Explanation of Responses:

- Award of restricted share units made under the Amended and Restated 2019 Director Fee Plan subject to the agreement entered into under the Plan. Each restricted share unit represents a contingent right to receive one share of the Company's Class A common stock.
- The number of restricted share units issued by the Issuer to the Reporting Person was calculated based on \$30.00, which represents the mean of the highest and lowest sales prices per share of the Issuer's Class A common stock on the Nasdaq Exchange on the date of issuance.
- The award generally vests on March 7, 2026 at which point the units will be converted to an equal number of shares of the Company's Class A common stock. Upon the vesting of this award of restricted share units, the Reporting Person deferred the receipt of the Class A common stock underlying the award subject to a timely deferral election, unless such deferral election is timely modified or revoked pursuant to its terms.
- On March 10, 2024, the vesting date, the time-based restricted share units converted into an equal number of deferred stock units under the provisions of the Reporting Person's deferral election.
- Each Deferred Stock Unit ("DSU") is the economic equivalent of one share of Class A common stock. The DSUs become payable in common stock in accordance with a deferral election made by the reporting person or pursuant to the Issuer's Amended and Restated 2019 Director Fee Plan. A copy of such deferral election is on file with the Issuer.
- DSUs were issued by the Issuer to the Reporting Person pursuant to dividend equivalent rights which are related to the March 10, 2024 restricted share units vesting.
