bank or assignee or participant of a Bank that is not incorporated under the Laws of the United States of America or a state thereof (and is not excepted from the certification requirement contained in Section 313 of the USA Patriot Act and the applicable regulations because it is both (i) an Affiliate of a depository institution or foreign bank that maintains a physical presence in the United States or foreign country, and (ii) subject to supervision by a banking authority regulating such affiliated depository institution or foreign bank) shall deliver to the Agent the certification, or, if applicable, recertification, certifying that such Bank is not a "shell" and certifying to other matters as required by Section 313 of the USA Patriot Act and the applicable regulations: (1) within ten (10) days after the Closing Date, and (2) as such other times as are required under the USA Patriot Act.

9.18 Confidentiality.

(a) General. Each Bank agrees to keep confidential all information obtained from the Loan Parties which is nonpublic and confidential or proprietary in nature (including without limitation any information a Loan Party specifically designates as confidential), except as provided below, and to use such information only in connection with this Agreement and for the purposes contemplated hereby. Each Bank shall be permitted to disclose such information (i) to outside legal counsel, accountants and other professional advisors who need to know such information in connection with the administration and enforcement of this Agreement, subject to agreement of such Persons to maintain the confidentiality of such information in accordance with the terms hereof, (ii) to assignees and participants as contemplated by Section 8.17, and prospective assignees and participants, subject to the agreement of such Persons to maintain the confidentiality of such information in accordance with the terms hereof, (iii) to the extent requested by any bank regulatory authority or, with notice to the applicable Loan Party, as otherwise required by applicable Law or by any subpoena or similar legal process, or in connection with any investigation or proceeding arising out of the transactions contemplated by this Agreement or the other Loan

Documents, (iv) if it becomes publicly available other than as a result of a breach of this Agreement or becomes available from a source not known to be subject to confidentiality restrictions, or (v) if the applicable Loan Party shall have consented, in writing, to such disclosure. Notwithstanding anything herein to the contrary, the information subject to this Section 9.18 shall not include, and a Bank may disclose without limitation of any kind, any information with respect to the "Tax treatment" and "Tax structure" (in each case, within the meaning of Treasury Regulation Section 1.6011-4) of the transactions contemplated hereby and all materials of any kind (including opinions or other tax analyses) that are provided to such Bank relating to such Tax treatment and Tax structure; provided that with respect to any document or similar item that in either case contains information concerning the Tax treatment or Tax structure of the transaction as well as other information, this sentence shall only apply to such portions of the document or similar item that relate to the Tax treatment or Tax structure of the Loans and transactions contemplated hereby.

(b) Sharing Information With Affiliates of the Bank. The Loan Parties acknowledge that from time to time financial advisory, investment banking and other services may be offered or provided to the Loan Parties or one or more of its Affiliates (in connection with this Agreement or otherwise) by a Bank or by one or more Subsidiaries or Affiliates of such Bank and each Loan Party hereby authorizes such Bank to share any information delivered to such Bank by the Loan Parties pursuant to this Agreement, or in connection with the decision of the Bank to enter into this Agreement, to any such Subsidiary or Affiliate of such Bank, it being understood that any such Subsidiary or Affiliate of such Bank receiving such information shall be bound by the provisions of Section 9.18 as if it were a Bank hereunder. Such authorization shall survive the repayment of the Loans.

9.19 Judgment Currency.

(a) Currency Conversion Procedures for Judgments. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder or under a Revolving Credit Note in any currency (the "Original Currency") into another currency (the "Other Currency"), the parties hereby agree, to the fullest extent permitted by Law, that the rate of exchange used shall be that at which in accordance with normal banking procedures each Bank could purchase the Original Currency with the Other Currency after any premium and costs of exchange on the Business Day preceding that on which final judgment is given.

(b) Indemnity in Certain Events. The obligation of Borrower in respect of any sum due from Borrower to any Bank hereunder shall, notwithstanding any judgment in an Other Currency, whether pursuant to a judgment or otherwise, be discharged only to the extent that, on the Business Day following receipt by any Bank of any sum adjudged to be so due in such Other Currency, such Bank may in accordance with normal banking procedures purchase the Original Currency with such Other Currency. If the amount of the Original Currency so purchased is less than the sum originally due to such Bank in the Original Currency, Borrower agrees, as a separate obligation and notwithstanding any such judgment or payment, to indemnify such Bank against such loss.

9.20 Contractual Recognition of Bail-In.

Notwithstanding any other term of any Loan Document or any other agreement, arrangement or understanding among any parties thereto, each party acknowledges and accepts that any liability of any Affected Financial Institution, or other credit institution or investment firm established in any other country, to any other party under or in connection with the Loan Documents, to the extent such liability is unsecured, may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

(a) Any Bail-In Action in relation to any such liability, including (without limitation):

- (i) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;
- (ii) a conversion of all, or part of, any such liability into shares or other instruments of ownership in such Affected Financial Institution, or other credit institution or investment firm established in any other country, that may be issued to, or conferred on, it; and
- (iii) a cancellation of any such liability; and

(b) A variation of any term of such liability under any Loan Document to the extent necessary to give effect to any Bail-In Action in relation to any such liability.

9.21 Certain ERISA Matters.

(a) Each Bank (x) represents and warrants, as of the date such Person became a Bank party hereto, to, and (y) covenants, from the date such Person became a Bank party hereto to the date such Person ceases being a Bank party hereto, for the benefit of, the Agent and its Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Bank is not using "plan assets" (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(c) The Agent hereby informs the Banks that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Bank or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

9.22 Acknowledgment Regarding any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Bank shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.22, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement provided by the Banks are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Banks, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Bank is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Affiliates, or any other Person and (B) no Bank has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) each of the Banks and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and no Bank has any obligation to disclose any of such interests to the Borrower or its Affiliates.

9.25 Amendment and Restatement.

This Agreement amends and restates in its entirety the Existing Loan Agreement. All references to the "Agreement" contained in the Existing Loan Agreement shall, and shall be deemed to, refer to this Agreement. Notwithstanding the amendment and restatement of the Existing Loan Agreement by this Agreement, the obligations of the Borrower outstanding under the Existing Loan Agreement shall remain outstanding and shall constitute continuing obligations without novation. Such obligations shall in all respects be continuing and this Agreement shall not be deemed to evidence or result in a novation or repayment and reborrowing of such obligations. Upon the effectiveness of this Agreement, all Loans owing by the Borrower and outstanding under the Existing Loan Agreement shall continue as Loans hereunder and shall constitute advances hereunder, and all Letters of Credit outstanding under the Existing Loan Agreement and any of the Loan Documents shall continue as Letters of Credit hereunder.
